Index to News

A

AAHA Helping Pets Fund

Programs assist pet owners facing tough times, 795

AAHA Universal Pet Microchip Lookup Tool

New online resources to help return animals to owners, 1019

AAVC Veterinary Internship and Residency Matching Program

AVMA board looks to future of communications, 130

Abbott Animal Health

Abbott online CE begins with fluid therapy, 924

Academy of Equine Veterinary Nursing Technicians (AEVNT)

Three veterinary technician specialties added, 803

Academy of Internal Medicine Veterinary Technicians (AIMVT)

Three veterinary technician specialties added, 803

Academy of Veterinary Zoological Medicine Technicians (AVZMT)

Three veterinary technician specialties added, 803

Accreditation

NAVTA leader hopes to uphold standards, partnerships, 12
Six veterinary technology programs become accredited, 14
Survey shows veterinary technicians grapple with new, old challenges, 14
Executive Board tackles professional issues, AVMA operations, 250
Policy review ranges from rabies to referrals, 253
AVMA Town Hall covers wealth of veterinary topics, 633
Education council schedules site visits, 805
New veterinary school partners with Virginia-Maryland, 812

Advancement of Chicanos and Native Americans in Science

Diversity in science, 1258

Afghanistan

AVMA hosts foreign colleagues, arranges Hill visits, 922

Africa

US makes big push to prevent global pandemic, 1252

Agriculture

Foodborne illness levels off in past several years, 134
GAO criticizes plan for mainland research on foot-and-mouth disease, 647

Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act

Congress requests GAO study on horse welfare, 1026

Alabama

Disaster training sessions benefit from AVMF sponsorship, 19
Alabama VMA, 502
Accolades: Dr. Robert S Hudson, 1266

Alaska

Veterinary public health workforce bill introduced in Congress, 246

Alaska Veterinary Medical Association (AVMA)

Alaska VMA, 1268

Alberta

Education council schedules site visits, 805

Alliance for Rabies Control

Policy review ranges from rabies to referrals, 253

Alpharma Animal Health

Veterinarian on top of the world after achieving life goal, 356

American Academy of Veterinary Clinicians (AAVC)

AVMA board looks to future of communications, 130

American Academy of Veterinary Nutrition (AAVN)

American Academy of Veterinary Nutrition, 357

American Academy of Veterinary Pharmacology and Therapeutics (AAVPT)

AAVPT takes charge of drug monographs, 1260

American Animal Hospital Association (AAHA)

Council on Communications dropped by HOD, 496
Programs assist pet owners facing tough times, 795
Make your voice heard, 918
New online resources to help return animals to owners, 1019

American Association for Laboratory Animal Science (AALAS)

Board fills vacancies, 133

American Association of Avian Pathologists (AAAP)

Drug disposal guidelines approved, antimicrobial use task force to be formed, 479
Ensuring welfare of broilers poses challenge, 636
FDA adds regulations to reduce *Salmonella* illness from eggs, 802
Affiliated groups meet in Seattle, 806
Make your voice heard, 918

American Association of Bovine Practitioners (AABP)

Drug disposal guidelines approved, antimicrobial use task force to be formed, 479
Make your voice heard, 918
California bans cow tail docking, 1261
NAIS funding cut by two-thirds for 2010 fiscal year, 1262
HSUS calls for more rules after calf abuse allegations, 1394

American Association of Corporate and Public Practice Veterinarians (AACPPV)

Make your voice heard, 918

American Association of Equine Practitioners (AAEP)

ACVIM issues consensus statement on EHV-1, 138
Unwanted horse survey sheds light on issue's causes, extent, 350
Make your voice heard, 918
Congress requests GAO study on horse welfare, 1026
Phenylbutazone use topic of FDA letter, 1255
AAEP Foundation identifies equine research needs, 1395

American Association of Extension Veterinarians (AAEV)

Make your voice heard, 918

American Association of Feline Practitioners (AAFP)

AAFP updates guidelines on care of senior cats, 138
Make your voice heard, 918

American Association of Food Hygiene Veterinarians (AAFHV)

Six amendments adopted, 496
Make your voice heard, 918

American Association of Rehabilitation Veterinarians (AARV)

Pet rehab becoming mainstream practice, 798

American Association of Small Ruminant Practitioners (AASRP)

Affiliated groups meet in Seattle, 807
Make your voice heard, 918

American Association of Swine Veterinarians (AASV)

Drug disposal guidelines approved, antimicrobial use task force to be formed, 479
FDA backs legislation to restrict antimicrobial use, 493
Sample submissions drop despite novel H1N1 concerns, 800
NAIS funding cut by two-thirds for 2010 fiscal year, 1262
PRRS research award applications invited, 1262
Resolutions address random-source animals, swine disease, 1381

American Association of Veterinary Laboratory Diagnosticians (AAVLD)

Zoo veterinarians win a seat on House Advisory Panel, 492
Affiliated groups meet in Seattle, 807

American Association of Veterinary Medical Colleges (AAVMC)
Health summit issues a call to action for the profession, 637

American Association of Zoo Veterinarians (AAZV)
Seattle convention offers in-depth education and much more, 480
Zoo veterinarians win a seat on House Advisory Panel, 492

American Board of Reptile and Amphibian Practice (ABRAP)
AVMA board looks to future of communications, 130

American Board of Veterinary Practitioners (ABVP)
American Board of Veterinary Practitioners, 258

American Board of Veterinary Specialties (ABVS)
AVMA board looks to future of communications, 130
Pet rehab becoming mainstream practice, 798

American Board of Veterinary Toxicology (ABVT)
Affiliated groups meet in Seattle, 807

American College of Laboratory Animal Medicine (ACLAM)
Primate veterinarians promote animal welfare, biomedical research, 347
American College of Laboratory Animal Medicine, 813

American College of Poultry Veterinarians (ACPV)
FDA adds regulations to reduce *Salmonella* illness from eggs, 802
Affiliated groups meet in Seattle, 807

American College of Theriogenologists (ACT)
American College of Theriogenologists, 925
Accolades: Dr. Robert S Hudson, 1266

American College of Veterinary Behaviorists (ACVB)
Affiliated groups meet in Seattle, 807

American College of Veterinary Clinical Pharmacology (ACVCP)
AAVPT takes charge of drug monographs, 1260

American College of Veterinary Internal Medicine (ACVIM)
ACVIM issues consensus statement on EHV-1, 138
Cancer drug approved for dogs, 139
Updated background: therapy dogs can acquire MRSA, 349
American College of Veterinary Internal Medicine and Canadian VMA,
358

American College of Veterinary Nutrition (ACVN)
American College of Veterinary Nutrition, 927

American College of Veterinary Ophthalmologists (ACVO)
More than 1,500 service dogs receive free eye examinations, 15

American College of Veterinary Pathologists (ACVP)
Accolades: Dr. Anthony W Confer, 1266
Professor elected to prominent health institute, 1397

American College of Veterinary Preventive Medicine (ACVPM)
Affiliated groups meet in Seattle, 807

American College of Veterinary Sports Medicine and Rehabilitation (ACVSMR)
Pet rehab becoming mainstream practice, 798

American College of Zoological Medicine (ACZM)
American College of Zoological Medicine, 1398

American Egg Board
Extensive study to examine egg-laying hen housing, 10
California advances bill putting standards on imported eggs, 140

American Embryo Transfer Association
American Embryo Transfer Association, 1266

American Feed Industry Association
Make your voice heard, 918

American Holistic Veterinary Medical Association (AHVMA)
American Holistic VMA, 1266

American Horse Council (AHC)
Unwanted horse survey sheds light on issue's causes, extent, 350
Congress requests GAO study on horse welfare, 1026

American Humane Association (AHA)
Extensive study to examine egg-laying hen housing, 10
American Humane offers curriculum to prevent dog bites in children, 650

American Humane KIDS Program
American Humane offers curriculum to prevent dog bites in children, 650

American Kennel Club (AKC)
New online resources to help return animals to owners, 1019

American Medical Association (AMA)
One health: from your backyard to the global villages, 242

American Public Health Association (APHA)
One health: from your backyard to the global villages, 242

American Quarter Horse Association (AQHA)
Unwanted horse survey sheds light on issue's causes, extent, 350
Congress requests GAO study on horse welfare, 1026

American Recovery and Reconstruction Act
USDA funding research, lab facility care, 357

American Registry of Pathology (ARP)
Board fills vacancies, 133
Make your voice heard, 918

American Society for the Prevention of Cruelty to Animals (ASPCA)
Companies recall pet foods for inadequate thiamine, other issues, 1255
California bans cow tail docking, 1261

American Society of Laboratory Animal Practitioners (ASLAP)
Make your voice heard, 918
Resolutions address random-source animals, swine disease, 1381

American Society of Microbiology (ASM)
One health from your backyard to the global villages, 242

American Society of the Prevention of Cruelty to Animals (ASPCA)
Morris funds research on canine influenza, other animal health issues,
1395

American Society of Tropical Medicine and Hygiene (ASTMH)
One health from your backyard to the global villages, 242

American Society of Veterinary Medical Association Executives (ASVMAE)
Affiliated groups meet in Seattle, 807
Make your voice heard, 918
New online resources to help return animals to owners, 1019

American University of Antigua
New veterinary school partners with Virginia-Maryland, 812

American Veterinary Medical Association (AVMA)
AVMA board looks to future of communications, 130
Welfare group to push for science-based policy, practices, 139
One health from your backyard to the global village, 242
Registration open for animal welfare symposium, 254
White House developing policy on waters, coasts, 649
American Humane offers curriculum to prevent dog bites in children, 650
World Rabies Day promotes prevention of deadly disease, 651
National Pet Wellness Month promotes wellness plans, 652
Comments accepted on national aquatic animal health plan, 804
AVMF, AVMA work to strengthen strategic partnership, 805
New online resources to help return animals to owners, 1019
AVMA headquarters earns Energy Star, 1021
AVMA policies encourage recycling, 1021
Vet 2011 celebration planning under way, 1023
Congress requests GAO study on horse welfare, 1026
AVMA weighs in on pharmacy requests for prescriptions, 1256
FFA, AVMA encourage youth to pursue veterinary medicine, 1256
Diversity in science, 1258
AVMA electronic newsletters offer a wealth of material, 1259

California bans cow tail docking, 1261
Congress approves funds for Plum Island replacement, 1261

American Veterinary Medical Foundation (AVMF)

Disaster training sessions benefit from AVMF sponsorship, 19
Time to apply for state emergency preparedness grants, 255
Seattle convention offers in-depth education and much more, 480
Convention-goers spruce up local animal shelters, 500
AVMF awards scholarships to veterinary students, 501
Auxiliary delegates approve exploring partnership with AVMA, 639
AVMF, AVMA work to strengthen strategic partnership, 805
Pfizer, AVMF partner to hand out hundreds of scholarships, 1022
Charities see downside of probable estate tax changes, 1260

American Veterinary Medical History Society (AVMHS)

Accolades: Ashley Mitek, 258
Accolades: Tiffany Lee, 258
Accolades: Valerie Livingston, 258
Affiliated groups meet in Seattle, 807

Analytic & Diagnostic Techniques

Funding shortage forces closure of Fresno lab, 21
Indicators for treatment of prostate cancer are evolving [AVMA GHLIT], 646

Anesthesiology

Studies link occupational exposures to preterm delivery, birth defects, 134

Animal Agriculture Alliance (AAA)

Accolades: Dr Elizabeth J Parker, 140

Animal Health Institute (AHI)

Accolades: Dr. Bruce W Martin, 1266

Animal Housing

Ohio voters OK board overseeing livestock care standards, 1391

Animal Medicinal Drug Use Clarification Act (AMDUCA)

Authorities examining "enhancements" for milk screening, 650

Animal Rescue

Unwanted horse survey sheds light on issue's causes, extent, 350

Animal Restraint

Halters could control cattle without fences, 1382

Animal Welfare

Extensive study to examine egg-laying hen housing, 10
Feline health studies funded, 17
Welfare group to push for science-based policy, practices, 139
Veterinary public health workforce bill introduced in Congress, 246
Registration open for animal welfare symposium, 254
Primate veterinarians promote animal welfare, biomedical research, 347
Unwanted horse survey sheds light on issue's causes, extent, 350
Pharmaceutical disposal guide intended to reduce water contamination, 478
Zoo veterinarians win a seat on House Advisory Panel, 492
Ensuring welfare of broilers poses challenge, 636
Congress requests GAO study on horse welfare, 1026
California bans cow tail docking, 1261
Halters could control cattle without fences, 1382
HSUS calls for more rules after calf abuse allegations, 1394

Animal Welfare Act

Primate veterinarians promote animal welfare, biomedical research, 347

Anniversaries

Vet 2011 celebration planning under way, 1023

Antigua

New veterinary school partners with Virginia-Maryland, 812

Antimicrobial Resistance

Experts give views on antimicrobial use, resistance, 256
Resistance changes mixed across bug and drug combos, 1024

Antimicrobials

Experts give views on antimicrobial use, resistance, 256

Pharmaceutical disposal guide intended to reduce water contamination, 478

FDA issues reminder about proper florfenicol use, 486

Antimicrobial use task force to be convened, 493

FDA backs legislation to restrict antimicrobial use, 493

Appointments

Accolades: Christopher Copeland, 140

Leininger to manage education consortium, 353

Matushek named AVMA editor-in-chief, 625

OSU selects animal-borne disease expert as dean, 653

AVMF, AVMA work to strengthen strategic partnership, 805

Case picked to head AVMA Scientific Activities Division, 914

Director named for Unwanted Horse Coalition, 923

Accolades: Dr Shirley D Johnston, 1027

Aquaculture

FDA issues reminder about proper florfenicol use, 486

Aquatic Animal Medicine

FDA provides \$150,000 for safety, efficacy testing in aquatic medicine, 1392

Archives of Occupational and Environmental Health

Disability can strike early in a career [AVMA GHLIT], 354

Arizona

Disaster training sessions benefit from AVMF sponsorship, 19

Arkansas

Veterinarians leave their mark on African nation, 911

Arthritis

Online arthritis resource for pet owners, 16

Artwork

Golden anniversary for Purdue veterinary school, 813

Asia

US makes big push to prevent global pandemic, 1252

Assistance Animals

More than 1,500 service dogs receive free eye examinations, 15

Updated backgrounder: therapy dogs can acquire MRSA, 349

Running for rabies awareness, 1263

Association des Anciens Elèves et Amis de l'Ecole Nationale Vétérinaire de Lyon

Vet 2011 celebration planning under way, 1023

Association for Women Veterinarians Foundation (AWVF)

Affiliated groups meet in Seattle, 807

Association of Academic Health Centers (AAHC)

One health from your backyard to the global village, 242

Association of American Medical Colleges (AAMC)

One health from your backyard to the global village, 242

Association of American Veterinary Medical Colleges (AAVMC)

NAVTA leader hopes to uphold standards, partnerships, 12

AVMA board looks to future of communications, 130

One health from your backyard to the global village, 242

Registration open for animal welfare symposium, 254

Leininger to manage education consortium, 353

Education, advocacy, and diversity are Corry's priorities, 489

Affiliated groups meet in Seattle, 807

Make your voice heard, 918

More veterinary grads investing in their careers with additional training, 1016

US makes big push to prevent global pandemic, 1252

Diversity in science, 1258

Association of Avian Veterinarians (AAV)

Accolades: Paul M Gibbons, 813

Make your voice heard, 918

Association of Avian Veterinarians, 1267

Association of Exotic Mammal Veterinarians (AEMV)

Accolades: Paul M Gibbons, 813

Association of Fish and Wildlife Agencies (AFWA)

One health from your backyard to the global village, 242

Association of Primate Veterinarians (APV)

Primate veterinarians promote animal welfare, biomedical research, 347

Association of Reptilian and Amphibian Veterinarians (ARAV)

Accolades: Paul M Gibbons, 813

Association of Reptilian and Amphibian Veterinarians, 1267

Association of Shelter Veterinarians (ASV)

Make your voice heard, 918

Association of State and Territorial Health Officials (ASTHO)

One health from your backyard to the global village, 242

Association of Veterinary Technician Educators (AVTE)

Three veterinary technician specialties added, 803

Auburn University

Accolades: Dr. Robert S Hudson, 1266

Australia

Feline health studies funded, 17

Studies link occupational exposures to preterm delivery, birth defects, 134

Australia halts irradiation of imported cat food after link with neurologic damage, 355

AVMA hosts foreign colleagues, arranges Hill visits, 922

Australian Veterinary Association (AVA)

AVMA hosts foreign colleagues, arranges Hill visits, 922

Vet 2011 celebration planning under way, 1023

Avian Influenza

US makes big push to prevent global pandemic, 1252

AVID

New online resources to help return animals to owners, 1019

AVMA/AAVMC Joint Committee

AVMA board looks to future of communications, 130

AVMA Advocate

AVMA electronic newsletters offer a wealth of material, 1259

AVMA Animal Welfare Committee (AWC)

Board fills vacancies, 133

Veterinary public health workforce bill introduced in Congress, 246

Feral cat policy amended for consistency, 254

AVMA policy opposing cosmetic procedures reaffirmed by HOD, 492

Random-source resolution scuttled, 495

Make your voice heard, 918

AVMA Animal Welfare Division

Extensive study to examine egg-laying hen housing, 10

Veterinary public health workforce bill introduced in Congress, 246

AVMA fills key staff positions, 248

AVMA policy opposing cosmetic procedures reaffirmed by HOD, 492

Ensuring welfare of broilers poses challenge, 636

AVMA Animal Welfare Principles

Extensive study to examine egg-laying hen housing, 10

Primate veterinarians promote animal welfare, biomedical research, 347

AVMA Animal Welfare Symposium

Registration open for animal welfare symposium, 254

AVMA Annual Convention

Leininger to manage education consortium, 353

146th AVMA Annual Convention, 476

Seattle convention offers in-depth education and much more, 480

Honoring an AVMA original, 483

Thank you to the 2009 AVMA Annual Convention sponsors, 485

Convention-goers spruce up local animal shelters, 500

AVMA Town Hall covers wealth of veterinary topics, 633

Symposium focuses on inclusion within the profession, 634

Health summit issues a call to action for the profession, 637

Auxiliary delegates approve exploring partnership with AVMF, 639

AVMA honor roll members inducted, 641

Seattle snapshots, 644

Affiliated groups meet in Seattle, 806

The search is on, 916

Vet 2011 celebration planning under way, 1023

AVMA electronic newsletters offer a wealth of material, 1259

AVMA Answers

Pharmaceutical compounding [L White-Shim], 1387

AVMA Antimicrobial Use Task Force

Pharmaceutical disposal guide intended to reduce water contamination, 478

AVMA Aquatic Veterinary Medicine Committee (AVMC)

Board fills vacancies, 133

Make your voice heard, 918

AVMA at a Glance

Diversity in science, 1258

AVMA Auxiliary

Auxiliary delegates approve exploring partnership with AVMF, 639

AVMA Bylaws

Drug disposal guidelines approved, antimicrobial use task force to be formed, 479

Council on Communications dropped by HOD, 496

Six amendments adopted, 496

Proposal would increase member dues in 2011, 1379

Resolution 4: Use of random source dogs and cats in research, 1381

Resolutions address random-source animals, swine disease, 1381

Resolution 3: Charge the House Advisory Committee to restructure the house reference committees, 1382

Resolution 5: Support development of comprehensive and integrated disease surveillance of the US swine herd, 1382

Amendments speak to representation, 1383

Proposed amendments

Article V—Executive Board, Section 3: Student AVMA president at Executive Board meetings, 1384

Article VII—House of Delegates, Section 2: Role of alternate delegates, 1384

Article VII—House of Delegates, Section 9: Term limits for delegates and alternate delegates, 1385

AVMA Candidates

Carlson, Strother declare candidacies, 498

AVMA Clinical Practitioners Advisory Committee (CPAC)

Board fills vacancies, 133

Pharmaceutical disposal guide intended to reduce water contamination, 478

Make your voice heard, 918

AVMA Clinical Proficiency Examination (CPE)

CPE fee structure set for new category of applicants, 251

AVMA Committee for Veterinary Technician Education (CVTEA)

NAVTA leader hopes to uphold standards, partnerships, 12

AVMA Committee on Disaster and Emergency Issues (CEI)

Make your voice heard, 918

AVMA Committee on Environmental Issues (CEI)

Committee on Environmental Issues, 18

Board fills vacancies, 133

Pharmaceutical disposal guide intended to reduce water contamination, 478

AVMA Committee on International Veterinary Affairs (IVA)

Make your voice heard, 918

AVMA Committee on Veterinary Technician Education and Activities (CVTEA)

Six veterinary technology programs become accredited, 14

AVMA electronic newsletters offer a wealth of material, 1259

AVMA Communications Division

Drug disposal guidelines approved, antimicrobial use task force to be formed, 479

Veterinarians help pet owners through online forum, 1386

AVMA Congressional Advocacy Network

AVMA electronic newsletters offer a wealth of material, 1259

AVMA Convention and Meeting Planning Division

AVMA fills key staff positions, 248

Seattle convention offers in-depth education and much more, 480

AVMA Convention Management and Program Committee (CMPC)

Seattle convention offers in-depth education and much more, 480

AVMA Council on Biologic and Therapeutic Agents (COBTA)

Pharmaceutical disposal guide intended to reduce water contamination, 478

The votes are in for AVMA councils and House Advisory Committee, 499

Make your voice heard, 918

AVMA Council on Communications (COC)

Seattle convention offers in-depth education and much more, 480

Council on Communications dropped by HOD, 496

AVMA Council on Education (COE)

Executive Board tackles professional issues, AVMA operations, 250

CPE fee structure set for new category of applicants, 251

Policy review ranges from rabies to referrals, 253

Six amendments adopted, 496

The votes are in for AVMA councils and House Advisory Committee, 499

Education council schedules site visits, 805

Make your voice heard, 918

AVMA electronic newsletters offer a wealth of material, 1259

AVMA Council on Public Health and Regulatory Veterinary Medicine (CPHRVM)

Policy review ranges from rabies to referrals, 253

The votes are in for AVMA councils and House Advisory Committee, 499

Make your voice heard, 918

AVMA Council on Research (COR)

The votes are in for AVMA councils and House Advisory Committee, 499

Make your voice heard, 918

AVMA Council on Veterinary Service (CVS)

Pharmaceutical disposal guide intended to reduce water contamination, 478

The votes are in for AVMA councils and House Advisory Committee, 499

Make your voice heard, 918

AVMA Councils and Committees

Make your voice heard, 918

AVMA Diversity Symposium

Symposium focuses on inclusion within the profession, 634

AVMA Ed

AVMA Ed undergoing a makeover, 636

AVMA Ed 2.0: faster and more user friendly, 1022

AVMA Educational Commission for Foreign Veterinary Graduates (ECFVG)

Board fills vacancies, 133

CPE fee structure set for new category of applicants, 251

Make your voice heard, 918

AVMA Environmental Issues Committee (EIC)

Make your voice heard, 918

AVMA Executive Board

AVMA board looks to future of communications, 130

Board fills vacancies, 133

2009 June 4-6:

AVMA program for lawyers, law students to continue, 250

Executive Board tackles professional issues, AVMA operations, 250

AVMA legislative agenda addresses Red Flags Rule, food safety, 251

CPE fee structure set for new category of applicants, 251

Board streamlines travel, representation, 252

Policy review ranges from rabies to referrals, 253

AVMAPAC clarifies changes to grassroots network, 254

Feral cat policy amended for consistency, 254

2009 July 14

Board suspends VLE sponsorship, calls for review of student programs, 477

Pharmaceutical disposal guide intended to reduce water contamination, 478

Drug disposal guidelines approved, antimicrobial use task force to be formed, 479

Seattle convention offers in-depth education and much more, 480

Antimicrobial use task force to be convened, 493

Council on Communications dropped by HOD, 496

FFA, AVMA encourage youth to pursue veterinary medicine, 1256

AVMA electronic newsletters offer a wealth of material, 1259

Congress approves funds for Plum Island replacement, 1261

Proposal would increase member dues in 2011, 1379

Amendments speak to representation, 1383

AVMA Finance and Business Services Division

AVMA headquarters earns Energy Star, 1021

AVMA Finances

2010 budget: promises kept, 490

Travel budget for HOD members being revisited, 495

Student AVMA weighs financial proposals at summer meeting [CS Hall], 640

GHLIT issues premium credit to medical plan participants [AVMA GHLIT], 915

Proposal would increase member dues in 2011, 1379

AVMA Food Safety Advisory Committee (FSAC)

Board fills vacancies, 133

Make your voice heard, 918

Accolades: Dr Thomas J Johnson, 1397

B

Banfield, the Pet Hospital

AVMA policy opposing cosmetic procedures reaffirmed by HOD, 492

Bayer Animal Health

Seattle convention offers in-depth education and much more, 480
New online resources to help return animals to owners, 1019

Bayer HealthCare

Accolades: Dr. Bruce W Martin, 1266

Beef Hooves

Pet treats may be contaminated with *Salmonella*, 1390

Beltsville Agricultural Research Center

USDA funding research, lab facility care, 357

Benchmarks

NCVEI releases benchmarking tools for referral practices, 1024

Biosecurity

Extensive study to examine egg-laying hen housing, 10
Disaster training sessions benefit from AVMF sponsorship, 19
Foodborne illness levels off in past several years, 134
GAO criticizes plan for mainland research on foot-and-mouth disease, 647

Resistance changes mixed across bug and drug combos, 1024
Ohio voters OK board overseeing livestock care standards, 1391

Biotechnology

National Institute of Food and Agriculture replaces USDA-CREES, 1261

Blue Dog Parent Guide and CD

American Humane offers curriculum to prevent dog bites in children, 650

Boehringer Ingelheim

PRRS research award applications invited, 1262

Bovine Veterinarian

Bovine Veterinarian moves to new Web site, 140

Brown Mackie College

Six veterinary technology programs become accredited, 14

Brucellosis

USDA: no known brucellosis infections in US cattle, 488
USDA accepting comments on tuberculosis, brucellosis plans, 1262

Burns

Some metal-backed drug patches lack warning about MRI burn risk, 16

Bushway Packing

HSUS calls for more rules after calf abuse allegations, 1394

C

Calgary University

Education council schedules site visits, 805

California

Extensive study to examine egg-laying hen housing, 10
Feline health studies funded, 17
Funding shortage forces closure of Fresno lab, 21
New stem cell lab for horses opens at UC-Davis, 21
Foodborne illness levels off in past several years, 134
California advances bill putting standards on imported eggs, 140
California VMA, 359
New California law protects state-approved veterinary procedures, 648
Accolades: Dr David A Jessup, 1027
Accolades: Dr Douglas R Mader, 1027
Accolades: Dr Linda J Lowenstine, 1027
Accolades: Dr MD Salman, 1027
US makes big push to prevent global pandemic, 1252
Companies recall pet foods for inadequate thiamine, other issues, 1255
California bans cow tail docking, 1261

California Animal Health and Food Safety Laboratory System

Funding shortage forces closure of Fresno lab, 21

California Cattlemen's Association

California bans cow tail docking, 1261

California Farm Bureau

California bans cow tail docking, 1261

California Veterinary Medical Association (CVMA)

Welfare group to push for science-based policy, practices, 139
California VMA, 359
California bans cow tail docking, 1261

Calls for Proposals

Time to apply for state emergency preparedness grants, 255

Campylobacter spp

Foodborne illness levels off in past several years, 134

Canada

Nutro recalls dry cat food because of mineral imbalances, 16
Feline health studies funded, 17
New stem cell lab for horses opens at UC-Davis, 21
Australia halts irradiation of imported cat food after link with neurologic damage, 355
American College of Veterinary Internal Medicine and Canadian VMA, 358
Education council schedules site visits, 805

Canadian Veterinary Medical Association (CVMA)

American College of Veterinary Internal Medicine and Canadian VMA, 358

Canine Influenza

USDA approves canine flu virus vaccine, 245
AVMA updates backgrounder on canine influenza, 2009;235:797
Correction:, 1018
Pigs, people, and now, pets, 1389
Morris funds research on canine influenza, other animal health issues, 1395

Canine Rehabilitation Institute

Pet rehab becoming mainstream practice, 798

Careers

NAVTA leader hopes to uphold standards, partnerships, 12
Leininger to manage education consortium, 353
More veterinary grads investing in their careers with additional training, 1016
FFA, AVMA encourage youth to pursue veterinary medicine, 1256

Cargill

Extensive study to examine egg-laying hen housing, 10

Carver Career Center

Six veterinary technology programs become accredited, 14

Cat Food

Nutro recalls dry cat food because of mineral imbalances, 16

Cats

Grants for feline health research available, 1018
Microchip company donates to feline foundation, 1266

Cattle

USDA: no known brucellosis infections in US cattle, 488
California bans cow tail docking, 1261
Halters could control cattle without fences, 1382
HSUS calls for more rules after calf abuse allegations, 1394

Ceftiofur

Experts give views on antimicrobial use, resistance, 256

Celebrations

Golden anniversary for Purdue veterinary school, 813
Vet 2011 celebration planning under way, 1023

Center for Animal Referral and Emergency Services

More than 1,500 service dogs receive free eye examinations, 15

Center for Food Integrity

Extensive study to examine egg-laying hen housing, 10

Centers for Disease Control and Prevention (CDC)

Foodborne illness levels off in past several years, 134
One health from your backyard to the global village, 242
Experts give views on antimicrobial use, resistance, 256
CDC council says fewer postexposure rabies vaccine doses needed, 349
Zoo veterinarians win a seat on House Advisory Panel, 492
GAO criticizes plan for mainland research on foot-and-mouth disease, 647
American Humane offers curriculum to prevent dog bites in children, 650
World Rabies Day promotes prevention of deadly disease, 651
Sample submissions drop despite novel H1N1 concerns, 800
Rabies vaccine sales restrictions lifted, 1018
Resistance changes mixed across bug and drug combos, 1024
Resolutions address random-source animals, swine disease, 1381
Pigs, people, and now, pets, 1389

Champion Petfoods

Australia halts irradiation of imported cat food after link with neurologic damage, 355

Nonnative Wildlife Invasion Prevention Act

AVMA legislative agenda addresses Red Flags Rule, food safety, 251

Nonsteroidal Anti-inflammatory Drugs (NSAIDs)

Phenylbutazone use topic of FDA letter, 1255

North American Broiler Welfare Symposium

Ensuring welfare of broilers poses challenge, 636

North American Veterinary Medical Education Consortium (NAVMEC)

Leininger to manage education consortium, 353
More veterinary grads investing in their careers with additional training, 1016

North Carolina

Accolades: Dr Kristen Hobbie, 140
Ensuring welfare of broilers poses challenge, 636
Symposium highlights research by veterinary students, 1027

North Carolina State University

Ensuring welfare of broilers poses challenge, 636
Symposium highlights research by veterinary students, 1027

North Dakota

USDA funding research, lab facility care, 357
Golden anniversary for Purdue veterinary school, 813
North Dakota VMA, 814

North Dakota Veterinary Medical Association (NDVMA)

North Dakota VMA, 814

Novartis

Rabies vaccine sales restrictions lifted, 1018

Nutro Products

Nutro recalls dry cat food because of mineral imbalances, 16
Companies recall pet foods for inadequate thiamine, other issues, 1255

O

Obstetrics and Gynecology

Studies link occupational exposures to preterm delivery, birth defects, 134

Occupational Hazards

Studies link occupational exposures to preterm delivery, birth defects, 134
Disability can strike early in a career [AVMA GHLIT], 354

Office International des Epizooties (OIE)

Registration open for animal welfare symposium, 254
Health summit issues a call to action for the profession, 637
OIE, FAO seek to control FMD, 653
US makes big push to prevent global pandemic, 1252

Ohio

Feline health studies funded, 17
Welfare group to push for science-based policy, practices, 139
OSU selects animal-borne disease expert as dean, 653
Ohio voters OK board overseeing livestock care standards, 1391

Ohio Farm Bureau Federation

Welfare group to push for science-based policy, practices, 139

Ohio State University

Feline health studies funded, 17
OSU selects animal-borne disease expert as dean, 653

Ohio Veterinary Medical Association (OVMA)

Ohio voters OK board overseeing livestock care standards, 1391

Oklahoma

Three veterinary technician specialties added, 803
Accolades: Dr. Anthony W Confer, 1266
Accolades: Dr. Bruce W Martin, 1266
Accolades: Dr. Gary L White, 1266

Oklahoma State University

Three veterinary technician specialties added, 803
Accolades: Dr. Anthony W Confer, 1266
Accolades: Dr. Bruce W Martin, 1266

Oncology

Measuring sunscreens' ability to protect against skin cancer [AVMA GHLIT], 137
Cancer drug approved for dogs, 139
Indicators for treatment of prostate cancer are evolving [AVMA GHLIT], 646

One Health Commission

One health from your backyard to the global village, 242
Health summit issues a call to action for the profession, 637

One Health Initiative

One health from your backyard to the global village, 242
Study finds pet owners who smoke will try to quit for animals' health, 245
Health summit issues a call to action for the profession, 637

Ontario

New stem cell lab for horses opens at UC-Davis, 21

Onychectomy

New California law protects state-approved veterinary procedures, 648

Oregon

Pigs, people, and now, pets, 1389

Orijen

Australia halts irradiation of imported cat food after link with neurologic damage, 355

P

Paleontology

Single-cell organism could have killed some tyrannosaurs, 1264

Palladia

Cancer drug approved for dogs, 139

Partnerships

New veterinary school partners with Virginia-Maryland, 812

Peace Corps

Veterinarians leave their mark on African nation, 911

Penn Pharma

FDA providing guidance on use of drug for Cushing disease, 914

Pennsylvania

More than 1,500 service dogs receive free eye examinations, 15
USDA funding research, lab facility care, 357
FDA adds regulations to reduce *Salmonella* illness from eggs, 802
Education council schedules site visits, 805

People for the Ethical Treatment of Animals (PETA)

Seattle convention offers in-depth education and much more, 480

Pet Carousel

Pet treats may be contaminated with *Salmonella*, 1390

Pet Evacuation and Transportation Standards Act

Time to apply for state emergency preparedness grants, 255

Petfinder

Programs assist pet owners facing tough times, 795

Pet Food

Australia halts irradiation of imported cat food after link with neurologic damage, 355
Companies recall pet foods for inadequate thiamine, other issues, 1255
Pet treats may be contaminated with *Salmonella*, 1390

Pet Health Exchange

Veterinarians help pet owners through online forum, 1386

PetSmart

Pet treats may be contaminated with *Salmonella*, 1390

Pets Need Dental Care, Too

Accolades, 360

Pew Commission on Industrial Farm Animal Production

AVMA says Pew Commission report is flawed, unscientific, 475

Pfizer Animal Health

Cancer drug approved for dogs, 139
Merck selling its half of Merial to co-owner sanofi-aventis, 654
Incentive created for veterinarians switching to research, 923
Pfizer, AVMF partner to hand out hundreds of scholarships, 1022
Morris funds research on canine influenza, other animal health issues, 1395
Teaching, research awards conferred, 1396

Pfizer Animal Health Veterinary Student Scholarship Program

Pfizer, AVMF partner to hand out hundreds of scholarships, 1022

Pharmaceuticals

FDA providing MUMS grants to aid new drug studies, 15
Pharmaceutical disposal guide intended to reduce water contamination, 478
FDA shuts down manufacturer of generic animal drugs, 648
FDA providing guidance on use of drug for Cushing disease, 914
AVMA weighs in on pharmacy requests for prescriptions, 1256

Pharmacists

FDA providing guidance on use of drug for Cushing disease, 914

Phenylbutazone

Phenylbutazone use topic of FDA letter, 1255

Phi Zeta

Accolades: Dr Kristen Hobbie, 140
Accolades: Dr Sriveny Dangoudoublyam, 140

Physical Therapy

Pet rehab becoming mainstream practice, 798

Piedmont Technical College

Six veterinary technology programs become accredited, 14

Pig Ears

Pet treats may be contaminated with *Salmonella*, 1390

Pike Place Fish Market

Seattle convention offers in-depth education and much more, 480

Pima Medical Institute

Six veterinary technology programs become accredited, 14

Plum Island Animal Disease Center

GAO criticizes plan for mainland research on foot-and-mouth disease, 647
Congress approves funds for Plum Island replacement, 1261

Porcine Reproductive and Respiratory Syndrome (PRRS)

PRRS research award applications invited, 1262

Potassium

Nutro recalls dry cat food because of mineral imbalances, 16

Poultry

Extensive study to examine egg-laying hen housing, 10
Disaster training sessions benefit from AVMF sponsorship, 19
USDA funding research, lab facility care, 357

Poultry Research Unit and Crop Science Research Laboratory

USDA funding research, lab facility care, 357

Pre-exposure Prophylaxis

Rabies vaccine sales restrictions lifted, 1018

Pregnancy

Studies link occupational exposures to preterm delivery, birth defects, 134

Premium Edge Pet Foods

Companies recall pet foods for inadequate thiamine, other issues, 1255

Prescriptions

AVMA weighs in on pharmacy requests for prescriptions, 1256

Preservation of Antibiotics for Medical Treatment Act (PAMTA)

FDA backs legislation to restrict antimicrobial use, 493

Propofol

Hospira recalls propofol that may contain particulate matter, 1388

Prostate

Indicators for treatment of prostate cancer are evolving [AVMA GHLIT], 646

Public Health

Foodborne illness levels off in past several years, 134
One health from your backyard to the global village, 242
Veterinary public health workforce bill introduced in Congress, 246
Experts give views on antimicrobial use, resistance, 256
Primate veterinarians promote animal welfare, biomedical research, 347
FDA backs legislation to restrict antimicrobial use, 493
Health summit issues a call to action for the profession, 637
GAO criticizes plan for mainland research on foot-and-mouth disease, 647
AVMA advises hunters on how to protect themselves from zoonoses, 921
US makes big push to prevent global pandemic, 1252
Army veterinary and human health commands merging, 1264
Ohio voters OK board overseeing livestock care standards, 1391

Public Relations

AVMA program for lawyers, law students to continue, 250

Purdue University

Disaster training sessions benefit from AVMF sponsorship, 19
Golden anniversary for Purdue veterinary school, 813

Q

Quarantine

Hospira recalls propofol that may contain particulate matter, 1388

R

Rabies

Policy review ranges from rabies to referrals, 253
CDC council says fewer postexposure rabies vaccine doses needed, 349
World Rabies Day promotes prevention of deadly disease, 651
Veterinarians leave their mark on African nation, 911
Rabies vaccine sales restrictions lifted, 1018
Running for rabies awareness, 1263

Rabies Compendium Committee-NASPHV

Board fills vacancies, 133

Random-Source Animals

Random-source resolution scuttled, 495

Resolutions address random-source animals, swine disease, 1381

Recalls

Nutro recalls dry cat food because of mineral imbalances, 16

Australia halts irradiation of imported cat food after link with neurologic damage, 355

Rabies vaccine sales restrictions lifted, 1018

Companies recall pet foods for inadequate thiamine, other issues, 1255

Hospira recalls propofol that may contain particulate matter, 1388

Pet treats may be contaminated with *Salmonella*, 1390

Reciprocity

NAVTA leader hopes to uphold standards, partnerships, 12

Recycling

AVMA policies encourage recycling, 1021

Red Flags Rule

AVMA legislative agenda addresses Red Flags Rule, food safety, 251

FTC delays enforcing rule requiring programs to prevent identity theft, 648

Businesses receive reprieve from rule requiring ID theft prevention, 1390

Red River Valley Agricultural Research Center

USDA funding research, lab facility care, 357

Referral Veterinary Practices

NCVEI releases benchmarking tools for referral practices, 1024

Registries

New online resources to help return animals to owners, 1019

Regulations

Extensive study to examine egg-laying hen housing, 10

Veterinary public health workforce bill introduced in Congress, 246

CPE fee structure set for new category of applicants, 251

FTC delays enforcing rule requiring programs to prevent identity theft, 648

White House developing policy on waters, coasts, 649

Authorities examining "enhancements" for milk screening, 650

FDA no longer issuing letters for importation of unapproved animal drugs, 921

Reports required for harmful contamination of food, feed, 924

Share your story on "I Am AVMA," 1258

Pharmaceutical compounding [L White-Shim], 1387

Businesses receive reprieve from rule requiring ID theft prevention, 1390

Rehabilitation

Pet rehab becoming mainstream practice, 798

Rend Lake College

Six veterinary technology programs become accredited, 14

Reportable Food Registry

Reports required for harmful contamination of food, feed, 924

Reporting Requirements

Reports required for harmful contamination of food, feed, 924

Requests for Applications

PRRS research award applications invited, 1262

Requests for Proposals

Morris Animal foundation calls for pilot-study proposals, 360

Research

FDA providing MUMS grants to aid new drug studies, 15

Incentive created for veterinarians switching to research, 923

Resolutions

Extensive study to examine egg-laying hen housing, 10

Responsible Use of Animals for Human Purposes

Primate veterinarians promote animal welfare, biomedical research, 347

resQ

New online resources to help return animals to owners, 1019

Risk Analysis

Studies link occupational exposures to preterm delivery, birth defects, 134

FDA backs legislation to restrict antimicrobial use, 493

National Pet Wellness Month promotes wellness plans, 652

Roman L Hruska US Meat Animal Research Center

USDA funding research, lab facility care, 357

Ross University

Student AVMA weighs financial proposals at summer meeting [CS Hall], 640

Royal Veterinary College

New stem cell lab for horses opens at UC-Davis, 21

S

Safe Food Enforcement Assessment, Standards, and Targeting Act

AVMA legislative agenda addresses Red Flags Rule, food safety, 251

Safe Guard

Veterinarian on top of the world after achieving life goal, 356

Salmonella spp

Foodborne illness levels off in past several years, 134

FDA adds regulations to reduce *Salmonella* illness from eggs, 802

Resistance changes mixed across bug and drug combos, 1024

Pet treats may be contaminated with *Salmonella*, 1390

sanofi-aventis

Merck selling its half of Merial to co-owner sanofi-aventis, 654

Sanofi Pasteur

Rabies vaccine sales restrictions lifted, 1018

Saprolegniasis

FDA provides \$150,000 for safety, efficacy testing in aquatic medicine, 1392

NCVEI releases benchmarking tools for referral practices, 1024

Veterinary Feed Directives (VFD)

FDA issues reminder about proper florfenicol use, 486

Veterinary History

Vet 2011 celebration planning under way, 1023

Veterinary Internship and Residency Matching Program (VIRMP)

More veterinary grads investing in their careers with additional training, 1016

Veterinary Leadership Experience (VLE)

Board suspends VLE sponsorship, calls for review of student programs, 477

Seattle convention offers in-depth education and much more, 480

Veterinary Medical Education

Registration open for animal welfare symposium, 254

Leininger to manage education consortium, 353

New veterinary school partners with Virginia-Maryland, 812

Golden anniversary for Purdue veterinary school, 813

More veterinary grads investing in their careers with additional training, 1016

US makes big push to prevent global pandemic, 1252

Veterinary Medicine Loan Repayment Program

Veterinary services legislation introduced in Congress, 624

Veterinary Ophthalmology

More than 1,500 service dogs receive free eye examinations, 15

Veterinary Orthopedic and Sports Medicine Group

Pet rehab becoming mainstream practice, 798

Veterinary Pathology

Australia halts irradiation of imported cat food after link with neurologic damage, 355

Veterinary Practice

NAVTA leader hopes to uphold standards, partnerships, 12

NCVEI leader: increase value when raising fees, 638

New California law protects state-approved veterinary procedures, 648

National Pet Wellness Month promotes wellness plans, 652

Oct 11-17 is National Veterinary Technician Week, 803

NCVEI releases benchmarking tools for referral practices, 1024

FFA, AVMA encourage youth to pursue veterinary medicine, 1256

Veterinary Practice Acts

NAVTA leader hopes to uphold standards, partnerships, 12

Veterinary Procedures

New California law protects state-approved veterinary procedures, 648

Veterinary Profession

Executive Board tackles professional issues, AVMA operations, 250

NCVEI releases benchmarking tools for referral practices, 1024

FFA, AVMA encourage youth to pursue veterinary medicine, 1256

Businesses receive reprieve from rule requiring ID theft prevention, 1390

Veterinary Public Health Workforce and Education Act

Veterinary public health workforce bill introduced in Congress, 246

Veterinary Services Investment Act

New online resources to help return animals to owners, 1019

Veterinary Specialties

More veterinary grads investing in their careers with additional training, 1016

Veterinary Students

Scholarship fund to support future bovine veterinarians, 140

Board suspends VLE sponsorship, calls for review of student programs, 477

AVMF awards scholarships to veterinary students, 501

More veterinary grads investing in their careers with additional training, 1016

Symposium highlights research by veterinary students, 1027

Single-cell organism could have killed some tyrannosaurs, 1264

Morris funds research on canine influenza, other animal health issues, 1395

Veterinary Technician National Examination

NAVTA leader hopes to uphold standards, partnerships, 12

Veterinary Technicians

Oct 11-17 is National Veterinary Technician Week, 803

Veterinary Technician Specialties

Three veterinary technician specialties added, 803

Veterinary Technology

NAVTA leader hopes to uphold standards, partnerships, 12

Survey shows veterinary technicians grapple with new, old challenges, 14

Oct 11-17 is National Veterinary Technician Week, 803

Three veterinary technician specialties added, 803

Veterinary Workforce

Scholarship fund to support future bovine veterinarians, 140

Veterinary public health workforce bill introduced in Congress, 246

Federal veterinary loan repayment program moves ahead, 485

Veterinary services legislation introduced in Congress, 624

New online resources to help return animals to owners, 1019

Veteryl

FDA providing guidance on use of drug for Cushing disease, 914

VetPartners

NCVEI releases benchmarking tools for referral practices, 1024

Vetsulin

FDA alerts veterinarians to problems with Vetsulin, 1388

Vibrio spp

Foodborne illness levels off in past several years, 134

Virginia

New veterinary school partners with Virginia-Maryland, 812

US makes big push to prevent global pandemic, 1252

Virginia-Maryland Regional College of Veterinary Medicine

New veterinary school partners with Virginia-Maryland, 812

Virology

USDA approves canine flu virus vaccine, 245

Sample submissions drop despite novel H1N1 concerns, 800

US makes big push to prevent global pandemic, 1252

Virtual Fence

Halters could control cattle without fences, 1382

Volunteers

Seattle convention offers in-depth education and much more, 480

Convention-goers spruce up local animal shelters, 500

W

Wales

FDA providing guidance on use of drug for Cushing disease, 914

Walleye Fish

FDA provides \$150,000 for safety, efficacy testing in aquatic medicine, 1392

Waltham Center

Feds offer research grants on interactions between pets, children, 812

Washington

Six veterinary technology programs become accredited, 14

Disaster training sessions benefit from AVMF sponsorship, 19

Veterinary public health workforce bill introduced in Congress, 246

Seattle convention offers in-depth education and much more, 480

Convention-goers spruce up local animal shelters, 500

Professor elected to prominent health institute, 1397

Washington State University

Disaster training sessions benefit from AVMF sponsorship, 19

Veterinary public health workforce bill introduced in Congress, 246

Professor elected to prominent health institute, 1397

Web Sites

Online arthritis resource for pet owners, 16

Bovine Veterinarian moves to new Web site, 140

Executive Board tackles professional issues, AVMA operations, 250

Registration open for animal welfare symposium, 254
Primate veterinarian promote animal welfare, biomedical research, 347
Drug disposal guidelines approved, antimicrobial use task force to be formed, 479
Abbott online CE begins with fluid therapy, 924
AVMA updates background on canine influenza, 2009;235:797
Correction:, 1018
New online resources to help return animals to owners, 1019
Share your story on "I Am AVMA," 1258
AVMA electronic newsletters offer a wealth of material, 1259
AAVPT takes charge of drug monographs, 1260
California bans cow tail docking, 1261
Veterinarians help pet owners through online forum, 1386

Wellness

Measuring sunscreens' ability to protect against skin cancer [AVMA GHLIT], 137
Indicators for treatment of prostate cancer are evolving [AVMA GHLIT], 646
National Pet Wellness Month promotes wellness plans, 652

West Indies

Student AVMA weighs financial proposals at summer meeting [CS Hall], 640
New veterinary school partners with Virginia-Maryland, 812

West Virginia

Six veterinary technology programs become accredited, 14

White House Council on Environmental Quality

White House developing policy on waters, coasts, 649

Wildlife

One health from your backyard to the global village, 242
USDA: no known brucellosis infections in US cattle, 488
Veterinarians leave their mark on African nation, 911
US makes big push to prevent global pandemic, 1252
Halters could control cattle without fences, 1382
Morris funds research on canine influenza, other animal health issues, 1395

Wildlife Conservation Society (WCS)

One health from your backyard to the global village, 242
US makes big push to prevent global pandemic, 1252

Winn Feline Foundation

Grants for feline health research available, 1018
Microchip company donates to feline foundation, 1266

Wisconsin

Disaster training sessions benefit from AVMF sponsorship, 19
FDA provides \$150,000 for safety, efficacy testing in aquatic medicine, 1392

World Association of Veterinary Laboratory Diagnosticians (WAVLD)

Professor elected to prominent health institute, 1397

World Health Organization (WHO)

Health summit issues a call to action for the profession, 637
US makes big push to prevent global pandemic, 1252

World Rabies Day

Running for rabies awareness, 1263

World Small Animal Veterinary Association (WSAVA)

World Small Animal Veterinary Association, 926

World Veterinary Association (WVA)

Vet 2011 celebration planning under way, 1023

World Veterinary Year

Vet 2011 celebration planning under way, 1023

Wyeth Laboratories

Merck selling its half of Merial to co-owner sanofi-aventis, 654

Wyoming

Disaster training sessions benefit from AVMF sponsorship, 19
AVMA policy opposing cosmetic procedures reaffirmed by HOD, 492
USDA accepting comments on tuberculosis, brucellosis plans, 1262

Wysong Synorgon

Companies recall pet foods for inadequate thiamine, other issues, 1255

Y

Yaks

Veterinarian on top of the world after achieving life goal, 356

Yellowstone National Park

USDA: no known brucellosis infections in US cattle, 488
USDA accepting comments on tuberculosis, brucellosis plans, 1262

Yersinia spp

Foodborne illness levels off in past several years, 134

Z

Zinc

Nutro recalls dry cat food because of mineral imbalances, 16

Zoological Gardens

Zoo veterinarians win a seat on House Advisory Panel, 492

Zoonoses

Disaster training sessions benefit from AVMF sponsorship, 19
Foodborne illness levels off in past several years, 134
One health from your backyard to the global village, 242
CDC council says fewer postexposure rabies vaccine doses needed, 349
Updated backgrounder: therapy dogs can acquire MRSA, 349
USDA: no known brucellosis infections in US cattle, 488
Zoo veterinarians win a seat on House Advisory Panel, 492
Health summit issues a call to action for the profession, 637
GAO criticizes plan for mainland research on foot-and-mouth disease, 647
OIE, FAO seek to control FMD, 653
Veterinarians leave their mark on African nation, 911
AVMA advises hunters on how to protect themselves from zoonoses, 921
US makes big push to prevent global pandemic, 1252
USDA accepting comments on tuberculosis, brucellosis plans, 1262

About the Cover

Gothic Crème d'Argent, by Koo Schadler, 3
Red Runners, by Jan Fabian Wallake, 123
Shiner Blonde, by Leigh Johnston, 235
Creature Comfort, by Gloria Najecki, 339
AVMA Officers, 2009-2010, 467
Cows on the Path, by Sonja Searcy, 617
Feline Feast, by Carol Etheridge Caughey, 787
Eye to Eye, by David Ramsey, 901
Stampede, by Jarry Mattox, 1009
Pawnee, by Bonnie Morris, 1107
Delta, by Margaret Rice, 1243
Smokey, by Carol Ratafia, 1371

Abscesses

Lameness resulting from abscess of the hoof in a horse [JL Carmalt et al], 377

ACTH

Evaluation of plasma ACTH, α -melanocyte-stimulating hormone, and insulin concentrations during various photoperiods in clinically normal horses and ponies and those with pituitary pars intermedia dysfunction [J Beech et al], 715

Actinomyces spp

Actinomycosis in a mink [RC Smedley et al], 1049

Adenocarcinoma

Systemic hypertension in a dog with a functional thyroid gland adenocarcinoma [AC Simpson et al], 1474

Adhesives

Gastric foreign body resulting from ingestion of household glue in a dog [HA Phelps et al], 507

Adipokines

The role of key adipokines in obesity and insulin resistance in cats [AL Lusby et al], 518

Aelurostrongylus spp

Comparison of bronchoalveolar lavage fluid examination and other diagnostic techniques with the Baermann technique for detection of naturally occurring *Aelurostrongylus abstrusus* infection in cats [L Lacorcia et al], 43
Cryptococcosis and pulmonary aelurostrongylosis in a cat [C Lorente-Méndez et al], 1407

American Journal of Veterinary Research Table of Contents

202, 434, 756, 903, 1216, 1480

American Paint Horses

Evaluation of deafness in American Paint Horses by phenotype, brainstem auditory-evoked responses, and endothelin receptor B genotype [KG Magdesian et al], 1204

Ammonium Urate

Rate and frequency of recurrence of uroliths after an initial ammonium urate, calcium oxalate, or struvite urolith in cats [H Alban et al], 1450

Analgesia

Analgesic effects of butorphanol tartrate and phenylbutazone administered alone and in combination in young horses undergoing routine castration [MG Sanz et al], 1194

Anal Sac

Metastatic anal sac adenocarcinoma with paraneoplastic hypertrophic osteopathy in a cat [TN Hammond et al], 267

Analytic & Diagnostic Techniques

Comparison of bronchoalveolar lavage fluid examination and other diagnostic techniques with the Baermann technique for detection of naturally occurring *Aelurostrongylus abstrusus* infection in cats [L Lacorcia et al], 43

Factors predictive of abnormal results for computed tomography of the head in horses affected by neurologic disorders: 57 cases (2001–2007) [C Sogaro-Robinson et al], 178

Evaluation of six portable blood glucose meters for measuring blood glucose concentration in dogs [TA Cohen et al], 276

Comparison of pregnancy diagnosis in dairy cattle by use of a commercial ELISA and palpation per rectum [MW Breed et al], 292

Detection of *Babesia gibsoni* and the canine small *Babesia* 'Spanish isolate' in blood samples obtained from dogs confiscated from dogfighting operations [TJ Ueagley et al], 535

Prognostic factors for dogs with mammary inflammatory carcinoma: 43 cases (2003–2008) [L Marconato et al], 967

Comparison of a human portable blood glucose meter, veterinary portable blood glucose meter, and automated chemistry analyzer for measurement of blood glucose concentrations in dogs [BM Johnson et al], 1309

Assessment of serum N-terminal pro-B-type natriuretic peptide concentration for differentiation of congestive heart failure from primary respiratory tract disease as the cause of respiratory signs in dogs [MA Oyama et al], 1319

Anesthesiology

Incidence of and risk factors for postoperative pneumonia in dogs anesthetized for diagnosis or treatment of intervertebral disk disease [MA Java et al], 281

Animal Welfare

Characterization of animals with microchips entering animal shelters [LK Lord et al], 160

Anthelmintics

Ivermectin toxicosis in three adult horses [TM Swor et al], 558

Antibodies

Factors associated with likelihood of horses having a high serum *Streptococcus equi* SeM-specific antibody titer [AG Boyle et al], 973

Anticoagulants

Successful treatment of pacemaker-induced stricture and thrombosis of the cranial vena cava in two dogs by use of anticoagulants and balloon venoplasty [SM Cunningham et al], 1467

Antimicrobial Residues

Water-flow variation and pharmacoepidemiology of tetracycline hydrochloride administration via drinking water in swine finishing farms [PM Dorr et al], 299

Antimicrobial Resistance

Fecal shedding of, antimicrobial resistance in, and serologic response to *Salmonella typhimurium* in dairy calves [KA Alexander et al], 739
Infection with methicillin-resistant *Staphylococcus pseudintermedius* masquerading as ceftiofur susceptible in a dog [JS Weese et al], 1064

Aorta

Massive transfusion and surgical management of iatrogenic aortic laceration associated with cystocentesis in a dog [GJ Buckley et al], 288

Applications for Membership

90, 204, 311, 436, 588, 738, 865, 984, 1079, 1218, 1342, 1482

Arrhythmias

Right bundle branch block in a dog [AC Lantis et al], 514
Atrial premature complexes in a horse [E Diez et al], 1288

Arytenoid Cartilage

Subtotal or partial unilateral arytenoidectomy for treatment of arytenoid chondritis in five calves [S Nichols et al], 420

Aspergillosis spp

Intranasal infusion of clotrimazole for the treatment of nasal aspergillosis in two cats [E Furrow et al], 1188

Atrium

Atrial premature complexes in a horse [E Diez et al], 1288

Auditory System

Evaluation of deafness in American Paint Horses by phenotype, brainstem auditory-evoked responses, and endothelin receptor B genotype [KG Magdesian et al], 1204

Autoimmunity

Autoimmune myasthenia gravis in a ferret [J Couturier et al], 1462

Avian Influenza

A federal and state transport plan for movement of eggs and egg products from commercial egg production premises in a high-pathogenicity avian influenza control area [DW Trampel et al], 1412

B

Babesia spp

Detection of *Babesia gibsoni* and the canine small *Babesia* 'Spanish isolate' in blood samples obtained from dogs confiscated from dogfighting operations [TJ Ueagley et al], 535

Detection of a large unnamed *Babesia* piroplasm originally identified in dogs in North Carolina in a dog with no history of travel to that state [PJ Holman et al], 851

Bacteria

An investigation of methicillin-resistant *Staphylococcus aureus* colonization in people and pets in the same household with an infected person or infected pet [MC Faires et al], 540

Fecal shedding of, antimicrobial resistance in, and serologic response to *Salmonella typhimurium* in dairy calves [KA Alexander et al], 739

Herd-level prevalence of *Mycoplasma* spp mastitis and characteristics of infected dairy herds in Utah as determined by a statewide survey [DJ Wilson et al], 749

Extrapulmonary disorders associated with *Rhodococcus equi* infection in foals: 150 causes (1987–2007) [SM Reuss et al], 855

Factors associated with likelihood of horses having a high serum *Streptococcus equi* SeM-specific antibody titer [AG Boyle et al], 973

Actinomycosis in a mink [RC Smedley et al], 1049

Infection with methicillin-resistant *Staphylococcus pseudintermedius* masquerading as cefoxitin susceptible in a dog [JS Weese et al], 1064

Baermann Technique

Comparison of bronchoalveolar lavage fluid examination and other diagnostic techniques with the Baermann technique for detection of naturally occurring *Aelurostrongylus abstrusus* infection in cats [L Lacorcchia et al], 43

Beef Cattle

Results of a survey to estimate cattle movements and contact rates among beef herds in California, with reference to the potential spread and control of foot-and-mouth disease [ES Marshall et al], 573

Behavior

Randomized, controlled clinical trial of the efficacy of fluoxetine for treatment of compulsive disorders in dogs [M Irimajiri et al], 705

Birds

Use of phenol red thread tests to evaluate tear production in clinically normal Amazon parrots and comparison with Schirmer tear test findings [ES Storey et al], 1181

Bladder

Transitional cell carcinoma in a dog [BW Bulfkin et al], 1403

Blood

Use of phlebotomy treatment in Atlantic bottlenose dolphins with iron overload [SP Johnson et al], 194

Detection of *Babesia gibsoni* and the canine small *Babesia* 'Spanish isolate' in blood samples obtained from dogs confiscated from dogfighting operations [TJ Ueagley et al], 535

Underlying diseases and clinicopathologic variables of thrombocytopenic dogs with and without platelet-bound antibodies detected by use of a flow cytometric assay: 83 cases (2004–2006) [BH Dircks et al], 960

Blood Pressure

Systemic hypertension in a dog with a functional thyroid gland adenocarcinoma [AC Simpson et al], 1474

Book Reviews: For Your Client's Library

Speaking for Spot: Be the Advocate Your Dog Needs to Live a Happy, Healthy, Longer Life, by Nancy Kay [SM Cotter], 702

The Complete Healthy Dog Handbook: The Definitive Guide to Keeping Your Pet Happy, Healthy & Active, by Betsy Brevitz [S Avgeris], 1427

Book Reviews: For Your Library

Anthrax in Humans and Animals (4th ed), by Peter Turnbull & Ottorino Cosivi [RG Davis], 698

Functional Anatomy and Physiology of Domestic Animals (4th ed), by William O Reece [JA Will], 698

Veterinary Pharmacology & Therapeutics (9th ed), by Jim E Riviere & Mark G Papich [G Michels], 698

Blackwell's Five-Minute Veterinary Consult: Equine (2nd ed), by Jean-Pierre Lavoie & Kenneth William Hinchcliff [BS Burks], 699

Blackwell's Five-Minute Veterinary Consult: Ruminant, by Scott RR Haskell [F Maunsell], 699

Diseases of the Goat (3rd ed), by John Matthews [L Williamson], 699

Equine Wound Management (2nd ed), by Ted S Stashek & Christine L Theoret [J Hubert], 700

Large Animal Neurology (2nd ed), by Joe Mayhew [KR Munana], 700

BSAVA Manual of Canine and Feline Advanced Veterinary Nursing (2nd ed), by Alasdair Hotston Moore & Suzanne Rudd [MT O'Horo Loomis], 701

Career Choices for Veterinary Technicians: Opportunities for Animal Lovers, by Rebecca Rose & Carin Smith [WB Finney], 701

Zoo Animals: Behaviour, Management, and Welfare, by Geoff Hosey, Vicky Melfi, & Sheila Pankhurst [CS Hanley], 701

Anatomy and Physiology of Farm Animals (7th ed), by Rowen D Frandson, W Lee Wilke, & Anna Dee Fails [D Foster], 1422

Food Security in a Global Economy: Veterinary Medicine and Public Health, by Gary Smith and Alan M Kelly [M Jay-Russell], 1422

One Man, One Medicine, One Health: The James Steele Story, by Craig Nash Carter with Cynthia Gregg Hoobler [MM Pullen], 1422

Medical Mathematics and Dosage Calculations for Veterinary Professionals (2nd ed), by Robert Bill [R Gehring], 1423

Mycoplasma Diseases of Ruminants, by Robin Nicholas, Roger Ayling, and Laura McAuliffe [SL McClanahan], 1423

Veterinary Pharmacovigilance: Adverse Reactions to Veterinary Medicinal Products, by Kevin N Woodward [JL Buur], 1423

Manual of Clinical Procedures in Dogs, Cats, Rabbits, and Rodents (3rd ed), by Steven E Crow, Sally O Walshaw, and Jennifer E Boyle [K Gaughan], 1424

Medical and Veterinary Entomology (2nd ed), by Gary R Mullen and Lance A Durden [CA Petersen], 1424

Canine Radiographic Anatomy, by Anton G Hoffman, Charles C Farnsworth, and Stacy L Eckman [AJ Fischetti], 1425

Low Stress Handling, Restraint and Behavior Modification of Dogs & Cats: Techniques for Developing Patients Who Love Their Visits, by Sophia Yin [T Curtis], 1425

A Practical Guide to Canine & Feline Neurology (2nd ed), by Curtis W Dewey [AM Isaacs], 1426

Practical Small Animal MRI, by Patrick R Gavin and Rodney S Bagley [JK Reichle], 1426

Urological Disorders of the Dog & Cat: Investigation, Diagnosis, & Treatment, by Peter E Holt [NL Bailiff], 1426

Infectious Disease Management in Animal Shelters, by Lila Miller and Kate Hurley [AC DeSantis-Kerr], 1427

Medical and Veterinary Entomology (2nd ed), by Gary R Mullen and Lance A Durden [CA Petersen], 1424

Bougienage

Risk factors and outcome of bougienage for treatment of benign esophageal strictures in dogs and cats: 28 cases (1995–2004) [SA Bissett et al], 844

Bovine Herpesvirus

Efficacy of a combination viral vaccine for protection of cattle against experimental infection with field isolates of bovine herpesvirus-1 [JA Ellis et al], 563

Comparison of single vaccination versus revaccination with a modified-live virus vaccine containing bovine herpesvirus-1, bovine viral diarrhea virus (types 1a and 2a), parainfluenza type 3 virus, and bovine respiratory syncytial virus in the prevention of bovine respiratory disease in cattle [DL Step et al], 580

Bovine Respiratory Disease

Comparison of single vaccination versus revaccination with a modified-live virus vaccine containing bovine herpesvirus-1, bovine viral diarrhea virus (types 1a and 2a), parainfluenza type 3 virus, and

bovine respiratory syncytial virus in the prevention of bovine respiratory disease in cattle [DL Step et al], 580

Bovine Respiratory Syncytial Virus (BRSV)

Comparison of single vaccination versus revaccination with a modified-live virus vaccine containing bovine herpesvirus-1, bovine viral diarrhoea virus (types 1a and 2a), parainfluenza type 3 virus, and bovine respiratory syncytial virus in the prevention of bovine respiratory disease in cattle [DL Step et al], 580

Bovine Viral Diarrhoea Virus (BVDV)

Comparison of single vaccination versus revaccination with a modified-live virus vaccine containing bovine herpesvirus-1, bovine viral diarrhoea virus (types 1a and 2a), parainfluenza type 3 virus, and bovine respiratory syncytial virus in the prevention of bovine respiratory disease in cattle [DL Step et al], 580

Knowledge gaps impacting the development of bovine viral diarrhoea virus control programs in the United States [JF Ridpath et al], 1171

Brachycephalia

Bronchial abnormalities found in a consecutive series of 40 brachycephalic dogs [D De Lorenzi et al], 835

Brainstem Auditory-evoked Responses

Evaluation of deafness in American Paint Horses by phenotype, brainstem auditory-evoked responses, and endothelin receptor B genotype [KG Magdesian et al], 1204

Bronchoalveolar Lavage

Comparison of bronchoalveolar lavage fluid examination and other diagnostic techniques with the Baermann technique for detection of naturally occurring *Aelurostrongylus abstrusus* infection in cats [L Lacorcchia et al], 43

Bronchus

Bronchial abnormalities found in a consecutive series of 40 brachycephalic dogs [D De Lorenzi et al], 835

Budd-Chiari Syndrome

Use of endovascular stents in three dogs with Budd-Chiari syndrome [MD Schlicksup et al], 544

Bundle Branch Block

Dilated cardiomyopathy in a cat [JM Mulz et al], 35
Right bundle branch block in a dog [AC Lantis et al], 514

Butorphanol

Analgesic effects of butorphanol tartrate and phenylbutazone administered alone and in combination in young horses undergoing routine castration [MG Sanz et al], 1194

C

Calcium Oxalate

Rate and frequency of recurrence of uroliths after an initial ammonium urate, calcium oxalate, or struvite urolith in cats [H Albasan et al], 1450

California

Results of a survey to estimate cattle movements and contact rates among beef herds in California, with reference to the potential spread and control of foot-and-mouth disease [ES Marshall et al], 573

Camelids

Oleander intoxication in New World camelids: 12 cases (1995–2006) [TA Kozikowski et al], 305

Carbon Dioxide

Agreement between values for arterial and end-tidal partial pressures of carbon dioxide in spontaneously breathing, critically ill dogs [E Kelmer et al], 1314

Carcasses

Reasons for whole carcass condemnations of cattle in the United States and implications for producer education and veterinary intervention [TL White et al], 937

Carcinoma

Computed tomography-assisted management of a mandibular dentigerous cyst in a dog with a nasal carcinoma [JW Soukup et al], 710

Alimentary-associated carcinomas in five Vietnamese potbellied pigs [AM McCoy et al], 1336

Transitional cell carcinoma in a dog [BW Bulfkin et al], 1403

Cardiomyopathy

Dilated cardiomyopathy in a cat [JM Mulz et al], 35

Cardiopulmonary Arrest

Prognostic indicators for dogs and cats with cardiopulmonary arrest treated by cardiopulmonary cerebral resuscitation at a university teaching hospital [EH Hofmeister et al], 50

Cardiovascular System

Dilated cardiomyopathy in a cat [JM Mulz et al], 35

Prognostic indicators for dogs and cats with cardiopulmonary arrest treated by cardiopulmonary cerebral resuscitation at a university teaching hospital [EH Hofmeister et al], 50

Treatment of acute epistaxis secondary to guttural pouch mycosis with transarterial nitinol vascular occlusion plugs in three equids [KC Delfs et al], 189

Right bundle branch block in a dog [AC Lantis et al], 514

Use of endovascular stents in three dogs with Budd-Chiari syndrome [MD Schlicksup et al], 544

White snakeroot toxicosis in a calf [JD Webster et al], 827

Radiographic features of cardiogenic pulmonary edema in dogs with mitral regurgitation: 61 cases (1998–2007) [A Diana et al], 1058

Evaluation of athletic performance in horses with jugular vein thrombophlebitis: 91 cases (1988–2005) [P Moreau et al], 1073

Pneumopericardium in a dog [JM Orlando et al], 1145

Lidocaine toxicosis in a horse [KR Mullen et al], 1156

Atrial premature complexes in a horse [E Diez et al], 1288

Agreement between values for arterial and end-tidal partial pressures of carbon dioxide in spontaneously breathing, critically ill dogs [E Kelmer et al], 1314

Assessment of serum N-terminal pro-B-type natriuretic peptide concentration for differentiation of congestive heart failure from primary respiratory tract disease as the cause of respiratory signs in dogs [MA Oyama et al], 1319

Echocardiographic evaluation of dogs with dysautonomia [KR Harkin et al], 1431

Echocardiographic and clinicopathologic characterization of pericardial effusion in dogs: 107 cases (1985–2006) [KA MacDonald et al], 1456

Successful treatment of pacemaker-induced stricture and thrombosis of the cranial vena cava in two dogs by use of anticoagulants and balloon venoplasty [SM Cunningham et al], 1467

Systemic hypertension in a dog with a functional thyroid gland adenocarcinoma [AC Simpson et al], 1474

Careers

Food animal medicine in crisis [JB Walker], 368

Labor market characteristics of veterinary technician specialists in 2007 [CL Norkus], 1303

Caseload

Effect of National Football League games on small animal emergency room caseload [EA Rozanski et al], 58

Castration

Analgesic effects of butorphanol tartrate and phenylbutazone administered alone and in combination in young horses undergoing routine castration [MG Sanz et al], 1194

Cattle

Comparison of pregnancy diagnosis in dairy cattle by use of a commercial ELISA and palpation per rectum [MW Breed et al], 292

Results of a survey to estimate cattle movements and contact rates among beef herds in California, with reference to the potential spread and control of foot-and-mouth disease [ES Marshall et al], 573

Fecal shedding of antimicrobial resistance in, and serologic response to *Salmonella typhimurium* in dairy calves [KA Alexander et al], 739

Herd-level prevalence of *Mycoplasma* spp mastitis and characteristics of infected dairy herds in Utah as determined by a statewide survey [DJ Wilson et al], 749

Cefoxitin

Infection with methicillin-resistant *Staphylococcus pseudintermedius* masquerading as cefoxitin susceptible in a dog [JS Weese et al], 1064

Celiotomy

Comparison of survival rates for geriatric horses versus nongeriatric horses following exploratory celiotomy for colic [KM Krista et al], 1069

Chondritis

Subtotal or partial unilateral arytoidectomy for treatment of arytoid chondritis in five calves [S Nichols et al], 420

Chordoma

Chordoma in the tail of a ferret [MS Camus et al], 949

Chylothorax

Chylothorax in a cat [BT Torres et al], 1167

Classified Advertisements

95, 209, 315, 441, 595, 765, 873, 989, 1083, 1223, 1347, 1487

Client Education

Reasons for whole carcass condemnations of cattle in the United States and implications for producer education and veterinary intervention [TL White et al], 937

Clinical Pathology

Interstitial pneumonia in a horse [SV Kubiski et al], 381

Evaluation of plasma fibrinogen concentration as an indicator of physeal or epiphyseal osteomyelitis in foals: 17 cases (2002–2007) [JM Newquist et al], 415

Hematologic and plasma biochemical findings in cold-stunned Kemp's ridley turtles: 176 cases (2001–2005) [CJ Innis et al], 426

Clinicopathological and magnetic resonance imaging characteristics associated with polioencephalomyelopathy in a Shih Tzu [M Kent et al], 551

Underlying diseases and clinicopathologic variables of thrombocytopenic dogs with and without platelet-bound antibodies detected by use of a flow cytometric assay: 83 cases (2004–2006) [BH Dircks et al], 960

Comparison of a human portable blood glucose meter, veterinary portable blood glucose meter, and automated chemistry analyzer for measurement of blood glucose concentrations in dogs [BM Johnson et al], 1309

Echocardiographic and clinicopathologic characterization of pericardial effusion in dogs: 107 cases (1985–2006) [KA MacDonald et al], 1456

Clotrimazole

Intranasal infusion of clotrimazole for the treatment of nasal aspergillosis in two cats [E Furrow et al], 1188

Coagulation

Underlying diseases and clinicopathologic variables of thrombocytopenic dogs with and without platelet-bound antibodies detected by use of a flow cytometric assay: 83 cases (2004–2006) [BH Dircks et al], 960

Cobalamin

Prevalence and prognostic impact of hypercobalaminemia in dogs with lymphoma [AK Cook et al], 1437

Colic

Comparison of survival rates for geriatric horses versus nongeriatric horses following exploratory celiotomy for colic [KM Krista et al], 1069
Colic caused by pyometra in a horse [GG Tranquillo], 1161

Commentary

Philosophical foundations of evidence-based medicine for veterinary clinicians [MA Holmes], 1035

Companion Animals

An investigation of methicillin-resistant *Staphylococcus aureus* colonization in people and pets in the same household with an infected person or infected pet [MC Faires et al], 540

Computed Tomography

Factors predictive of abnormal results for computed tomography of the head in horses affected by neurologic disorders: 57 cases (2001–2007) [C Sogaro-Robinson et al], 178

Computed tomography and low-field magnetic resonance imaging of the pituitary gland in dogs with pituitary-dependent hyperadrenocorticism: 11 cases (2001–2003) [E Auriemma et al], 409

Infection of the tympanic bulla in a rabbit [EL Stieve-Caldwell et al], 665
Computed tomography–assisted management of a mandibular

dentigerous cyst in a dog with a nasal carcinoma [JW Soukup et al], 710

Synovial cysts in a cat [KC Kligman et al], 945

Condemnation

Reasons for whole carcass condemnations of cattle in the United States and implications for producer education and veterinary intervention [TL White et al], 937

Congestive Heart Failure

Assessment of serum N-terminal pro-B-type natriuretic peptide concentration for differentiation of congestive heart failure from primary respiratory tract disease as the cause of respiratory signs in dogs [MA Oyama et al], 1319

Conjunctivitis

Virologic survey of dogs with naturally acquired idiopathic conjunctivitis [EC Ledbetter et al], 954

Continuing Education

A description of the Tufts Cummings School of Veterinary Medicine–Massachusetts Equine Clinic combined equine medicine internship program [MR Mazan et al], 38

Coronoid Process

Fracture of the coronoid process in a dog [JL Cook et al], 1053

Corrections

Revenue, expenses, and returns on resources for US veterinary private practices, 2005 and 2007 [A Shepherd], 2009;235:672, 959
Drugs approved for small ruminants, 2004;224:520, 1142

Cranial Cruciate Ligament

Prevalence of lymphoplasmacytic synovitis in dogs with naturally occurring cranial cruciate ligament rupture [JB Erne et al], 386

Cryptococcus spp

Multimodal treatment of recurrent sinonasal cryptococcal granulomas in a horse [AJ Stewart et al], 723

Cryptococcosis and pulmonary aelurostrongylosis in a cat [C Lorente-Méndez et al], 1407

Cystocentesis

Massive transfusion and surgical management of iatrogenic aortic laceration associated with cystocentesis in a dog [GJ Buckley et al], 288

Cysts

Computed tomography–assisted management of a mandibular dentigerous cyst in a dog with a nasal carcinoma [JW Soukup et al], 710

Synovial cysts in a cat [KC Kligman et al], 945

Cytology

Comparison of bronchoalveolar lavage fluid examination and other diagnostic techniques with the Baermann technique for detection of naturally occurring *Aelurostrongylus abstrusus* infection in cats [L Lacordia et al], 43

Cytometry

Underlying diseases and clinicopathologic variables of thrombocytopenic dogs with and without platelet-bound antibodies detected by use of a flow cytometric assay: 83 cases (2004–2006) [BH Dircks et al], 960

D

Dairy Cattle

Comparison of pregnancy diagnosis in dairy cattle by use of a commercial ELISA and palpation per rectum [MW Breed et al], 292

Fecal shedding of antimicrobial resistance in, and serologic response to *Salmonella typhimurium* in dairy calves [KA Alexander et al], 739

Herd-level prevalence of *Mycoplasma* spp mastitis and characteristics of infected dairy herds in Utah as determined by a statewide survey [DJ Wilson et al], 749

Deafness

Evaluation of deafness in American Paint Horses by phenotype, brainstem auditory-evoked responses, and endothelin receptor B genotype [KG Magdesian et al], 1204

Encephalitis in a rabbit caused by human herpesvirus-1 [K Müller et al], 66

Encephalitis and hydrocephalus caused by *Sarcocystis neurona* in a dog [PJ Mouser et al], 1153

Endocrinology

Use of a selective serotonin reuptake inhibitor for treatment of episodes of hypertension and kyphosis in a young adult Scottish Terrier [KM Geiger et al], 168

Evaluation of six portable blood glucose meters for measuring blood glucose concentration in dogs [TA Cohen et al], 276

Computed tomography and low-field magnetic resonance imaging of the pituitary gland in dogs with pituitary-dependent hyperadrenocorticism: 11 cases (2001–2003) [E Auriemma et al], 409

Evaluation of plasma ACTH, α -melanocyte-stimulating hormone, and insulin concentrations during various photoperiods in clinically normal horses and ponies and those with pituitary pars intermedia dysfunction [J Beech et al], 715

Systemic hypertension in a dog with a functional thyroid gland adenocarcinoma [AC Simpson et al], 1474

Endothelin

Evaluation of deafness in American Paint Horses by phenotype, brainstem auditory-evoked responses, and endothelin receptor B genotype [KG Magdesian et al], 1204

Eosinophiles

Eosinophilic esophagitis in a dog [MJ Mazzei et al], 61

Epidemiology

Results of a survey to estimate cattle movements and contact rates among beef herds in California, with reference to the potential spread and control of foot-and-mouth disease [ES Marshall et al], 573

Rabies surveillance in the United States during 2008 [JD Blanton et al], 676

Herd-level prevalence of *Mycoplasma* spp mastitis and characteristics of infected dairy herds in Utah as determined by a statewide survey [DJ Wilson et al], 749

Epiglottis

Dyspnea caused by epiglottic retroversion in two dogs [JA Flanders et al], 1330

Epilepsy

Pregabalin as an adjunct to phenobarbital, potassium bromide, or a combination of phenobarbital and potassium bromide for treatment of dogs with suspected idiopathic epilepsy [CW Dewey et al], 1442

Epistaxis

Treatment of acute epistaxis secondary to guttural pouch mycosis with transarterial nitinol vascular occlusion plugs in three equids [KC Delfs et al], 189

Equine Herpesvirus

Interstitial pneumonia in a horse [SV Kubiski et al], 381

Erythropoietic System

Detection of *Babesia gibsoni* and the canine small *Babesia* 'Spanish isolate' in blood samples obtained from dogs confiscated from dogfighting operations [TJ Ueagley et al], 535

Esophagus

Eosinophilic esophagitis in a dog [MJ Mazzei et al], 61

Risk factors and outcome of bougienage for treatment of benign esophageal strictures in dogs and cats: 28 cases (1995–2004) [SA Bissett et al], 844

Correction, 959

FARAD Digest

Update on drugs prohibited from extralabel use in food animals [JL Davis et al], 528

FAST Eggs Plan

A federal and state transport plan for movement of eggs and egg products from commercial egg production premises in a high-pathogenicity avian influenza control area [DW Trampel et al], 1412

Femur

Osteochondritis dissecans of the femoral head in a dog [PF Castro et al], 151

Ferrets

Chordoma in the tail of a ferret [MS Camus et al], 949

Autoimmune myasthenia gravis in a ferret [J Couturier et al], 1462

Fibrinogen

Evaluation of plasma fibrinogen concentration as an indicator of physeal or epiphyseal osteomyelitis in foals: 17 cases (2002–2007) [JM Newquist et al], 415

Fibroma

Ossifying fibroma of the mandible in a dog [MC Speltz et al], 1283

Fibrosis

Interstitial pneumonia in a horse [SV Kubiski et al], 381

Flow Cytometry

Underlying diseases and clinicopathologic variables of thrombocytopenic dogs with and without platelet-bound antibodies detected by use of a flow cytometric assay: 83 cases (2004–2006) [BH Dircks et al], 960

Fluoxetine

Randomized, controlled clinical trial of the efficacy of fluoxetine for treatment of compulsive disorders in dogs [M Irimajiri et al], 705

Food Animal Industry

Water-flow variation and pharmacoepidemiology of tetracycline hydrochloride administration via drinking water in swine finishing farms [PM Dorr et al], 299

Food animal medicine in crisis [JB Walker], 368

Update on drugs prohibited from extralabel use in food animals [JL Davis et al], 528

Effect of lameness on sow longevity [SS Anil et al], 734

Reasons for whole carcass condemnations of cattle in the United States and implications for producer education and veterinary intervention [TL White et al], 937

Food for Thought for Food Animal Veterinarians

Reasons for whole carcass condemnations of cattle in the United States and implications for producer education and veterinary intervention [TL White et al], 937

Food Safety

Reasons for whole carcass condemnations of cattle in the United States and implications for producer education and veterinary intervention [TL White et al], 937

Foot-and-Mouth Disease

Results of a survey to estimate cattle movements and contact rates among beef herds in California, with reference to the potential spread and control of foot-and-mouth disease [ES Marshall et al], 573

Foreign Animal Diseases

Results of a survey to estimate cattle movements and contact rates among beef herds in California, with reference to the potential spread and control of foot-and-mouth disease [ES Marshall et al], 573

Foreign Body

Lumen narrowing associated with a foreign body in the ileum of a dog [A Cepparulo et al], 27

Gastric foreign body resulting from ingestion of household glue in a dog [HA Phelps et al], 507

Fractures

Fracture of the coronoid process in a dog [JL Cook et al], 1053

Fungi

Oral histoplasmosis in a cat [CG Lamm et al], 155

Treatment of acute epistaxis secondary to guttural pouch mycosis with transarterial nitinol vascular occlusion plugs in three equids [KC Delfs et al], 189

Multimodal treatment of recurrent sinonasal cryptococcal granulomas in a horse [AJ Stewart et al], 723

Intranasal infusion of clotrimazole for the treatment of nasal aspergillosis in two cats [E Furrow et al], 1188

Furosemide

Efficacy of furosemide for prevention of exercise-induced pulmonary hemorrhage in Thoroughbred racehorses [KW Hinchcliff et al], 76

Future AVMA Annual Conventions

90, 204, 311, 436, 588, 758, 865, 984, 1079, 1218, 1342, 1482

G

Gallbladder

Use of color flow Doppler ultrasonography to diagnose a bleeding neuroendocrine tumor in the gallbladder of a dog [J Bhandal et al], 1326

Genetics

Evaluation of deafness in American Paint Horses by phenotype, brainstem auditory-evoked responses, and endothelin receptor B genotype [KG Magdesian et al], 1204

Geriatrics

Comparison of survival rates for geriatric horses versus nongeriatric horses following exploratory celiotomy for colic [KM Krista et al], 1069

Glucose

Evaluation of six portable blood glucose meters for measuring blood glucose concentration in dogs [TA Cohen et al], 276

Comparison of a human portable blood glucose meter, veterinary portable blood glucose meter, and automated chemistry analyzer for measurement of blood glucose concentrations in dogs [BM Johnson et al], 1309

Glue

Gastric foreign body resulting from ingestion of household glue in a dog [HA Phelps et al], 507

Granulomas

Multimodal treatment of recurrent sinonasal cryptococcal granulomas in a horse [AJ Stewart et al], 723

Guttural Pouch

Treatment of acute epistaxis secondary to guttural pouch mycosis with transarterial nitinol vascular occlusion plugs in three equids [KC Delfs et al], 189

Partial resection of the plica salpingopharyngeus for the treatment of three foals with bilateral tympany of the auditory tube diverticulum (guttural pouch) [HD Sparks et al], 731

H

Hansen

Hansen type I intervertebral disk disease in a dog [M Lowrie et al], 823

Heart

Dilated cardiomyopathy in a cat [JM Mulz et al], 35

Right bundle branch block in a dog [AC Lantis et al], 514

Radiographic features of cardiogenic pulmonary edema in dogs with mitral regurgitation: 61 cases (1998–2007) [A Diana et al], 1058

Lidocaine toxicosis in a horse [KR Mullen et al], 1156

Atrial premature complexes in a horse [E Diez et al], 1288

Echocardiographic evaluation of dogs with dysautonomia [KR Harkin et al], 1431

Hematopoietic System

Hematologic and plasma biochemical findings in cold-stunned Kemp's ridley turtles: 176 cases (2001–2005) [CJ Innis et al], 426

Hemorrhage

Efficacy of furosemide for prevention of exercise-induced pulmonary hemorrhage in Thoroughbred racehorses [KW Hinchcliff et al], 76

Massive transfusion and surgical management of iatrogenic aortic laceration associated with cystocentesis in a dog [GJ Buckley et al], 288

Hemospermia

Buccal mucosal urethroplasty for treatment of recurrent hemospermia in a stallion [ES Hackett et al], 1212

Herd Health

Effect of lameness on sow longevity [SS Anil et al], 734

Knowledge gaps impacting the development of bovine viral diarrhea virus control programs in the United States [JF Ridpath et al], 1171

Hernia

Diaphragmatic hernia in a dog [AM Little et al], 1041

Herpesvirus

Encephalitis in a rabbit caused by human herpesvirus-1 [K Müller et al], 66

Interstitial pneumonia in a horse [SV Kubiski et al], 381

Efficacy of a combination viral vaccine for protection of cattle against experimental infection with field isolates of bovine herpesvirus-1 [JA Ellis et al], 563

Comparison of single vaccination versus revaccination with a modified-live virus vaccine containing bovine herpesvirus-1, bovine viral diarrhea virus (types 1a and 2a), parainfluenza type 3 virus, and bovine respiratory syncytial virus in the prevention of bovine respiratory disease in cattle [DL Step et al], 580

Histoplasma spp

Oral histoplasmosis in a cat [CG Lamm et al], 155

Hooves

Lameness resulting from abscess of the hoof in a horse [JL Carmalt et al], 377

Hormones

Evaluation of hormone receptor expression for use in predicting survival of female dogs with malignant mammary gland tumors [C-C Chang et al], 391

Hotlines Every Veterinarian Should Know

118, 201, 314, 433, 594, 781, 976, 1006, 1219, 1345, 1367, 1483

Human Herpesvirus-1

Encephalitis in a rabbit caused by human herpesvirus-1 [K Müller et al], 66

Hydrocephalus

Encephalitis and hydrocephalus caused by *Sarcocystis neurona* in a dog [PJ Mouser et al], 1153

Hyperadrenocorticism

Computed tomography and low-field magnetic resonance imaging of the pituitary gland in dogs with pituitary-dependent hyperadrenocorticism: 11 cases (2001–2003) [E Auriemma et al], 409

Hypertension

Systemic hypertension in a dog with a functional thyroid gland adenocarcinoma [AC Simpson et al], 1474

Hypertonia

Use of a selective serotonin reuptake inhibitor for treatment of episodes of hypertonia and kyphosis in a young adult Scottish Terrier [KM Geiger et al], 168

Hypocobalaminemia

Prevalence and prognostic impact of hypercobalaminemia in dogs with lymphoma [AK Cook et al], 1437

I

Iguanas

Fibrous osteodystrophy from nutritional secondary hyperparathyroidism in an iguana [AW Stern et al], 669

Ileum

Lumen narrowing associated with a foreign body in the ileum of a dog [A Cepparulo et al], 27

Immunology

Autoimmune myasthenia gravis in a ferret [J Couturier et al], 1462

Income

Employment, starting salaries, and educational indebtedness of year-2009 graduates of US veterinary medical colleges [AJ Shepherd et al], 523

Employment of female and male graduates of US veterinary medical colleges, 2009 [AJ Shepherd et al], 830

Revenue, expenses, and returns on resources for US veterinary private practices, 2005 and 2007 [AJ Shepherd et al], 2009;235:672

Correction, 959

Indebtedness

Employment, starting salaries, and educational indebtedness of year-2009 graduates of US veterinary medical colleges [AJ Shepherd et al], 523

Inflammation

Prognostic factors for dogs with mammary inflammatory carcinoma: 43 cases (2003–2008) [L Marconato et al], 967

Influenza

A federal and state transport plan for movement of eggs and egg products from commercial egg production premises in a high-pathogenicity avian influenza control area [DW Trampel et al], 1412

Insulin

The role of key adipokines in obesity and insulin resistance in cats [AL Lusby et al], 518

Evaluation of plasma ACTH, α -melanocyte-stimulating hormone, and insulin concentrations during various photoperiods in clinically normal horses and ponies and those with pituitary pars intermedia dysfunction [J Beech et al], 715

Integumentary System

Osteoma cutis in a turtle [FL Frye et al], 511

Intervertebral Disks

Incidence of and risk factors for postoperative pneumonia in dogs anesthetized for diagnosis or treatment of intervertebral disk disease [MA Java et al], 281

Hansen type I intervertebral disk disease in a dog [M Lowrie et al], 823

Chordoma in the tail of a ferret [MS Camus et al], 949

Iron

Use of phlebotomy treatment in Atlantic bottlenose dolphins with iron overload [SP Johnson et al], 194

Ivermectin

Ivermectin toxicosis in three adult horses [TM Swor et al], 558

J

Joints

Comparison of ultrasonography versus radiography for the diagnosis of dorsal fragmentation of the metacarpophalangeal or metatarsophalangeal joint in horses [K Vanderperren et al], 70

Osteochondritis dissecans of the femoral head in a dog [PF Castro et al], 151

Lameness resulting from abscess of the hoof in a horse [JL Carmalt et al], 377

Prevalence of lymphoplasmacytic synovitis in dogs with naturally occurring cranial cruciate ligament rupture [JB Erne et al], 386

Synovial cysts in a cat [KC Kligman et al], 945

Jugular Vein

Evaluation of athletic performance in horses with jugular vein thrombophlebitis: 91 cases (1988–2005) [P Moreau et al], 1073

K

Kyphosis

Use of a selective serotonin reuptake inhibitor for treatment of episodes of hypertonia and kyphosis in a young adult Scottish Terrier [KM Geiger et al], 168

L

Lagomorphs

Encephalitis in a rabbit caused by human herpesvirus-1 [K Müller et al], 66

Lameness

Lameness resulting from abscess of the hoof in a horse [JL Carmalt et al], 377

Partial resection of the plica salpingopharyngeus for the treatment of three foals with bilateral tympany of the auditory tube diverticulum (gutteral pouch) [HD Sparks et al], 731

Effect of lameness on sow longevity [SS Anil et al], 734

Letters to the Editor

AAA sessions tackle student debt-the elephant in the room [MK Burns] 2009;234:1389

Letter: Finding the causes of educational debt [E Wolff], 2009;235:265

An endoscopic method for identifying sex of hatchling Chinese box turtles...[SJ Hernandez-Divers et al], 2009;234:800

Letters: Differences among studies on sex identification of hatchling turtles [G Kuchling], 2009;235:932

Response: [SJ Divers] 2009;235:933

Clinical, histologic, and immunohistochemical characterization of wart-like lesions on the paw pads of dogs [JM Balara et al], 2009;234:1555

Letter: Comments on study of paw pad lesions in dogs [EJ Walder], 2009;235:658

Letter: Comments on study of paw pad lesions in dogs [WE Feeman, III], 2009;235:657

Response [JM Balara et al], 2009;235:658

Clinical signs, risk factors, and outcomes associated with bromide toxicosis...[JH Rossmeisl, Jr et al], 2009;234:1425

Letter: Appreciation for study on bromide administration in dogs [MG Papich et al], 2009;235:659

Response [JH Rossmeisl, Jr et al], 2009;235:659

Comparison of single vaccination versus revaccination...[DL Step et al], 2009;235:580

Letter: Questions common vaccination practices in beef calves [W Hylton], 2009;235:934

Diffuse osteopenia and myelopathy in a puppy...[MB Taylor et al], 2009;234:1041

Letter: Questions term used in study on raw meat-based diets [KE Dittmer et al], 2009;235:817

Response [MB Taylor], 2009;235:817

Diversity training in the veterinary profession [J Thomas], 2009;235:264

Letter: Correction of organization's name [S Pritt], 2009;235:661

Economists: livestock and poultry producers cutting flock, herd sizes [G Cima], 2004;234:984

Letter: More on the future of food animal medicine [WM Hilton], 2009;235:364

Finding the causes of education debt [E Wolff], 2009;235:265

infected dairy herds in Utah as determined by a statewide survey [DJ Wilson et al], 749

infected dairy herds in Utah as determined by a statewide survey [DJ Wilson et al], 749

Melanocyte-stimulating Hormone

Evaluation of plasma ACTH, α -melanocyte-stimulating hormone, and insulin concentrations during various photoperiods in clinically normal horses and ponies and those with pituitary pars intermedia dysfunction [J Beech et al], 715

Mensuration

Evaluation of six portable blood glucose meters for measuring blood glucose concentration in dogs [TA Cohen et al], 276
Comparison of a human portable blood glucose meter, veterinary portable blood glucose meter, and automated chemistry analyzer for measurement of blood glucose concentrations in dogs [BM Johnson et al], 1309

Metabolism

Dietary management of obesity in companion animals via alteration of lipid metabolism [Y Mitsuhashi et al], 1292

Metacarpophalangeal Joint

Comparison of ultrasonography versus radiography for the diagnosis of dorsal fragmentation of the metacarpophalangeal or metatarsophalangeal joint in horses [K Vanderperren et al], 70

Metatarsophalangeal Joint

Comparison of ultrasonography versus radiography for the diagnosis of dorsal fragmentation of the metacarpophalangeal or metatarsophalangeal joint in horses [K Vanderperren et al], 70

Meters

Evaluation of six portable blood glucose meters for measuring blood glucose concentration in dogs [TA Cohen et al], 276
Comparison of a human portable blood glucose meter, veterinary portable blood glucose meter, and automated chemistry analyzer for measurement of blood glucose concentrations in dogs [BM Johnson et al], 1309

Methicillin

An investigation of methicillin-resistant *Staphylococcus aureus* colonization in people and pets in the same household with an infected person or infected pet [MC Faires et al], 540
Infection with methicillin-resistant *Staphylococcus pseudintermedius* masquerading as cefoxitin susceptible in a dog [JS Weese et al], 1064

Microchips

Characterization of animals with microchips entering animal shelters [LK Lord et al], 160

Mitral Valve

Radiographic features of cardiogenic pulmonary edema in dogs with mitral regurgitation: 61 cases (1998–2007) [A Diana et al], 1058

Musculoskeletal System

Severe polymyositis and neuritis in a cat [AA Ginman], 172
Metastatic anal sac adenocarcinoma with paraneoplastic hypertrophic osteopathy in a cat [TN Hammond et al], 267
Incidence of and risk factors for postoperative pneumonia in dogs anesthetized for diagnosis or treatment of intervertebral disk disease [MA Java et al], 281
Evaluation of plasma fibrinogen concentration as an indicator of physeal or epiphyseal osteomyelitis in foals: 17 cases (2002–2007) [JM Newquist et al], 415
Fibrous osteodystrophy from nutritional secondary hyperparathyroidism in an iguana [AW Stern et al], 669
Partial resection of the plica salpingopharyngeus for the treatment of three foals with bilateral tympany of the auditory tube diverticulum (gutteral pouch) [HD Sparks et al], 731
Osteomyelitis of the mandible in a cat [B Arzi et al], 1149
Ossifying fibroma of the mandible in a dog [MC Speltz et al], 1283
Autoimmune myasthenia gravis in a ferret [J Couturier et al], 1462

Myasthenia Gravis

Autoimmune myasthenia gravis in a ferret [J Couturier et al], 1462

Mycoplasma spp

Herd-level prevalence of *Mycoplasma* spp mastitis and characteristics of

Mycoses

Treatment of acute epistaxis secondary to gutteral pouch mycosis with transarterial nitinol vascular occlusion plugs in three equids [KC Delfs et al], 189
Cryptococcosis and pulmonary aelurostrongylosis in a cat [C Lorente-Méndez et al], 1407

N

National Football League

Effect of National Football League games on small animal emergency room caseload [EA Rozanski et al], 58

Natriuretic Peptide

Assessment of serum N-terminal pro-B-type natriuretic peptide concentration for differentiation of congestive heart failure from primary respiratory tract disease as the cause of respiratory signs in dogs [MA Oyama et al], 1319

Nervous System

Encephalitis in a rabbit caused by human herpesvirus-1 [K Müller et al], 66
Severe polymyositis and neuritis in a cat [AA Ginman], 172
Factors predictive of abnormal results for computed tomography of the head in horses affected by neurologic disorders: 57 cases (2001–2007) [C Sogaro-Robinson et al], 178
Pneumocephalus secondary to removal of an osteoma from the paranasal sinuses of a horse [CA Ragle et al], 184
Clinicopathological and magnetic resonance imaging characteristics associated with polioencephalomyelopathy in a Shih Tzu [M Kent et al], 551
Encephalitis and hydrocephalus caused by *Sarcocystis neurona* in a dog [PJ Mouser et al], 1153
Pregabalin as an adjunct to phenobarbital, potassium bromide, or a combination of phenobarbital and potassium bromide for treatment of dogs with suspected idiopathic epilepsy [CW Dewey et al], 1442

Neuritis

Severe polymyositis and neuritis in a cat [AA Ginman], 172

Neuroendocrine Tumor

Use of color flow Doppler ultrasonography to diagnose a bleeding neuroendocrine tumor in the gallbladder of a dog [J Bhandal et al], 1326

New Veterinary Biologic Products

273

Nitinol

Treatment of acute epistaxis secondary to gutteral pouch mycosis with transarterial nitinol vascular occlusion plugs in three equids [KC Delfs et al], 189

North Carolina

Detection of a large unnamed *Babesia* piroplasm originally identified in dogs in North Carolina in a dog with no history of travel to that state [PJ Holman et al], 851

Notochord

Chordoma in the tail of a ferret [MS Camus et al], 949

Nutrition

Dietary management of obesity in companion animals via alteration of lipid metabolism [Y Mitsuhashi et al], 1292

O

Obesity

The role of key adipokines in obesity and insulin resistance in cats [AL Lusby et al], 518
Dietary management of obesity in companion animals via alteration of lipid metabolism [Y Mitsuhashi et al], 1292

Odontodysplasia

Odontodysplasia in a dog [N Fiani et al], 271

Odontoma

Compound odontoma in a dog [KS Walker et al], 1279

Oleander

Oleander intoxication in New World camelids: 12 cases (1995–2006) [TA Kozikowski et al], 305

Oncology

Pneumocephalus secondary to removal of an osteoma from the paranasal sinuses of a horse [CA Ragle et al], 184
Metastatic anal sac adenocarcinoma with paraneoplastic hypertrophic osteopathy in a cat [TN Hammond et al], 267
Evaluation of hormone receptor expression for use in predicting survival of female dogs with malignant mammary gland tumors [C-C Chang et al], 391
Osteoma cutis in a turtle [FL Frye et al], 511
Computed tomography–assisted management of a mandibular dentigerous cyst in a dog with a nasal carcinoma [JW Soukup et al], 710
Chordoma in the tail of a ferret [MS Camus et al], 949
Prognostic factors for dogs with mammary inflammatory carcinoma: 43 cases (2003–2008) [L Marconato et al], 967
Acanthomatous ameloblastoma in a dog [J Force et al], 1045
Ossifying fibroma of the mandible in a dog [MC Speltz et al], 1283
Alimentary-associated carcinomas in five Vietnamese potbellied pigs [AM McCoy et al], 1336
Transitional cell carcinoma in a dog [BW Bulfinch et al], 1403
Prevalence and prognostic impact of hypercobalaminemia in dogs with lymphoma [AK Cook et al], 1437
Systemic hypertension in a dog with a functional thyroid gland adenocarcinoma [AC Simpson et al], 1474

Ophthalmology

Virologic survey of dogs with naturally acquired idiopathic conjunctivitis [EC Ledbetter et al], 954
Use of phenol red thread tests to evaluate tear production in clinically normal Amazon parrots and comparison with Schirmer tear test findings [ES Storey et al], 1181

Osteochondritis dissecans

Osteochondritis dissecans of the femoral head in a dog [PF Castro et al], 151

Osteoma

Pneumocephalus secondary to removal of an osteoma from the paranasal sinuses of a horse [CA Ragle et al], 184

Osteomyelitis

Evaluation of plasma fibrinogen concentration as an indicator of physeal or epiphyseal osteomyelitis in foals: 17 cases (2002–2007) [JM Newquist et al], 415

Ostium

Diversion of the urine stream by surgical modification of the preputial ostium in a dog [MM Pavletic et al], 1067

Otitis

Infection of the tympanic bulla in a rabbit [EL Stieve-Caldwell et al], 665
Prevalence of clinical abnormalities in cats found to have nonneoplastic middle ear disease at necropsy: 59 cases (1991–2007) [MD Schlicksup et al], 841

Otology

Infection of the tympanic bulla in a rabbit [EL Stieve-Caldwell et al], 665
Prevalence of clinical abnormalities in cats found to have nonneoplastic middle ear disease at necropsy: 59 cases (1991–2007) [MD Schlicksup et al], 841

P

Pacemakers

Successful treatment of pacemaker-induced stricture and thrombosis of the cranial vena cava in two dogs by use of anticoagulants and balloon venoplasty [SM Cunningham et al], 1467

Palpation

Comparison of pregnancy diagnosis in dairy cattle by use of a commercial ELISA and palpation per rectum [MW Breed et al], 292

Paragonimus spp

Paragonimus fluke infestation in the lung of a cat [SJ Marvel et al], 1275

Parainfluenza Virus

Comparison of single vaccination versus revaccination with a modified-live virus vaccine containing bovine herpesvirus-1, bovine viral diarrhoea virus (types 1a and 2a), parainfluenza type 3 virus, and bovine respiratory syncytial virus in the prevention of bovine respiratory disease in cattle [DL Step et al], 580

Parasitology

Comparison of bronchoalveolar lavage fluid examination and other diagnostic techniques with the Baermann technique for detection of naturally occurring *Aelurostrongylus abstrusus* infection in cats [L Lacordia et al], 43
Paragonimus fluke infestation in the lung of a cat [SJ Marvel et al], 1275
Cryptococcosis and pulmonary aelurostrongylosis in a cat [C Lorente-Méndez et al], 1407

Parrots

Use of phenol red thread tests to evaluate tear production in clinically normal Amazon parrots and comparison with Schirmer tear test findings [ES Storey et al], 1181

Parulides

Multiple dental diseases without clinical signs in a dog [S Peralta et al], 31

Pathology

Oral histoplasmosis in a cat [CG Lamm et al], 155
Osteoma cutis in a turtle [FL Frye et al], 511
Fibrous osteodystrophy from nutritional secondary hyperparathyroidism in an iguana [AW Stern et al], 669
Ossifying fibroma of the mandible in a dog [MC Speltz et al], 1283

Pathology in Practice

Oral histoplasmosis in a cat [CG Lamm et al], 155
Interstitial pneumonia in a horse [SV Kubiski et al], 381
Osteoma cutis in a turtle [FL Frye et al], 511
Fibrous osteodystrophy from nutritional secondary hyperparathyroidism in an iguana [AW Stern et al], 669
White snakeroot toxicosis in a calf [JD Webster et al], 827
Chordoma in the tail of a ferret [MS Camus et al], 949
Actinomycosis in a mink [RC Smedley et al], 1049
Encephalitis and hydrocephalus caused by *Sarcocystis neurona* in a dog [PJ Mouser et al], 1153
Ossifying fibroma of the mandible in a dog [MC Speltz et al], 1283
Cryptococcosis and pulmonary aelurostrongylosis in a cat [C Lorente-Méndez et al], 1407

Performance

Evaluation of athletic performance in horses with jugular vein thrombophlebitis: 91 cases (1988–2005) [P Moreau et al], 1073

Perianal Sinuses

Long-term prospective evaluation of topically applied 0.1% tacrolimus ointment for treatment of perianal sinuses in dogs [BJ Stanley et al], 397

Pericardium

Echocardiographic and clinicopathologic characterization of pericardial effusion in dogs: 107 cases (1985–2006) [KA MacDonald et al], 1456

Periodontitis

Multiple dental diseases without clinical signs in a dog [S Peralta et al], 31

Perspectives in Professional Education

A description of the Tufts Cummings School of Veterinary Medicine–Massachusetts Equine Clinic combined equine medicine internship program [MR Mazan et al], 38

Pharmaceuticals

Water-flow variation and pharmacoepidemiology of tetracycline hydrochloride administration via drinking water in swine finishing farms [PM Dorr et al], 299

Pharmacoepidemiology

Water-flow variation and pharmacoepidemiology of tetracycline hydrochloride administration via drinking water in swine finishing farms [PM Dorr et al], 299

Phenobarbital

Pregabalin as an adjunct to phenobarbital, potassium bromide, or a combination of phenobarbital and potassium bromide for treatment of dogs with suspected idiopathic epilepsy [CW Dewey et al], 1442

Phenol Red

Use of phenol red thread tests to evaluate tear production in clinically normal Amazon parrots and comparison with Schirmer tear test findings [ES Storey et al], 1181

Phenylbutazone

Analgesic effects of butorphanol tartrate and phenylbutazone administered alone and in combination in young horses undergoing routine castration [MG Sanz et al], 1194

Phlebotomy

Use of phlebotomy treatment in Atlantic bottlenose dolphins with iron overload [SP Johnson et al], 194

Photoperiod

Evaluation of plasma ACTH, α -melanocyte-stimulating hormone, and insulin concentrations during various photoperiods in clinically normal horses and ponies and those with pituitary pars intermedia dysfunction [J Beech et al], 715

Physiology

The role of key adipokines in obesity and insulin resistance in cats [AL Lusby et al], 518

Agreement between values for arterial and end-tidal partial pressures of carbon dioxide in spontaneously breathing, critically ill dogs [E Kelmer et al], 1314

Piroplasms

Detection of a large unnamed *Babesia* piroplasm originally identified in dogs in North Carolina in a dog with no history of travel to that state [PJ Holman et al], 851

Pituitary Gland

Computed tomography and low-field magnetic resonance imaging of the pituitary gland in dogs with pituitary-dependent hyperadrenocorticism: 11 cases (2001–2003) [E Auriemma et al], 409

Evaluation of plasma ACTH, α -melanocyte-stimulating hormone, and insulin concentrations during various photoperiods in clinically normal horses and ponies and those with pituitary pars intermedia dysfunction [J Beech et al], 715

Plants

Oleander intoxication in New World camelids: 12 cases (1995–2006) [TA Kozikowski et al], 305

White snakeroot toxicosis in a calf [JD Webster et al], 827

Platelets

Underlying diseases and clinicopathologic variables of thrombocytopenic dogs with and without platelet-bound antibodies detected by use of a flow cytometric assay: 83 cases (2004–2006) [BH Dircks et al], 960

Pleuritis

Actinomycosis in a mink [RC Smedley et al], 1049

Plica Salpingopharyngeus

Partial resection of the plica salpingopharyngeus for the treatment of three foals with bilateral tympany of the auditory tube diverticulum (gutteral pouch) [HD Sparks et al], 731

Pneumocephalus

Pneumocephalus secondary to removal of an osteoma from the paranasal sinuses of a horse [CA Ragle et al], 184

Pneumonia

Incidence of and risk factors for postoperative pneumonia in dogs anesthetized for diagnosis or treatment of intervertebral disk disease [MA Java et al], 281

Interstitial pneumonia in a horse [SV Kubiski et al], 381

Pneumopericardium

Pneumopericardium in a dog [JM Orlando et al], 1145

Polioencephalomyelopathy

Clinicopathological and magnetic resonance imaging characteristics associated with polioencephalomyelopathy in a Shih Tzu [M Kent et al], 551

Polymyositis

Severe polymyositis and neuritis in a cat [AA Ginman], 172

Potassium Bromide

Pregabalin as an adjunct to phenobarbital, potassium bromide, or a combination of phenobarbital and potassium bromide for treatment of dogs with suspected idiopathic epilepsy [CW Dewey et al], 1442

Poultry

A federal and state transport plan for movement of eggs and egg products from commercial egg production premises in a high-pathogenicity avian influenza control area [DW Trampel et al], 1412

Pregabalin

Pregabalin as an adjunct to phenobarbital, potassium bromide, or a combination of phenobarbital and potassium bromide for treatment of dogs with suspected idiopathic epilepsy [CW Dewey et al], 1442

Pregnancy

Comparison of pregnancy diagnosis in dairy cattle by use of a commercial ELISA and palpation per rectum [MW Breed et al], 292

Prepuce

Diversion of the urine stream by surgical modification of the preputial ostium in a dog [MM Pavletic et al], 1067

Procedure for Reporting Professional Misconduct

119, 871

Psychology

Euthanasia-related strain and coping strategies in animal shelter employees [BE Baran et al], 83

Public Health

A federal and state transport plan for movement of eggs and egg products from commercial egg production premises in a high-pathogenicity avian influenza control area [DW Trampel et al], 1412

Public Veterinary Medicine: Public Health

Rabies surveillance in the United States during 2008 [JD Blanton et al], 676

Rabies in vaccinated dogs and cats in the United States, 1997–2001 [KO Murray et al], 691

Pyometra

Colic caused by pyometra in a horse [GG Tranquillo], 1161

R

Rabbits

Encephalitis in a rabbit caused by human herpesvirus-1 [K Müller et al], 66

Infection of the tympanic bulla in a rabbit [EL Stieve-Caldwell et al], 665

Rabies

Rabies surveillance in the United States during 2008 [JD Blanton et al], 676

Rabies in vaccinated dogs and cats in the United States, 1997–2001 [KO Murray et al], 691

Serum antibody titers following routine rabies vaccination in African elephants [MA Miller et al], 970

Radiology

Lumen narrowing associated with a foreign body in the ileum of a dog [A Cepparulo et al], 27

Multiple dental diseases without clinical signs in a dog [S Peralta et al], 31

Comparison of ultrasonography versus radiography for the diagnosis of dorsal fragmentation of the metacarpophalangeal or metatarsophalangeal joint in horses [K Vanderperren et al], 70

Osteochondritis dissecans of the femoral head in a dog [PF Castro et al], 151

Metastatic anal sac adenocarcinoma with paraneoplastic hypertrophic osteopathy in a cat [TN Hammond et al], 267

Odontodysplasia in a dog [N Fiani et al], 271

Gastric foreign body resulting from ingestion of household glue in a dog [HA Phelps et al], 507
Infection of the tympanic bulla in a rabbit [EL Stieve-Caldwell et al], 665
Synovial cysts in a cat [KC Kligman et al], 945
Diaphragmatic hernia in a dog [AM Little et al], 1041
Radiographic features of cardiogenic pulmonary edema in dogs with mitral regurgitation: 61 cases (1998–2007) [A Diana et al], 1058
Pneumopericardium in a dog [JM Orlando et al], 1145
Paragonimus fluke infestation in the lung of a cat [SJ Marvel et al], 1275

Receptors

Evaluation of hormone receptor expression for use in predicting survival of female dogs with malignant mammary gland tumors [C-C Chang et al], 391

Reference Point

Knowledge gaps impacting the development of bovine diarrhea virus control programs in the United States [JF Ridpath et al], 1171

Regulations

Update on drugs prohibited from extralabel use in food animals [JL Davis et al], 528
A federal and state transport plan for movement of eggs and egg products from commercial egg production premises in a high-pathogenicity avian influenza control area [DW Trampel et al], 1412

Reproductive System

Colic caused by pyometra in a horse [GG Tranquillo], 1161
Buccal mucosal urethroplasty for treatment of recurrent hemospermia in a stallion [ES Hackett et al], 1212

Reptiles

Osteoma cutis in a turtle [FL Frye et al], 511
Fibrous osteodystrophy from nutritional secondary hyperparathyroidism in an iguana [AW Stern et al], 669

Respiratory System

Comparison of bronchoalveolar lavage fluid examination and other diagnostic techniques with the Baermann technique for detection of naturally occurring *Aelurostrongylus abstrusus* infection in cats [L Lacorcchia et al], 43
Efficacy of furosemide for prevention of exercise-induced pulmonary hemorrhage in Thoroughbred racehorses [KW Hinchcliff et al], 76
Pneumocephalus secondary to removal of an osteoma from the paranasal sinuses of a horse [CA Ragle et al], 184
Treatment of acute epistaxis secondary to guttural pouch mycosis with transarterial nitinol vascular occlusion plugs in three equids [KC Delfs et al], 189
Incidence of and risk factors for postoperative pneumonia in dogs anesthetized for diagnosis or treatment of intervertebral disk disease [MA Java et al], 281
Interstitial pneumonia in a horse [SV Kubiski et al], 381
Subtotal or partial unilateral arytenoidectomy for treatment of arytenoid chondritis in five calves [S Nichols et al], 420
Comparison of single vaccination versus revaccination with a modified-live virus vaccine containing bovine herpesvirus-1, bovine viral diarrhea virus (types 1a and 2a), parainfluenza type 3 virus, and bovine respiratory syncytial virus in the prevention of bovine respiratory disease in cattle [DL Step et al], 580
Computed tomography–assisted management of a mandibular dentigerous cyst in a dog with a nasal carcinoma [JW Soukup et al], 710
Multimodal treatment of recurrent sinonasal cryptococcal granulomas in a horse [AJ Stewart et al], 723
Partial resection of the plica salpingopharyngeus for the treatment of three foals with bilateral tympany of the auditory tube diverticulum (guttural pouch) [HD Sparks et al], 731
Bronchial abnormalities found in a consecutive series of 40 brachycephalic dogs [D De Lorenzi et al], 835
Extrapulmonary disorders associated with *Rhodococcus equi* infection in foals: 150 causes (1987–2007) [SM Reuss et al], 855
Diaphragmatic hernia in a dog [AM Little et al], 1041
Actinomycosis in a mink [RC Smedley et al], 1049
Intranasal infusion of clotrimazole for the treatment of nasal aspergillosis in two cats [E Furrow et al], 1188
Paragonimus fluke infestation in the lung of a cat [SJ Marvel et al], 1275
Agreement between values for arterial and end-tidal partial pressures of carbon dioxide in spontaneously breathing, critically ill dogs [E Kelmer et al], 1314

Assessment of serum N-terminal pro-B-type natriuretic peptide concentration for differentiation of congestive heart failure from primary respiratory tract disease as the cause of respiratory signs in dogs [MA Oyama et al], 1319
Dyspnea caused by epiglottic retroversion in two dogs [JA Flanders et al], 1330
Cryptococcosis and pulmonary aelurostrongylosis in a cat [C Lorente-Méndez et al], 1407

Resuscitation

Prognostic indicators for dogs and cats with cardiopulmonary arrest treated by cardiopulmonary cerebral resuscitation at a university teaching hospital [EH Hofmeister et al], 50

Revenue

Revenue, expenses, and returns on resources for US veterinary private practices, 2005 and 2007 [AJ Shepherd et al], 2009;235:672
Correction, 959

Rhodococcus spp

Extrapulmonary disorders associated with *Rhodococcus equi* infection in foals: 150 causes (1987–2007) [SM Reuss et al], 855

Risk Analysis

Risk factors and outcome of bougienage for treatment of benign esophageal strictures in dogs and cats: 28 cases (1995–2004) [SA Bissett et al], 844
Comparison of survival rates for geriatric horses versus nongeriatric horses following exploratory celiotomy for colic [KM Krista et al], 1069
Rate and frequency of recurrence of uroliths after an initial ammonium urate, calcium oxalate, or struvite urolith in cats [H Albasan et al], 1450

S

Salaries

Employment, starting salaries, and educational indebtedness of year-2009 graduates of US veterinary medical colleges [AJ Shepherd et al], 523

Salmonella spp

Fecal shedding of antimicrobial resistance in, and serologic response to *Salmonella typhimurium* in dairy calves [KA Alexander et al], 739

Sarcocystis neurona

Encephalitis and hydrocephalus caused by *Sarcocystis neurona* in a dog [PJ Mouser et al], 1153

Schirmer Tear Test

Use of phenol red thread tests to evaluate tear production in clinically normal Amazon parrots and comparison with Schirmer tear test findings [ES Storey et al], 1181

Scottish Terriers

Use of a selective serotonin reuptake inhibition for treatment of episodes of hypertension and kyphosis in a young adult Scottish Terrier [KM Geiger et al], 168

Seizures

Pregabalin as an adjunct to phenobarbital, potassium bromide, or a combination of phenobarbital and potassium bromide for treatment of dogs with suspected idiopathic epilepsy [CW Dewey et al], 1442

Selected abstract for JAVMA readers from the American Journal of Veterinary Research (AJVR)

Determination of and correlation between urine protein excretion and urine protein-to-creatinine ratio values during a 24-hour period in healthy horses and ponies [B Uberti et al], 2009;70:1551, 69
Serum elimination profiles of methyllycaconitine and deltaline in cattle following oral administration of larkspur (*Delphinium barbey*) [BT Green et al], 2009;70:926, 69
Evaluation of inflammatory responses induced via intra-articular injection of interleukin-1 in horses receiving a dietary nutraceutical and assessment... [W Pearson et al], 2009;70:848, 75
Comparison of tepoxalin, carprofen, and meloxicam for reducing intraocular inflammation in dogs [MA Gilmour et al], 2009;70:902, 171
Effect of administration of propofol and xylazine hydrochloride on recovery of horses after four hours of anesthesia with desflurane [EP Steffey et al], 2009;70:956, 298

Effect of firocoxib or flunixin meglumine on recovery of ischemic-injured equine jejunum [VL Cook et al], 2009;70:310, 298

Effect of intravenous administration of tramadol hydrochloride on the minimum alveolar concentration of isoflurane in rabbits [CM Egger et al], 2009;70:945, 404

Influence of bone cements on bone-screw interfaces in the third metacarpal and third metatarsal bones of horses [LJM Hirvonen et al], 2009;70:964, 414

Effect of body position on respiratory system volumes in anesthetized red-tailed hawks (*Buteo jamaicensis*)... [S Malka et al], 2009;70:1155, 562

Determination of plasma osmolality and agreement between measured and calculated values in health adult Hispaniolan Amazon parrots [MJ Acierno et al], 2009;70:1151, 579

Comparison of clonal relatedness and antimicrobial susceptibility of fecal *Escherichia coli* from healthy dogs and their owners [KA Stenske et al], 2009;70:1108, 754

Effects of diet-induced weight gain on insulin sensitivity and plasma hormone and lipid concentrations in horses [RA Carter et al], 2009;70:1250, 854

Effects of high plasma fentanyl concentrations on minimum alveolar concentration of isoflurane in horses [HK DiMaio Knych et al], 2009;70:1193, 863

Effect of intravenous administration of lactated Ringer's solution or hetastarch for the treatment of isoflurane-induced hypotension in dogs [TK Aarnes et al], 2009;70:1345, 1063

Comparison of time to desaturation between preoxygenated and nonpreoxygenated dogs following sedation with acepromazine maleate... [EM McNally et al], 2009;70:1333, 1078

Comparison of recovery from anesthesia with isoflurane, sevoflurane, or desflurane in healthy dogs [LA Lopez et al], 2009;70:1339, 1187

Plasma amino acid and whole blood taurine concentrations in cats eating commercially prepared diets [CR Heinze et al], 2009;70:1374, 1193

Effects of dietary lysine supplementation on upper respiratory and ocular disease and detection of infectious organisms in cats within an animal shelter [TI Drazenovich et al]; 2009;70:1391, 1215

Effects of tramadol on the thermal threshold in cats [BH Pypendop et al], 2009;70:1465, 1336

Analgesic effects of intramuscular administration of meloxicam in Hispaniolan parrots (*Amazona ventralis*) with experimentally induced arthritis [GA Cole et al], 2009;70:1471, 1436

Serology

Fecal shedding of, antimicrobial resistance in, and serologic response to *Salmonella typhimurium* in dairy calves [KA Alexander et al], 739

Serum antibody titers following routine rabies vaccination in African elephants [MA Miller et al], 970

Factors associated with likelihood of horses having a high serum *Streptococcus equi* SeM-specific antibody titer [AG Boyle et al], 973

Serotonin

Use of a selective serotonin reuptake inhibitor for treatment of episodes of hypertonia and kyphosis in a young adult Scottish Terrier [KM Geiger et al], 168

Shelters

Euthanasia-related strain and coping strategies in animal shelter employees [BE Baran et al], 83

Characterization of animals with microchips entering animal shelters [LK Lord et al], 160

Shih Tzu

Clinicopathological and magnetic resonance imaging characteristics associated with polioencephalomyelopathy in a Shih Tzu [M Kent et al], 551

Sinuses

Pneumocephalus secondary to removal of an osteoma from the paranasal sinuses of a horse [CA Ragle et al], 184

Long-term prospective evaluation of topically applied 0.1% tacrolimus ointment for treatment of perianal sinuses in dogs [BJ Stanley et al], 397

Multimodal treatment of recurrent sinonasal cryptococcal granulomas in a horse [AJ Stewart et al], 723

Slaughter

Reasons for whole carcass condemnations of cattle in the United States and implications for producer education and veterinary intervention [TL White et al], 937

Snakeroot

White snakeroot toxicosis in a calf [JD Webster et al], 827

Sows

Effect of lameness on sow longevity [SS Anil et al], 734

Special Report

Labor market characteristics of veterinary technician specialists in 2007 [CL Norkus], 1303

A federal and state transport plan for movement of eggs and egg products from commercial egg production premises in a high-pathogenicity avian influenza control area [DW Trampel et al], 1412

Staphylococcus spp

An investigation of methicillin-resistant *Staphylococcus aureus* colonization in people and pets in the same household with an infected person or infected pet [MC Faires et al], 540

Infection with methicillin-resistant *Staphylococcus pseudintermedius* masquerading as ceftiofur susceptible in a dog [JS Weese et al], 1064

Stents

Use of endovascular stents in three dogs with Budd-Chiari syndrome [MD Schlicksup et al], 544

Stomach

Gastric foreign body resulting from ingestion of household glue in a dog [HA Phelps et al], 507

Streptococcus spp

Factors associated with likelihood of horses having a high serum *Streptococcus equi* SeM-specific antibody titer [AG Boyle et al], 973

Stress

Euthanasia-related strain and coping strategies in animal shelter employees [BE Baran et al], 83

Strictures

Risk factors and outcome of bougienage for treatment of benign esophageal strictures in dogs and cats: 28 cases (1995–2004) [SA Bissett et al], 844

Struvite

Rate and frequency of recurrence of uroliths after an initial ammonium urate, calcium oxalate, or struvite urolith in cats [H Albasan et al], 1450

Surgery

Pneumocephalus secondary to removal of an osteoma from the paranasal sinuses of a horse [CA Ragle et al], 184

Massive transfusion and surgical management of iatrogenic aortic laceration associated with cystocentesis in a dog [GJ Buckley et al], 288

Subtotal or partial unilateral arytenoidectomy for treatment of arytenoid chondritis in five calves [S Nichols et al], 420

Partial resection of the plica salpingopharyngeus for the treatment of three foals with bilateral tympany of the auditory tube diverticulum (gutteral pouch) [HD Sparks et al], 731

Diversion of the urine stream by surgical modification of the preputial ostium in a dog [MM Pavletic et al], 1067

Comparison of survival rates for geriatric horses versus nongeriatric horses following exploratory celiotomy for colic [KM Krista et al], 1069

Buccal mucosal urethroplasty for treatment of recurrent hemospermia in a stallion [ES Hackett et al], 1212

Surveillance

Rabies surveillance in the United States during 2008 [JD Blanton et al], 676

Surveys

Herd-level prevalence of *Mycoplasma* spp mastitis and characteristics of infected dairy herds in Utah as determined by a statewide survey [DJ Wilson et al], 749

Synovitis

Prevalence of lymphoplasmacytic synovitis in dogs with naturally occurring cranial cruciate ligament rupture [JB Erne et al], 386

Synovium

Prevalence of lymphoplasmacytic synovitis in dogs with naturally occurring cranial cruciate ligament rupture [JB Erne et al], 386

Synovial cysts in a cat [KC Kligman et al], 945

T

Tacrolimus

Long-term prospective evaluation of topically applied 0.1% tacrolimus ointment for treatment of perianal sinuses in dogs [BJ Stanley et al], 397

Tears

Use of phenol red thread tests to evaluate tear production in clinically normal Amazon parrots and comparison with Schirmer tear test findings [ES Storey et al], 1181

Teeth

Multiple dental diseases without clinical signs in a dog [S Peralta et al], 31
Odontodysplasia in a dog [N Fiani et al], 271

Tetracycline

Water-flow variation and pharmacoepidemiology of tetracycline hydrochloride administration via drinking water in swine finishing farms [PM Dorr et al], 299

Therigenology

Comparison of pregnancy diagnosis in dairy cattle by use of a commercial ELISA and palpation per rectum [MW Breed et al], 292
Colic caused by pyometra in a horse [GG Tranquillo], 1161

Therigenology Question of the Month

Colic caused by pyometra in a horse [GG Tranquillo], 1161

Thoroughbreds

Efficacy of furosemide for prevention of exercise-induced pulmonary hemorrhage in Thoroughbred racehorses [KW Hinchcliff et al], 76

Thread Test

Use of phenol red thread tests to evaluate tear production in clinically normal Amazon parrots and comparison with Schirmer tear test findings [ES Storey et al], 1181

Thrombocytopenia

Underlying diseases and clinicopathologic variables of thrombocytopenic dogs with and without platelet-bound antibodies detected by use of a flow cytometric assay: 83 cases (2004–2006) [BH Dircks et al], 960

Thrombophlebitis

Evaluation of athletic performance in horses with jugular vein thrombophlebitis: 91 cases (1988–2005) [P Moreau et al], 1073

Thrombosis

Successful treatment of pacemaker-induced stricture and thrombosis of the cranial vena cava in two dogs by use of anticoagulants and balloon venoplasty [SM Cunningham et al], 1467

Thyroid Gland

Systemic hypertension in a dog with a functional thyroid gland adenocarcinoma [AC Simpson et al], 1474

Thyroxine

Systemic hypertension in a dog with a functional thyroid gland adenocarcinoma [AC Simpson et al], 1474

Timely Topics in Nutrition

The role of key adipokines in obesity and insulin resistance in cats [AL Lusby et al], 518
Dietary management of obesity in companion animals via alteration of lipid metabolism [Y Mitsuhashi et al], 1292

Toxicology

Oleander intoxication in New World camelids: 12 cases (1995–2006) [TA Kozikowski et al], 305
Ivermectin toxicosis in three adult horses [TM Swor et al], 558
White snakeroot toxicosis in a calf [JD Webster et al], 827
Lidocaine toxicosis in a horse [KR Mullen et al], 1156

Trace Minerals

Use of phlebotomy treatment in Atlantic bottlenose dolphins with iron overload [SP Johnson et al], 194

Transfusion

Massive transfusion and surgical management of iatrogenic aortic

laceration associated with cystocentesis in a dog [GJ Buckley et al], 288

Transitional Cell Carcinoma

Transitional cell carcinoma in a dog [BW Bulfkin et al], 1403

Transport

Detection of a large unnamed *Babesia* piroplasm originally identified in dogs in North Carolina in a dog with no history of travel to that state [PJ Holman et al], 851
A federal and state transport plan for movement of eggs and egg products from commercial egg production premises in a high-pathogenicity avian influenza control area [DW Trampel et al], 1412

Trauma

Evaluation of vehicular trauma in dogs: 239 dogs (January–December 2001) [KM Streeter et al], 405

Tufts-Cummings School of Veterinary Medicine

A description of the Tufts Cummings School of Veterinary Medicine–Massachusetts Equine Clinic combined equine medicine internship program [MR Mazan et al], 38

Tumors

Use of color flow Doppler ultrasonography to diagnose a bleeding neuroendocrine tumor in the gallbladder of a dog [J Bhandal et al], 1326

Turtles

Hematologic and plasma biochemical findings in cold-stunned Kemp's ridley turtles: 176 cases (2001–2005) [CJ Innis et al], 426
Osteoma cutis in a turtle [FL Frye et al], 511

Tympanic Bulla

Infection of the tympanic bulla in a rabbit [EL Stieve-Caldwell et al], 665

U

Ultrasonography

Comparison of ultrasonography versus radiography for the diagnosis of dorsal fragmentation of the metacarpophalangeal or metatarsophalangeal joint in horses [K Vanderperren et al], 70
Synovial cysts in a cat [KC Kligman et al], 945
Use of color flow Doppler ultrasonography to diagnose a bleeding neuroendocrine tumor in the gallbladder of a dog [J Bhandal et al], 1326
Transitional cell carcinoma in a dog [BW Bulfkin et al], 1403

Urethroplasty

Buccal mucosal urethroplasty for treatment of recurrent hemospermia in a stallion [ES Hackett et al], 1212

Urinary System

Diversion of the urine stream by surgical modification of the preputial ostium in a dog [MM Pavletic et al], 1067
Transitional cell carcinoma in a dog [BW Bulfkin et al], 1403
Rate and frequency of recurrence of uroliths after an initial ammonium urate, calcium oxalate, or struvite urolith in cats [H Albasan et al], 1450

Urolithiasis

Rate and frequency of recurrence of uroliths after an initial ammonium urate, calcium oxalate, or struvite urolith in cats [H Albasan et al], 1450

Utah

Herd-level prevalence of *Mycoplasma* spp mastitis and characteristics of infected dairy herds in Utah as determined by a statewide survey [DJ Wilson et al], 749

Uterus

Colic caused by pyometra in a horse [GG Tranquillo], 1161

V

Vaccinology

Efficacy of a combination viral vaccine for protection of cattle against experimental infection with field isolates of bovine herpesvirus-1 [JA Ellis et al], 563
Comparison of single vaccination versus revaccination with a modified-live virus vaccine containing bovine herpesvirus-1, bovine viral diarrhoea virus (types 1a and 2a), parainfluenza type 3 virus, and bovine respiratory syncytial virus in the prevention of bovine respiratory disease in cattle [DL Step et al], 580

Rabies in vaccinated dogs and cats in the United States, 1997–2001 [KO Murray et al], 691

Serum antibody titers following routine rabies vaccination in African elephants [MA Miller et al], 970

Vehicular Trauma

Evaluation of vehicular trauma in dogs: 239 dogs (January–December 2001) [KM Streeter et al], 405

Veins

Evaluation of athletic performance in horses with jugular vein thrombophlebitis: 91 cases (1988–2005) [P Moreau et al], 1073

Vena Cava

Successful treatment of pacemaker-induced stricture and thrombosis of the cranial vena cava in two dogs by use of anticoagulants and balloon venoplasty [SM Cunningham et al], 1467

Venoplasty

Successful treatment of pacemaker-induced stricture and thrombosis of the cranial vena cava in two dogs by use of anticoagulants and balloon venoplasty [SM Cunningham et al], 1467

Vertebral Column

Hansen type I intervertebral disk disease in a dog [M Lowrie et al], 823

Veterinary Education

A description of the Tufts Cummings School of Veterinary Medicine–Massachusetts Equine Clinic combined equine medicine internship program [MR Mazan et al], 38

Employment, of female and male graduates of US veterinary medical colleges, 2009 [AJ Shepherd et al], 830

Veterinary Graduates

Employment, starting salaries, and educational indebtedness of year-2009 graduates of US veterinary medical colleges [AJ Shepherd et al], 523

Employment, of female and male graduates of US veterinary medical colleges, 2009 [AJ Shepherd et al], 830

Veterinary Manpower

Food animal medicine in crisis [JB Walker], 368

Veterinary Medical Colleges

Employment, starting salaries, and educational indebtedness of year-2009 graduates of US veterinary medical colleges [AJ Shepherd et al], 523

Employment of female and male graduates of US veterinary medical colleges, 2009 [AJ Shepherd et al], 830

Veterinary Medical Education

Employment starting salaries, and educational indebtedness of year-2009 graduates of US veterinary medical colleges [AJ Shepherd et al], 523

Veterinary Practice

Effect of National Football League games on small animal emergency room caseload [EA Rozanski et al], 58

Revenue, expenses, and returns on resources for US veterinary private practices, 2005 and 2007 [AJ Shepherd et al], 2009;235:672

Correction, 959

Philosophical foundations of evidence-based medicine for veterinary clinicians [MA Holmes], 1035

Labor market characteristics of veterinary technician specialists in 2007 [CL Norkus], 1303

Veterinary Students

Employment, starting salaries, and educational indebtedness of year-2009 graduates of US veterinary medical colleges [AJ Shepherd et al], 523

Employment of female and male graduates of US veterinary medical colleges, 2009 [AJ Shepherd et al], 830

Veterinary Technician Specialists

Labor market characteristics of veterinary technician specialists in 2007 [CL Norkus], 1303

Vietnamese Potbellied Pigs

Alimentary-associated carcinomas in five Vietnamese potbellied pigs [AM McCoy et al], 1336

Virology

Encephalitis in a rabbit caused by human herpesvirus-1 [K Müller et al], 66

Efficacy of a combination viral vaccine for protection of cattle against experimental infection with field isolates of bovine herpesvirus-1 [JA Ellis et al], 563

Results of a survey to estimate cattle movements and contact rates among beef herds in California, with reference to the potential spread and control of foot-and-mouth disease [ES Marshall et al], 573

Comparison of single vaccination versus revaccination with a modified-live virus vaccine containing bovine herpesvirus-1, bovine viral diarrhea virus (types 1a and 2a), parainfluenza type 3 virus, and bovine respiratory syncytial virus in the prevention of bovine respiratory disease in cattle [DL Step et al], 580

Rabies surveillance in the United States during 2008 [JD Blanton et al], 676

Rabies in vaccinated dogs and cats in the United States, 1997–2001 [KO Murray et al], 691

Virologic survey of dogs with naturally acquired idiopathic conjunctivitis [EC Ledbetter et al], 954

Serum antibody titers following routine rabies vaccination in African elephants [MA Miller et al], 970

Knowledge gaps impacting the development of bovine diarrhea virus control programs in the United States [JF Ridpath et al], 1171

Vitamins

Prevalence and prognostic impact of hypercobalaminemia in dogs with lymphoma [AK Cook et al], 1437

W

Water

Water-flow variation and pharmacoepidemiology of tetracycline hydrochloride administration via drinking water in swine finishing farms [PM Dorr et al], 299

What Is The Evidence?

Fracture of the coronoid process in a dog [JL Cook et al], 1053

Chylothorax in a cat [BT Torres et al], 1167

What Is Your Diagnosis?

Lumen narrowing associated with a foreign body in the ileum of a dog [A Cepparulo et al], 27

Osteochondritis dissecans of the femoral head in a dog [PF Castro et al], 151

Metastatic anal sac adenocarcinoma with paraneoplastic hypertrophic osteopathy in a cat [TN Hammond et al], 267

Lameness resulting from abscess of the hoof in a horse [JL Carmalt et al], 377

Gastric foreign body resulting from ingestion of household glue in a dog [HA Phelps et al], 507

Infection of the tympanic bulla in a rabbit [EL Stieve-Caldwell et al], 665

Hansen type I intervertebral disk disease in a dog [M Lowrie et al], 823

Synovial cysts in a cat [KC Kligman et al], 945

Diaphragmatic hernia in a dog [AM Little et al], 1041

Pneumopericardium in a dog [JM Orlando et al], 1145

Paragonimus fluke infestation in the lung of a cat [SJ Marvel et al], 1275

Transitional cell carcinoma in a dog [BW Bulfinch et al], 1403

Z

Zoo Medicine

Serum antibody titers following routine rabies vaccination in African elephants [MA Miller et al], 970

Zoonoses

An investigation of methicillin-resistant *Staphylococcus aureus* colonization in people and pets in the same household with an infected person or infected pet [MC Faires et al], 540

Rabies surveillance in the United States during 2008 [JD Blanton et al], 676

Rabies in vaccinated dogs and cats in the United States, 1997–2001 [KO Murray et al], 691

A federal and state transport plan for movement of eggs and egg products from commercial egg production premises in a high-pathogenicity avian influenza control area [DW Trampel et al], 1412
