

DIVERSITY OUTREACH GRANTS APPLICATION

GUIDELINES – PAGE 1

GOAL:

The Diversity Grant was created by the Multicultural Student Outreach Committee of the SAVMA House of Delegates. The Goal of the Diversity Grant is to support vet-students and vet-student organizations in their efforts to promote Diversity and/or Multiculturalism in the profession and their veterinary college.

ELIGIBILITY:

A student, a student run organization, or a group of students who demonstrate financial need to hold an event are eligible to request funding. The event must promote Diversity and/or Multiculturalism. The individual or group must explain how the event will promote diversity and multiculturalism. The individual or group must also demonstrate other means of funding explored. The student or group must be a SCAVMA member to receive funds. MSOC funds cannot be used for travel expenses.

HOW TO REQUEST FUNDS:

The Request Form can be requested by filling out the request form below, and please email it as a Word document to Kristin Repyak at ksrepyak@wisc.edu. Completed forms are due three weeks prior to the event and must be returned to her as a Word Document Attachment. She will forward to committee members for evaluation. Notification of acceptance or rejection will come in one week. There are 10 awards of \$100 available. They will be given out on a first accepted basis.

PROOF OF EVENT:

Upon completion of the proposed event, the individual or group must submit a written budget report demonstrating the use of the requested funds. The individual or group must also explain how they advertised the support of the Multicultural Student Outreach Committee and SAVMA. Photographs of the event are encouraged so we may present the successes of the Diversity Grants to the SAVMA House of Delegates.

SELECTION PROCESS:

The Multicultural Student Affairs Committee will determine if the event appropriately promotes Diversity and Multiculturalism by a majority vote of the committee members at the time of the request.
