Dear Student

Please participate in an online survey of veterinary students that takes 20 minutes to complete and asks about recruiting and retaining students. The results will help create strategies to refocus and improve the veterinary profession. Your voluntary responses to this survey are confidential and findings will be only reported in the aggregate.

This survey is sponsored by the Food Supply Veterinary Medicine Coalition (FSVMC), which is comprised of the American Association of Bovine Practitioners (AABP), the American Association of Small Ruminant Practitioners (AASRP), the American Association of Food Hygiene Veterinarians (AAFHV), American Association of Swine Veterinarians (AASV), the Association of American Veterinary Medical Colleges (AAVMC), the Academy of Veterinary Consultants (AVC), the American Veterinary Medical Association (AVMA), American Association of Avian Pathologists (AAAP), Food Safety Inspection Service (FSIS) and Bayer Animal Health.

Access the online survey by clicking on the link below. The survey will open in your web browser. If the survey does not open in your web browser, please type the address exactly as shown below into the address line of your web browser. At the end of the questionnaire you will click on a submit button to send your responses to us.

Click on this link to access the survey.

http://survey.cba.ksu.edu/avma/study13/study13.htm

Please complete the survey by April 14, 2005. If you have any difficulties or technical questions regarding the online survey, you can contact Joe Plantiko at jplant@ksu.edu. If you have any questions regarding the content of the survey, please contact Dr. David Andrus at andrus@ksu.edu.

THANK YOU FOR PARTICIPATING IN THIS IMPORTANT PROJECT.

Best Regards,

David Andrus
Kansas State University
Dear Student

A week ago we asked you to participate in an online survey of veterinary students that takes 20 minutes to complete and asks about recruiting and retaining students. If you have completed the survey, thank you for your support! If you missed the survey, please take a moment now and share your insights with us. The results will help create strategies to refocus and improve the veterinary profession. Your voluntary responses to this survey are confidential and findings will be only reported in the aggregate. We have kept the survey short to accommodate your busy schedule.

Access the online survey by clicking on the link below. The survey will open in your web browser. If the survey does not open in your web browser, please type the address exactly as shown below into the address line of your web browser. At the end of the questionnaire you will click on a submit button to send your responses to us.

Click on this link to access the questionnaire

http://survey.cba.ksu.edu/avma/study13/study13.htm

Please complete the survey by April 20, 2005. If you have any difficulties or technical questions regarding the online survey, you can contact Joe Plantiko at jplant@ksu.edu. If you have any questions regarding the content of the survey, please contact Dr. David Andrus at andrus@ksu.edu.

THANK YOU FOR PARTICIPATING IN THIS IMPORTANT PROJECT.

Best Regards,

David Andrus
Kansas State University
Many of you have completed our online survey of veterinary students. We thank you for your assistance. This is the third and final distribution of the survey. If you have already completed this questionnaire, we thank you for your time and please disregard this email. For those of you from whom we have not yet heard, please visit the link below to participate in this research as soon as possible. Your opinions are extremely important to us!

This survey takes approximately 20 minutes to complete and asks you about the type of veterinary work you do and your attitudes about that work. The results will help create strategies to refocus and improve the veterinary profession. Your voluntary responses to this survey are anonymous and there is no obligation to participate. Information will only be reported at the aggregate level and you will never be personally identified with this information.

This survey is sponsored by the Food Supply Veterinary Medicine Coalition (FSVMC), which is comprised of the American Association of Bovine Practitioners (AABP), the American Association of Small Ruminant Practitioners (AASRP), the American Association of Swine Veterinarians (AASV), the Association of American Veterinary Medical Colleges (AAVMC), the Academy of Veterinary Consultants (AVC), the American Veterinary Medical Association (AVMA), American Association of Avian Pathologists (AAAP), Food Safety Inspection Service (FSIS) and Bayer Animal Health.

Access the online survey by clicking on the link below. The survey will open in your web browser. Veterinary Career Decision Survey

Thank you for taking the time to participate in this online survey about veterinary careers. The survey should take approximately 20 minutes to complete and will ask you about decision factors used in selecting a particular career path in veterinary medicine. It will also ask you about employment challenges and future career expectations.

Your responses to this survey will be completely anonymous. Information will only be reported at the aggregate level and you will never be personally identified with this information. We appreciate your support and value your insights.

Please do not use your browser's "Back" button to navigate through the survey.
Future Career Plans

1. Please identify the percent of your time you plan to spend working with the species below over the next 5 years. Responses should add to 100%. The counter below indicates your running total.

If you do not plan on working directly with animals, please click the “next” button below to continue the survey.

Future Career Plans

2. Which one occupational area are you most likely to make a career commitment to for the first five years of employment as a veterinarian? The occupational area that you select will be referred to in subsequent questions.

- Food animal exclusive private practice
- Food animal predominant private practice
- Mixed animal private practice
- Companion animal predominant private practice
- Companion animal exclusive private practice
- Equine private practice
- University
- Uniformed Services
- Federal Government
- State/Local Government
- Industry
- Not-For-Profit
Past Experiences with Animals

Please rate the following statements about your life experiences with animals.

3. I had significant experience with food animals before being admitted to veterinary school.
   - [ ] Very Strongly Disagree
   - [ ] Disagree
   - [ ] Somewhat Disagree
   - [ ] Neutral
   - [ ] Somewhat Agree
   - [ ] Agree
   - [ ] Very Strongly Agree

4. I had a good role model who was involved in food animal production when I was growing up.
   - [ ] Very Strongly Disagree
   - [ ] Disagree
   - [ ] Somewhat Disagree
   - [ ] Neutral
   - [ ] Somewhat Agree
   - [ ] Agree
   - [ ] Very Strongly Agree

5. I was actively involved with food animals in 4H when I was young.
   - [ ] Very Strongly Disagree
   - [ ] Disagree
   - [ ] Somewhat Disagree
   - [ ] Neutral
   - [ ] Somewhat Agree
   - [ ] Agree
   - [ ] Very Strongly Agree

6. I worked for a food animal veterinarian before I was admitted to veterinary school.
   - [ ] Very Strongly Disagree
   - [ ] Disagree
   - [ ] Somewhat Disagree
   - [ ] Neutral
   - [ ] Somewhat Agree
