Dear Sir or Madam:

The American Veterinary Medical Association respectfully requests a sixty (60) day extension of the comment period for the Advance Notice of Proposed Rulemaking governing 42 CFR Part 71 RIN 0920-AA03, Foreign Quarantine Regulations, Proposed Revision of HHS/CDC Animal-Importation Regulations.

We believe that this proposal contains information which warrants careful review and consideration. An extension of the review period would enable the relevant AVMA councils and committees to evaluate the information and synthesize a response.

Sincerely,

Bruce W. Little, DVM
Executive Vice President
