Index to News

AAEP Guidelines
Renewed focus on race-day medications, 1543

AAEP Therapeutic Medications in Racehorses
Board acts on welfare-related proposals, 141

AAFP Guidelines
Revenue growth can’t hide ‘alarming’ decline in client visits, 1368

AAHA Guidelines
AAHA co-hosts historic conference with Canadian colleagues, 1539

Aarhus University
Stem cells in theory and practice, 396

AASV PRRS Task Force
Sealing the barn - veterinarians work to control air around swine, 1087

AAVSB Program for the Assessment of Veterinary Education Equivalence (PAVE)
Get to know your neighbor, 1079
House to consider accreditation of foreign schools, 1524

Abuse
Board greenlights plans for future leaders program, collaboration with FDA on drug policies, 133
AVMA endorses guidance for vets suspecting animal abuse, 136
Crush videos outlawed, again, 262
An unwanted battle, 401
Food safety problem-solving method to be explored with grant, 553
Proposal to schedule propofol draws reactions, 825
Texas video shows improper calf treatment, 1389
Missouri alters terms of initiative on dog breeding, 1545

Academy of Rural Veterinarians (ARV)
Some incomes rise, but others fall, 669

Academy of Veterinary Dental Technicians (AVDT)
Veterinary Dental Forum, 144
February is pet dental health month, 267

Academy of Veterinary Dentistry (AVD)
Veterinary Dental Forum, 144
February is pet dental health month, 267

Accreditation
Education council schedules site visits, 17
Foreign travel allowed for accreditation evaluators, 133
Comment period extended for report on future of vet education, 678
Focused efforts for growing duties, 660
2 schools receive AVMA COE approval, 828
Mexican school joins an elite group, 958
AVMA launching animal welfare newsletter, 962
AVMA president-elect candidates make their case [DG Aspros and GS Brown], 1221
Views on NAVMEC draft report shared, 1227
Atmosphere at veterinary schools being probed, 1231
Organization to accredit public health departments, 1383
Structure leads to progress in China, 1384
House to consider accreditation of foreign schools, 1524
Vet tech programs nearing 200, 1528
St George’s inching closer to accreditation, 1532
AAHA co-hosts historic conference with Canadian colleagues, 1539

Accord Consulting
Measuring and applying welfare, 1088

ACVO/Merial National Service Dog Eye Exam Event
Free eye exams available to service animals, 549

Adobe Animal Hospital
Stem cells in theory and practice, 396

Adoption
Cities banning retail sale of dogs, cats, 548
Auxiliary promotes pet adoption for National Pet Week, 964

Adverse Drug Reactions
Qualitest recalls tablets mislabeled as phenobarbital, 961
FDA warns of xylitol dangers to dogs, ferrets, 964
Groups issue warnings on improper vaccine use, 1531

Advisory Committee on Animal Health
Nine veterinarians to aid USDA on animal health issues, 264

Advocacy
Influencing and becoming policy leaders, 137

Aetna
GHLIT changes PPO, promotion of pet insurance [AVMA GHLIT], 544

Afghan Hounds
Study examines causes of death in dogs, 1523

Africa
Project: veterinary supplies, 20
Research reduces guesswork of ape transfusions, 410

AHA Animal Health and Research Institute
Olson to lead new AHA welfare initiative, 970

Airedales
Stem cells in theory and practice, 396

Alabama
Come in and have a seat, 261
Kroger recalls pet foods for aflatoxin risk, 267
Speaker: morality trumps science in debate, 1220
Not over the rainbow yet, 1232
Tornado relief efforts spill into flood response, 1530

Alamo Pintado Equine Medical Center
Stem cells in theory and practice, 396

Alliance for Marine and Mammal Parks and Aquaria (AMMPA)
Representing the profession at home and globally, 137

Alternative Models
A ‘model’ of curriculum integration, 1084

American Animal Hospital Association (AAHA)
AVMA endorses guidance for vets suspecting animal abuse, 136
Proposal to schedule propofol draws reactions, 825
Association develops global guidelines for pet nutrition, 1093
Revenue growth can’t hide ‘alarming’ decline in client visits, 1368
AAHA co-hosts historic conference with Canadian colleagues, 1539
Ignoring compassion fatigue can be bad for business, 1541
Awards: Melissa L Berning, 1547
Awards: Norwalk Veterinary Medical Center, 1547
Awards: Olathe Animal Hospital, 1547
Awards: PAWS Integrative Veterinary Center, 1547
Awards: Upstate Veterinary Specialists, 1547

American Association for the Advancement of Science (AAAS)
Deadline for AVMA fellowship approaching, 266

American Association of Avian Pathologists (AAAP)
House to consider accreditation of foreign schools, 1524

American Association of Avian Scientists (AAAS)
AAAS/AAAP co-hosts conference, 961
American Association of Bovine Practitioners (AABP)
Some incomes rise, but others fall, 669
Texas video shows improper calf treatment, 1389

American Association of Equine Practitioners (AAEP)
Board acts on welfare-related proposals, 141
Horse (veterinarian) roundup, 400
An unwanted battle, 401
A modern-day cowboy, 402
Postmortem given on equine piromelasia, 405
Clinical practitioners keep abreast of research, 407
Dr Carrie J Finno, 414
Dr Charles W Raker, 414
Dr Foster H Northrup, 414
Dr Jerry B Black, 414
Society for the Protection of Animals Abroad, 414
Racetrack surfaces just one factor in horse racing fatalities, 550
Some incomes rise, but others fall, 669
From the racetrack to retirement, 835
Renewed focus on race-day medications, 1543

American Association of Extension Veterinarians (AAEV)
American Association of Extension Veterinarians, 415

American Association of Feline Practitioners (AAFP)
Revenue growth can’t hide ‘alarming’ decline in client visits, 1368
Research initiatives focus on animal health, human-animal bond, 1376

American Association of Retired Veterinarians (AARV)
Seniors association wants to recruit, increase representation, 1096

American Association of Senior Veterinarians (AASrV)
Seniors association wants to recruit, increase representation, 1096

American Association of Swine Veterinarians (AASV)
Sealing the barn - veterinarians work to control air around swine, 1087
Measuring and applying welfare, 1088
PRRS lawsuit could affect practices, 1088
AASV president to encourage member participation, 1089
Dr Alejandro Ramirez, 1097
Dr Alexander E Primus, 1097
Dr Amy L Vincent, 1097
Dr Dale D Polson, 1097
Dr Jeremy S Pittman, 1097
Dr John E Baker, 1097
Dr Marlin J Hoogland, 1097
Dr Warren D Wilson, 1097
Speaker: morality trumps science in debate, 1220

American Association of Veterinary Clinicians (AAVC)
Study to consider internship value, 1374

American Association of Veterinary Immunologists (AAVI)
Animal disease researchers honored, 683

American Association of Veterinary Parasitologists (AAVP)
Animal disease researchers honored, 683

American Association of Veterinary State Boards (AAVSB)
House to consider accreditation of foreign schools, 1524

American Association of Zoo Veterinarians (AAZV)
American Association of Zoo Veterinarians, 971

American Bar Association (ABA)
Veterinarians exempt from Red Flags Rule, 263

American College of Laboratory Animal Medicine (ACLAM)
Proposal to schedule propofol draws reactions, 825

American College of Veterinary Anesthesiologists (ACVA)
Proposal to schedule propofol draws reactions, 825

American College of Veterinary Emergency and Critical Care (ACVECC)
University of Minnesota launches Animal Trauma Center, 967

American College of Veterinary Internal Medicine (ACVIM)
Research, recognition, and relationships, 836
ACVIM publishes resource on leptospirosis, 1382

American College of Veterinary Microbiologists (ACVM)
Animal disease researchers honored, 683
American College of Veterinary Microbiologists, 971
Parasitology specialty gets provisional recognition, 1377

American College of Veterinary Ophthalmologists (ACVO)
Free eye exams available to service animals, 549

American College of Veterinary Pathologists (ACVP)
Joint pathology meeting, 556

American College of Veterinary Surgeons (ACVS)
American College of Veterinary Surgeons, 22

American Heartworm Society (AHS)
Report addresses efficacy of heartworm preventives, 266
Research, recognition, and relationships, 836

American Horse Slaughter Prevention Act
An unwanted battle, 401

American Humane Association (AHA)
AVMA endorses guidance for vets suspecting animal abuse, 136
Olson to lead new AHA welfare initiative, 970
AVMA, AVMF join search for America’s hero dogs, 1085
Japan’s animal relief operations face considerable challenges, 1233
Initiative, legislation compete to set hen housing standards, 1389
Tornado relief efforts spill into flood response, 1530

American Medical Association (AMA)
Research, recognition, and relationships, 836
SAVMA heading in a new direction, 1225
Not over the rainbow yet, 1232

American Pet Products Association (APPA)
Research initiatives focus on animal health, human-animal bond, 1376

American Recovery and Reinvestment Act
Will veterinary education hit a tipping point?, 256

American Regent
American Regent recalls sodium bicarbonate, dexamethasone, 267
American Regent recalls sodium chloride injection, 970

American Registry of Pathology
Board appoints representatives to committee, as liaisons, 141

American Society for Veterinary Medical Association Executives (ASVMAE)
Student committee, leadership activities get AVMA support, 1375

American Veterinary Dental College (AVDC)
Veterinary Dental Forum, 144
February is pet dental health month, 267

American Veterinary Dental Society (AVDS)
Veterinary Dental Forum, 144
February is pet dental health month, 267

American Veterinary Distributors Association (AVDA)
Proposal to schedule propofol draws reactions, 825

American Veterinary Medical Association (AVMA)
AVMA asks members for input on strategic goals, 262
Nine veterinarians to aid USDA on animal health issues, 264
AVMA provides updates on state legislation, 265
Deadline for AVMA fellowship approaching, 266
February is pet dental health month, 267
AVMA, European federation collaborate, 672
Profession's global leaders converge on Paris, 672
World community ready to aid Japan's animal relief efforts, 961
AVMA, AVMF join search for America's hero dogs, 1085
AVMA gives guidance on DEA, controlled substances, 1090
Veterinary public health, tax elimination bills back before Congress, 1090
Panelists needed to recommend repayment recipients, 1096
AVMA president-elect candidates make their case [DG Aspros and GS Brown], 1221
Atmosphere at veterinary schools being probed, 1231
20/20 foresight, 1372
AVMA, AVMF exploring project on Sioux reservation, 1376
Research initiatives focus on animal health, human-animal bond, 1376
Structure leads to progress in China, 1384
Tornado relief efforts spill into flood response, 1530
AAHA co-hosts historic conference with Canadian colleagues, 1539
American Veterinary Medical Foundation (AVMF)
Auxiliary considers leaving loan business, 142
AVMF makes disaster preparedness possible, 412
AVMF seeks new scholarship, disaster training applications, 413
Volunteers sought for AVMF committees, 827
World community ready to aid Japan's animal relief efforts, 961
AVMA, AVMF join search for America's hero dogs, 1085
AVMF announces Pfizer scholarship recipients, 1086
Student committee, leadership activities get AVMA support, 1375
AVMA, AVMF exploring project on Sioux reservation, 1376
Research initiatives focus on animal health, human-animal bond, 1376
Policy changes clarify veterinarians' roles, responsibilities, 1379
Organizations encouraged to apply for AVMF grants, 1382
AVMF continues to strengthen impact, 1529
Tornado relief efforts spill into flood response, 1530
Analytic & Diagnostic Techniques
Captive elephant welfare study under way, 270
Researchers map sites of early FMD infection, 270
Tactics analyzed in fighting remaining brucellosis infections, 271
Postmortem given on equine piroplasmosis, 405
Focused efforts for growing duties, 680
Parham named new APHIS administrator, 1091
Audit outlines Horse Protection Program deficiencies, 143
Animal Welfare Act
Policy changes clarify veterinarians' roles, responsibilities, 139
Audit outlines Horse Protection Program deficiencies, 143
AVMA seeks new scholarship, disaster training applications, 413
Research initiatives focus on animal health, human-animal bond, 1376
Policy changes clarify veterinarians' roles, responsibilities, 1379
Groups debate who should perform reproductive services, 1216
Anesthesiology
Proposal to schedule propofol draws reactions, 825
Animal Agriculture Alliance (AAA)
States could ban undercover filming of animal agriculture, 1092
Animal Crush Video Prohibition Act
Crush videos outlawed, again, 262
Animal Disaster Relief and Response Fund
AVMF makes disaster preparedness possible, 412
Animal Drug User Fee Act
Senate's lone veterinarian to retire, 966
Animal Health
Influencing and becoming policy leaders, 137
Nine veterinarians to aid USDA on animal health issues, 264
AVMF seeking scholarship, disaster training applications, 413
6 factors in declining veterinary visits, 538
A vision for the AVMA in 2020, 1373
Research initiatives focus on animal health, human-animal bond, 1376
House to consider accreditation of foreign schools, 1524
Tornado relief efforts spill into flood response, 1530
Texas A&M obtains historical veterinary books, 1531
Missouri alters terms of initiative on dog breeding, 1545
Animal Health Institute (AHI)
Data show volume of antimicrobials sold, 273
Animal Health Network
Research initiatives focus on animal health, human-animal bond, 1376
Animal Humane New Mexico
Cities banning retail sale of dogs, cats, 548
Animal Legal Defense Fund
After more than a decade, has pet guardianship changed anything?, 821
Animal Medical Center
Research, recognition, and relationships, 836
Dr Roger Avery Bennett, Jr, 971
Animal Planet
AAHA co-hosts historic conference with Canadian colleagues, 1539
Animal Rights
Captive elephant welfare study under way, 270
Speaker: morality trumps science in debate, 1220
Texas video shows improper calf treatment, 1389
Animal Socialization
Policy changes clarify veterinarians' roles, responsibilities, 139
Animal Transport
Policy changes clarify veterinarians' roles, responsibilities, 139
Audit outlines Horse Protection Program deficiencies, 143
Animal Trauma Center
University of Minnesota launches Animal Trauma Center, 967
Animal Welfare
Veterinarian's Oath revised to emphasize animal welfare commitment, 15
Shelter vets aim to raise level of care for millions of animals, 130
Board greenlights plans for future leaders program, collaboration with FDA on drug policies, 133
Board acts on welfare-related proposals, 141
Audit outlines Horse Protection Program deficiencies, 143
AVMA asks members for input on strategic goals, 262
Crush videos outlawed, again, 262
Captive elephant welfare study under way, 270
Horse (veterinarian) roundup, 400
An unwanted battle, 401
After more than a decade, has pet guardianship changed anything?, 821
Miller joins AVMA Washington office, 827
From the racetrack to retirement, 835
World community ready to aid Japan's animal relief efforts, 961
Olson to lead new AHA welfare initiative, 970
Measuring and applying welfare, 1088
Speaker: morality trumps science in debate, 1220
AVMA president-elect candidates make their case [DG Aspros and GS Brown], 1221
Japan's animal relief operations face considerable challenges, 1233
A vision for the AVMA in 2020, 1373
Initiative, legislation compete to set hen housing standards, 1389
Texas video shows improper calf treatment, 1389
House to consider accreditation of foreign schools, 1524
Tornado relief efforts spill into flood response, 1530
Missouri alters terms of initiative on dog breeding, 1545
Animal Welfare Act
Parham named new APHIS administrator, 1091
Animal Welfare Focus
AVMA launching animal welfare newsletter, 962
Anniversaries
Introducing "Legends in Veterinary Medicine," 11
Profession's global leaders converge on Paris, 672
Antimicrobial Resistance
Data show volume of antimicrobials sold, 273
Drug resistance monitoring to be adapted by 2015, 547
Antimicrobials
AVMA sees measured success in 111th Congress, 16
Cloned lysins could be used as antimicrobials, 22
AVMA supports antimicrobial development project, 133
Board greenlights plans for future leaders program, collaboration with FDA on drug policies, 133
AVMA forms committee, seeks nominees to collaborate with FDA, 134
Data show volume of antimicrobials sold, 273
Mexican school joins an elite group, 958
AVMA delegates say yes to dues increase, no to open voting, 541
Will veterinary education hit a tipping point?, 256
Comments welcome during NAVMEC webinars, 142
Comments invited on NAVMEC draft report, 19
Association of American Veterinary Medical Colleges (AAVMC)
Not over the rainbow yet, 1232
Association of American Medical Colleges (AAMC)
Association for Veterinary Epidemiology and Preventive Medicine
Policy changes clarify veterinarians' roles, responsibilities, 1379
Free eye exams available to service animals, 549
Assistance Animals
Research reduces guesswork of ape transfusions, 410
Asia
Some incomes rise, but others fall, 669
Arthritis
Stem cells in theory and practice, 396
Artificial Insemination
Broad exclusions leave husbandry undefined, 1219
Artwork
Auxiliary holding poster, writing contests, 142
Auxiliary to the American Veterinary Medical Association
Auxiliary considers leaving loan business, 142
Auxiliary holding poster, writing contests, 142
Auxiliary promotes pet adoption for National Pet Week, 964
AVCP Veterinary Internship and Residency Matching Program
Study to consider internship value, 1374
Avermectin
Report addresses efficacy of heartworm preventives, 266
Avian Influenza
Turkeys slaughtered, depopulated due to avian flu, 1388
AVMA American Board of Veterinary Specialties (ABVS)
Parasitology specialty gets provisional recognition, 1377
Delegates to deliberate on Veterinarian's Oath, 1526
AVMA Animal Agriculture Liaison Committee (AALC)
AVMA councils and committees renewed, 141
AVMA Animal Welfare Committee (AWC)
Veterinarian's Oath revised to emphasize animal welfare commitment, 1546
AVMA launching animal welfare newsletter, 962
AVMA, AVMF exploring project on Sioux reservation, 1376
Groups working to identify best euthanasia, slaughter methods, 1377
Board appoints representatives to committees, councils, liaison posts, 1381
AVMA Animal Welfare Division
Shelter vets aim to raise level of care for millions of animals, 130
AVMA launching animal welfare newsletter, 962
AVMA Annual Convention
Bonjour, AVMA delegates!, 543
AVMA to discontinue online CE program, 1378
Annual meeting of voting members slated, 1529

AVMA Answers
AVMA Answers: President’s platform [LM Kornegay], 963

AVMA Antimicrobial Use Task Force
AVMA forms committee, seeks nominees to collaborate with FDA, 134

AVMA Answers: President's platform [LM Kornegay], 963

AVMA Strategic Planning Task Force
AVMA seeks input on strategic goals, 138
AVMA asks members for input on strategic goals, 262

AVMA Task Force on AVMA Programs for Students and Recent Graduates
AVMA to roll out trial leadership program, 140

AVMA Task Force on the Legal Status of Animals
After more than a decade, has pet guardianship changed anything?, 821

AVMA Task Force on Veterinary Internships
Study to consider internship value, 1374

AVMA Training in Foreign and Emerging Animal Disease
Policy changes clarify veterinarians' roles, responsibilities, 139

AVMA US Pet Ownership and Demographics Sourcebook
6 factors in declining veterinary visits, 538
AVMA Veterinary Leadership Conference Planning Committee (VLCPC)
Board appoints representatives to committee, as liaisons, 141

AVMA Veterinary Leadership Conference (VLC)
Board appoints representatives to committee, as liaisons, 141
AVMA delegates say yes to dues increase, no to open voting, 541

AVMA Veterinary Leadership Experience (VLE)
AVMA delegates say yes to dues increase, no to open voting, 541
Student committee, leadership activities get AVMA support, 1375

AVMA Veterinary Medical Assistance Teams (VMATs)
Expert panel to address radiologic impact on animals near Japan nuclear plant, 1386
Tornado relief efforts spills into flood response, 1530

AVMA 20/20 Vision Commission
AVMA president-elect candidates make their case [DG Aspros and GS Brown], 1221
20/20 foresight, 1372

AVMA Website
Proposal to schedule propofol draws reactions, 825
Texas video shows improper calf treatment, 1399

AVMF Animal Disaster Relief and Response Fund
AVMF makes disaster preparedness possible, 412
Organizations encouraged to apply for AVMF grants, 1382

AVMF Disaster Veterinary Animal Care Reimbursement Program
Tornado relief efforts spills into flood response, 1530

AVMF Disaster Veterinary Practice Relief Program
AVMF makes disaster preparedness possible, 412
Tornado relief efforts spills into flood response, 1530

Awards
American College of Veterinary Surgeons, 22
Kentucky VMA, 23
Wisconsin VMA, 24
Veterinary Dental Forum, 144
Dr Carrie J Finno, 414
Dr Charles W Raker, 414
Dr Foster H Northrup, 414
Dr James T “Skip” Prichard, 414
Dr Jerry B Black, 414
Dr Scott E Palmer, 414
Society for the Protection of Animals Abroad, 414
American Association of Extension Veterinarians, 415
Georgia VMA, 415
Awards nods sought for influential veterinarians, 555
Joint pathology meeting, 556
Animal disease researchers honored, 683
Emily Marcus, 685
Missouri VMA, 685
Research, recognition, and relationships, 836
Michigan Veterinary Conference, 837
World Veterinary Day to focus on rabies prevention, 967
American Association of Zoo Veterinarians, 971
AVMA, AVMF join search for America’s hero dogs, 1085
AVMF announces Pfizer scholarship recipients, 1086
Dr Alejandro Ramirez, 1097
Dr Alexander E Primus, 1097
Dr Amy L Vincent, 1097
Dr Dale D Polson, 1097
Dr Jeremy S Pittman, 1097
Dr John E Baker, 1097
Dr Marlin J Hoogland, 1097
Dr Warren D Wilson, 1097
Oregon VMA, 1097
Dr John U Thomson, 1235
Dr Richard L Meadows, 1235
Veterinary conference draws 15,000, 1236
Under bronze wings, 1390
Dr Gwendolyn Light Carroll, 1391
Dr Ron E Banks, 1391
Dr Steven R Hansen, 1391

Dr Jack J Broadhurst, 1393
Dr Walter C Robinson, III, 1393
American Animal Hospital Association, 1547
University of Missouri, 1547

Babesia spp
Postmortem given on equine piroplasmosis, 405

Bacteriology
Cloned lysins could be used as antimicrobials, 22
Approval for animals, use in humans?, 551
Exacting researcher brought profession into modern age, 1094

Baker’s
Kroger recalls pet foods for aflatoxin risk, 267

Banfield Pet Hospitals
Mexican school joins an elite group, 958
Banfield reports on state of pet health, 1521

Banfield Pet Hospitals State of Pet Health 2011 Report
Banfield reports on state of pet health, 1521

Bangladesh
H5N1 avian influenza, other strains still pose threats, 1546

Bats
Rabies variant absent as Arizona’s infections decline, 552
Research in motion, 1080

Bayer Animal Health
6 factors in declining veterinary visits, 538
Research, recognition, and relationships, 836
Product innovation center forming in Kansas City area, 970
Revenue growth can’t hide ‘alarming’ decline in client visits, 1368

Bayer Veterinary Care Usage Study
6 factors in declining veterinary visits, 538
Revenue growth can’t hide ‘alarming’ decline in client visits, 1368

Beef Cattle
Food safety problem-solving method to be explored with grant, 553
Millions go toward cattle disease, feed intake research, 1546

Beef Checkoff Program
Approval for animals, use in humans?, 551

Behavior
Captive elephant welfare study under way, 270
Measuring and applying welfare, 1088

Best Friends Animal Society
Cities banning retail sale of dogs, cats, 548

Beta-lactam Antimicrobials
Regulators to test milk for drug residues, 682

Biography
Introducing “Legends in Veterinary Medicine,” 11
Pasture’s veterinary disciple pioneered the field of bacteriology, 268
Father of veterinary medicine in Australia, 546
Canada’s practical educator, 830
Exacting researcher brought profession into modern age, 1094
Britain’s first woman veterinarian, 1387
Bioniche Life Sciences
Approval for animals, use in humans?, 551

Biosecurity
AVMA delegates say yes to dues increase, no to open voting, 541
Scrapie transmitted through aerosols, 679
Sealing the barn - veterinarians work to control air around swine, 1087
AVMA gives guidance on DEA, controlled substances, 1090
Veterinary public health, tax elimination bills back before Congress, 1090
Millions go toward cattle disease, feed intake research, 1546

BioWatch
AVMA delegates say yes to dues increase, no to open voting, 541

Birds
Mass bird deaths in Arkansas explained, 832

Bison
Tactics analyzed in fighting remaining brucellosis infections, 271

Blairs Ferry Pet Hospital
Proposal to schedule propofol draws reactions, 825

Blood
Research reduces guesswork of ape transfusions, 410

Blue Water Rallies
Veterinarian among victims of pirates, 1095

Boehringer Ingelheim Vetmedica
Product innovation center forming in Kansas City area, 970
AVMF continues to strengthen impact, 1529

Bone Marrow
Stem cells in theory and practice, 396

Bonobos
Research reduces guesswork of ape transfusions, 410

Borrelia burgdorferi
Group updates guidance on parasite control, 266

Bouvier des Flandres
Study examines causes of death in dogs, 1523

Bovine Respiratory Disease
Millions go toward cattle disease, feed intake research, 1546

Bovine Spongiform Encephalopathy (BSE)
An unwanted battle, 401

Bovine Tuberculosis
Exacting researcher brought profession into modern age, 1094

Boxer Dogs
Study examines causes of death in dogs, 1523

Brakke Consulting
Veterinary postgraduate program in development, 17
6 factors in declining veterinary visits, 538

Brazil
NIH funds study of leishmaniasis in Brazil, 21

Breeders
Cities banning retail sale of dogs, cats, 548

Brucellosis
Tactics analyzed in fighting remaining brucellosis infections, 271
Focused efforts for growing duties, 680

Burros
Horse (veterinarian) roundup, 400
Government unveils new strategy for managing mustang populations, 965

California
Education council schedules site visits, 17
Come in and have a seat, 261
Stem cells in theory and practice, 396

Canine Lifetime Health Project
Research, recognition, and relationships, 836

CAPC General Guidelines for Parasite Prevention and Control
Group updates guidance on parasite control, 266

Captive Wildlife Safety Act
Senate’s lone veterinarian to retire, 966

Carcasses
AVMA decides against producing hazardous waste database, 1378
Policy changes clarify veterinarians’ roles, responsibilities, 1379

Calls for Comments
Comments invited on NAVMEC draft report, 19
AVMA seeks input on strategic goals, 138
Drug resistance monitoring to be adapted by 2015, 547
Comment period extended for report on future of vet education, 678
Comments sought on livestock slaughter petitions, 831
FDA extends comment period on unapproved animal drugs, 832

Calls for Nominations
AVMA invites nominations for trial leadership program, 292, 545
Awards nods sought for influential veterinarians, 555

Canada
Education council schedules site visits, 17
Stem cells in theory and practice, 396
An unwanted battle, 401
Approval for animals, use in humans?, 551
Veterinarians supported in their pursuit of research careers, 685
Canada’s practical educator, 830
Indiana reviving old committee for ongoing PRRS problem, 833

Capsaicin-related research to be explored with grant, 553

Calls for Proposals
UC-Davis to add poultry veterinarian to faculty, 969

California Horse Racing Board
Racetrack surfaces just one factor in horse racing fatalities, 550
Renewed focus on race-day medications, 1543

California Animal Health and Food Safety Laboratory System
Exotic Newcastle kills birds near California, 834

California Poultry Industry Federation (CPIF)
UC-Davis to add poultry veterinarian to faculty, 969

California Respiratory Disease
Millions go toward cattle disease, feed intake research, 1546

Canine Breeds
Study examines causes of death in dogs, 1523

Canine Distemper
Rabies variant absent as Arizona’s infections decline, 552

Canine Influenza Project
Research, recognition, and relationships, 836

Canine Lifetime Health Project
Research, recognition, and relationships, 836

CAPC General Guidelines for Parasite Prevention and Control
Group updates guidance on parasite control, 266

Captive Wildlife Safety Act
Senate’s lone veterinarian to retire, 966

Carcasses
AVMA decides against producing hazardous waste database, 1378
Policy changes clarify veterinarians’ roles, responsibilities, 1379

Calls for Proposals
UC-Davis to add poultry veterinarian to faculty, 969

Captive Wildlife Safety Act
Senate’s lone veterinarian to retire, 966

Carcasses
AVMA decides against producing hazardous waste database, 1378
Policy changes clarify veterinarians’ roles, responsibilities, 1379

Chiromerus
Exacting researcher brought profession into modern age, 1094
Compassion
Ignoring compassion fatigue can be bad for business, 1541

Competitions
Auxiliary promotes pet adoption for National Pet Week, 964
AVMA, AVMF join search for America’s hero dogs, 1085
Under bronze wings, 1390

Competitive Enzyme-linked Immunosorbent Assay (cELISA)
Postmortem given on equine piroplasmosis, 405

Compounding
FDA extends comment period on unapproved animal drugs, 832

Conference of Research Workers in Animal Diseases (CRWAD)
Animal disease researchers honored, 683

Congressional Budget Office
FDA given more authority over recalls, records, imports, 409

Conjunctivitis
Ban field reports on state of pet health, 1521

Connecticut
Cornell opens specialty clinic in Connecticut, 555
Delegates to deliberate on Veterinarian’s Oath, 1526

Conservation
Nine veterinarians to aid USDA on animal health issues, 264
Horse (veterinarian) roundup, 400
University partners with local fishermen in sea turtle conservation, 411
Research in motion, 1080

Contamination
Vetsulin to be completely unavailable, 679

Continuing Education
Veterinarians exempt from Red Flags Rule, 263
New Jersey granting CE credits for volunteer services, 265
Partnership forged between ISU, specialty practice, 554
AVMA to discontinue online CE program, 1378
Structure leads to progress in China, 1384

Controlled Substances
AVMA gives guidance on DEA, controlled substances, 1090

Controlled Substances Act
Proposal to schedule propofol draws reactions, 825
AVMA gives guidance on DEA, controlled substances, 1090

Coonhounds
Study examines causes of death in dogs, 1523

Cooperative State-Federal Brucellosis Eradication Program
Tactics analyzed in fighting remaining brucellosis infections, 271

Core Competencies
Comment period extended for report on future of vet education, 678
Views on NAVMEC draft report shared, 1227

Cornell University
Not over the rainbow yet, 1232

Cornell University College of Veterinary Medicine
Come in and have a seat, 261
Cornell opens specialty clinic in Connecticut, 555

Python spp
Board approves funding and legislative priorities, 138

Qualitest Pharmaceuticals
Qualitest recalls tablets mislabeled as phenobarbital, 961

Quarantine
Postmortem given on equine piroplasmosis, 405
Indiana reviving old committee for ongoing PRRS problem, 833
Exotic Newcastle kills birds near California, 834
Turkeys slaughtered, depopulated due to avian flu, 1388

Quarter Horses
Postmortem given on equine piroplasmosis, 405

Quebec
Veterinarians supported in their pursuit of research careers, 685

Rabies
Rabies variant absent as Arizona’s infections decline, 552
World Veterinary Day to focus on rabies prevention, 967
SAVMA heading in a new direction, 1225
Groups issue warnings on improper vaccine use, 1531

Racing
Board acts on welfare-related proposals, 141
Horse (veterinarian) roundup, 400
Postmortem given on equine piroplasmosis, 405
Clinical practitioners keep abreast of research, 407
Racetrack surfaces just one factor in horse racing fatalities, 550
From the racetrack to retirement, 835
Renewed focus on race-day medications, 1543

Racing Medication and Testing Consortium
Board acts on welfare-related proposals, 141
Renewed focus on race-day medications, 1543

Radar
Mass bird deaths in Arkansas explained, 832

Radiation
Expert panel to address radiologic impact on animals near Japan nuclear plant, 1386

Recalls
American Regent recalls sodium bicarbonate, dexamethasone, 267
Kroger recalls pet foods for aflatoxin risk, 267
FDA given more authority over recalls, records, imports, 409
Qualitest recalls tablets mislabeled as phenobarbital, 961
American Regent recalls sodium chloride injection, 970

Recruitment
Will veterinary education hit a tipping point?, 256
We’re all in this together, 1229

Recycling
Policy changes clarify veterinarians’ roles, responsibilities, 1379

Red Flag Program Clarification Act
Veterinarians exempt from Red Flags Rule, 263

Red Flags Rule
AVMA sees measured success in 111th Congress, 16
Veterinarians exempt from Red Flags Rule, 263
AVMA delegates say yes to dues increase, no to open voting, 541

Red-winged Blackbirds
Mass bird deaths in Arkansas explained, 832

Referrals
Revisions clarify unethical practice of fee-splitting, 135
Policy changes clarify veterinarians’ roles, responsibilities, 139
Partnership forged between ISU, specialty practice, 554
Cornell opens specialty clinic in Connecticut, 555

Registries
Research reduces guesswork of ape transfusions, 410

Regulations
AVMA forms committee, seeks nominees to collaborate with FDA, 134
Influencing and becoming policy leaders, 137
Tactics analyzed in fighting remaining brucellosis infections, 271
Stem cells in theory and practice, 396
FDA given more authority over recalls, records, imports, 409
Information about state rules available from AVMA, 409
University partners with local fishermen in sea turtle conservation, 411
Approval for animals, use in humans?, 551
Reconciling scope-of-practice disputes, 673
Focused efforts for growing duties, 680
Regulators to test milk for drug residues, 682
Comments sought on livestock slaughter petitions, 831
Indiana reviving old committee for ongoing PRRS problem, 833
USDA proposes catfish inspection, 833
Measuring and applying welfare, 1088
AVMA writes guidance on DEA, controlled substances, 1090
House bill requiring mandatory veterinary prescriptions garners AVMA opposition, 1370
AVMA decides against producing hazardous waste database, 1378
Policy changes clarify veterinarians’ roles, responsibilities, 1379
Renewed focus on race-day medications, 1543
Hawaii could require retailers to neuter dogs and cats, 1545
Missouri alters terms of initiative on dog breeding, 1545

Research
Animal disease researchers honored, 683
Research, recognition, and relationships, 836
Renewed focus on race-day medications, 1543

Respiratory System
Researchers map sites of early FMD infection, 270
Banfield reports on state of pet health, 1521

Retirement
Oklahoma State dean to step down, 19

Retrospective Studies
Banfield reports on state of pet health, 1521

Revolution Parasite Control
Pfizer discontinuing ProMeris, 1542

Rhode Island
After more than a decade, has pet guardianship changed anything?, 821

Rinderpest
No rest between eradication campaigns, 21

Risk Analysis
Groups debate who should perform reproductive services, 1216

Roadmap for Veterinary Medical Education in the 21st Century
Comments welcome during NAVMEC webinars, 142

Robert Wood Johnson Foundation
Organization to accredit public health departments, 1383

Rosebud Reservation
AVMA, AVMF exploring project on Sioux reservation, 1376

Index to Subjects

**Abomasum**
Lymphoma of the abomasum in a cow [MW Campbell et al], 47
Use of decision analysis to evaluate the delivery method of veterinary health care on dairy farms as measured by correction of left displaced abomasum [DW Remsburg et al], 60
Ultrasonographic appearance of lymphomatous infiltration of the abomasum in cows with lymphoma [S Buczinski et al], 1044

**Abortion**
Evaluation of the safety of vaccinating mares against equine viral arteritis during mid or late gestation or during the immediate postpartum period [CC Broaddus et al], 741

**About the Cover**
Claude Bourgelat, by François Pigeot, 1
Tempted, by Anni Crouter-Boggs, 123
Dolphin Paradise, by Jeff Wilkie, 249
Best Friends, by Margaret Rice, 387
Timber Rattlesnake–Yellow Phase, by Judy Schrader, 529
An American Kestrel, by Dr Ray Belding, 659
Holly, by Mary Aiwohi, 809
Tender Moments, by Len Jagoda, 947
A Lesson in Hippiatric Anatomy with Philippe-Etienne Lafosse, artist unknown (French School), 1065
Jake, by Evelyn Greathouse, 1209
The Shepherd of Brie, by Debbie Highbanks, 1361
Not in My Neighborhood, by Nancy Floras Adams, 1513

**Abscess**
Retrobulbar abscess secondary to endodontic disease in a rabbit with exophthalmos [JC Marrow et al], 427

**Abuse**
The veterinarian's role in animal cruelty cases [MA Benetato et al], 31

**Acanthamoeba spp**
Multisystemic infection with an Acanthamoeba sp in a dog [M Kent et al], 1476

**Adenocarcinoma**
Uterine adenocarcinoma in a rabbit [SJ Woodhouse et al], 289

**Adrenal Glands**
Cortisol and aldosterone response to various doses of cosyntropin in healthy cats [AE DeClue et al], 176
Hyperadrenocortical myopathy in a dog [LE Cisneros et al], 1247
Evaluation of twice-daily lower-dose trilostane treatment administered orally in dogs with naturally occurring hyperadrenocorticism [EC Feldman], 1441

**Adrenocorticotropic Hormone**
α-Melanocyte-stimulating hormone and adrenocorticotropic concentrations in response to thyrotropin-releasing hormone and comparison with adrenocorticotropic concentration after domperidone administration in healthy horses and horses with pituitary pars intermedia dysfunction [J Beech et al], 1305

**Aggression**
Interdog household aggression: 38 cases (2006–2007) [KM Wrubel et al], 731

**Ahmed**
Long-term evaluation of the use of Ahmed gonioimplants in dogs with primary glaucoma: nine cases (2000–2008) [HD Westermeyer et al], 610

**AJVR Table of Contents**
228, 512, 788, 1048, 1340, 1640

**Aldosterone**
Cortisol and aldosterone response to various doses of cosyntropin in healthy cats [AE DeClue et al], 176

**Alpacas**
First-degree atrioventricular block, sinus tachycardia, and electrical alternans associated with pericardial effusion in an alpaca cria [BG Stewart et al], 572

**α-Melanocyte-stimulating Hormone**
α-Melanocyte-stimulating hormone and adrenocorticotropic concentrations in response to thyrotropin-releasing hormone and comparison with adrenocorticotropic concentration after domperidone administration in healthy horses and horses with pituitary pars intermedia dysfunction [J Beech et al], 1305

**Ameloblastoma**
Clinicopathologic characterization of odontogenic tumors and focal fibrous hyperplasia in dogs: 152 cases (1995–2005) [N Fiani et al], 495

**American Association of Bovine Practitioners (AABP)**
Analogesic drug administration and attitudes about analogesia in cattle among bovine practitioners in the United States [VR Fajt et al], 755

**Amoebae**
Multisystemic infection with an Acanthamoeba sp in a dog [M Kent et al], 1476

**Analgies**
Evaluation of the analgesic effects of oral and subcutaneous tramadol administration in red-eared slider turtles [BB Baker et al], 220
Efficacy of oral transmucosal and intravenous administration of buprenorphine before surgery for postoperative analgesia in dogs undergoing ovari hysterectomy [JC Ko et al], 318
Continuous peripheral neural blockade to alleviate signs of experimentally induced severe forelimb pain in horses [AE Watts et al], 1032
Effect of cold compression therapy on postoperative pain, swelling, range of motion, and lameness after tibial plateau leveling osteotomy in dogs [KA Drygas et al], 1284
Evaluation of analgesia provided by epidural administration of bupivacaine for hind limb orthopedic procedures in dogs [SL Shaver et al], 1410
Evaluation of sedation and analgesia in standing horses after administration of xylazine, butorphanol, and subanesthetic doses of ketamine [AE Wagner et al], 1629

**Analytic & Diagnostic Techniques**
Identification of hypercoagulability in dogs with primary immune-mediated hemolytic anemia by means of thromboelastography [RK Fenty et al], 463
Spinal cord nephroblastoma in dogs: 11 cases (1985–2007) [DM Brewer et al], 618
Diagnosis of intraocular lymphosarcoma in a dog by use of a polymerase chain reaction assay for antigen receptor rearrangement [DO Pate et al], 625
Intra- and interobserver variability of board-certified veterinary radiologists and veterinary general practitioners for pulmonary nodule detection in standard and inverted display mode images of digital thoracic radiographs of dogs [DJ Reese et al], 998
Diagnostic accuracy of using erythrocyte indices and polychromasia to identify regenerative anemia in dogs [J Hodges et al], 1462
Serial use of serologic assays and fecal PCR assays to aid in identification of subclinical Lawsonia intracellularis infection for targeted treatment of Thoroughbred foals and weanlings [AE Page et al], 1482

**Anemia**
Identification of hypercoagulability in dogs with primary immune-mediated hemolytic anemia by means of thromboelastography [RK Fenty et al], 463
Diagnostic accuracy of using erythrocyte indices and polychromasia to identify regenerative anemia in dogs [J Hodges et al], 1462

**Anesthesiology**
Attral fibrillation induced by butorphanol in a ferret [C Rodriguez-Guarin et al], 43
Inadequate pressure in an anesthetic machine caused by a faulty reservoir bag [C Ricco et al], 577
Third-degree atrioventricular block in a dog [RI Winter et al], 854

42 Index JAVMA, Vol 238, No. 1-12, January-June, 2011
Inadequate pressure in an anesthetic machine caused by a faulty reservoir bag [C Riccò et al], 577
Third-degree atrioventricular block in a dog [RI Winter et al], 854
Postanesthetic poliomyelomalacia in a young Percheron [AL Hattel et al], 867
Evaluation of dexmedetomidine and ketamine in combination with opioids as injectable anesthesia for castration in dogs [M Barletta et al], 1159

Applications for Membership
101, 230, 363, 514, 641, 790, 927, 1050, 1191, 1342, 1497, 1642

Arrhythmias
Atrial fibrillation induced by butorphanol in a ferret [C Rodríguez-Guarin et al], 43
First-degree atrioventricular block, sinus tachycardia, and electrical alternans associated with pericardial effusion in an alpaca cria [BG Stewart et al], 572
Sick sinus syndrome in a dog [MCF Vailati et al], 850
Third-degree atrioventricular block in a dog [RI Winter et al], 854
Sinoventricular rhythm with paroxysmal supraventricular tachycardia caused by hyperkalemia in a cat [SM Johns et al], 982
Atrial fibrillation in a dog [SW Jung et al], 1258

Arthroplasty
Evaluation of femoral head and neck excision arthroplasty versus right total hip arthroplasty in dogs [SP Franklin et al], 440

Atria
Atrial fibrillation in a dog [SW Jung et al], 1258

Atrioventricular Block
First-degree atrioventricular block, sinus tachycardia, and electrical alternans associated with pericardial effusion in an alpaca cria [BG Stewart et al], 572

Avian Influenza
Assessment of avian influenza surveillance and reporting needs of stakeholders in Michigan, 2007 [NK Martell-Moran et al], 1570

B
Bacteria
Evaluation of the association between fecal excretion of Mycobacterium avium subsp paratuberculosis and detection in colostrum and on teat skin surfaces of dairy cows [P Pithua et al], 2011;238:94
Correction: 2011;238:1440
Assessment of exposure to Leptospira serovars in veterinary staff and dog owners in contact with infected dogs [R Barmettler et al], 183
Clostridial cardiac myonecrosis in a calf [TA Snider et al], 1119
Efficacy of oral administration of a modified-live Salmonella Dublin vaccine in calves [GG Habing et al], 1184
Tularemia in a feral cat [ST Spagnoll et al], 1271
Onset of diarrhea and pyrexia and time to detection of Salmonella enterica subsp enterica in feces in experimental studies of cattle, horses, goats, and sheep after infection per os [H Aceto et al], 1333
Proliferative ulcerative enteritis caused by Lawsonia intracellularis in a foal [AE Ellis et al], 1417
Update on Salmonella spp contamination of pet food, treats, and nutritional products and safe feeding recommendations [KS KuKanich], 1430
Serial use of serologic assays and fecal PCR assays to aid in identification of subclinical Lawsonia intracellularis infection for targeted treatment of Thoroughbred foals and weanlings [AE Page et al], 1482
Chronic histiocytic and neutrophilic dermatitis caused by Rhodococcus equi infection in a cat [EJ O’Neill et al], 1561

Bayer Animal Health
Executive summary of the Bayer veterinary care usage study [JO Volk et al], 1275

Beef Cattle
Associations between prebreeding serum micronutrient concentrations and pregnancy outcome in beef cows [LM Van De Weyer et al], 1323

Behavior
Sickness behaviors in response to unusual external events in healthy cats and cats with feline interstitial cystitis [JL Stella et al], 67
Interdog household aggression: 38 cases (2006–2007) [KM Wrubel et al], 731

Characteristics of compulsive tail chasing and associated risk factors in Bull Terriers [AA Moon-Faneli et al], 883
Behavioral differences between urban feeding groups of neutered and sexually intact free-roaming cats following a trap-neuter-return procedure [H Finkler et al], 1141

Bichon Frises
Postrabies vaccination panniculitis in a Bichon Frise crossbred dog [LA Corriuva et al], 1115

Birds
Histomoniasis in a flock of chickens [DL Brinson et al], 987
Radiographic reference limits for cardiac width in peregrine falcons (Falco peregrinus) [JT Lumeij et al], 1459

Blackleg
Clostridial cardiac myonecrosis in a calf [TA Snider et al], 1119

Blastomycosis
Retropertoneal pyogranulomatous and fibrosing inflammation secondary to fungal infections in two dogs [JM Clemens et al], 213

Blood Pressure
Evaluation of the effects of bovine hemoglobin glutamer-200 on systolic arterial blood pressure in hypotensive cats: 44 cases (1997–2008) [CE Wehausen et al], 909
Ocular lesions associated with systemic hypertension in dogs: 65 cases (2005–2007) [NL LeBlanc et al], 915

Boiler Vet Camp
Impact of the Purdue University School of Veterinary Medicine’s Boiler Vet Camp on participants’ knowledge of veterinary medicine [JE Weisman et al], 878

Bone Marrow
Systemic infection with Penicillium verruculosum in a dog [K Miyakawa et al], 51

Book Reviews: For Your Client’s Library
Heal Your Heart: Coping With the Loss of a Pet, by Karen Adele Litzinger [M Bain], 1590

Book Reviews: For Your Library
The Merck Veterinary Manual (10th ed), by Cynthia M Kahn [DD Nestor], 712
Atlas of Normal Radiographic Anatomy & Anatomic Variants in the Dog and Cat, by Donald E Thrail & Ian D Robertson [E Watson], 713
Diagnostic Radiology and Ultrasonography of the Dog and Cat (15th ed), by J Kevin Kealy, Hester McAllister, & John P Graham [KL Morrow], 713
Handbook of Small Animal MRI, by Ian Elliott & Geoff Skerritt [W Mai], 713
Advances in the Canine Cruciate Ligament, by Peter Muir [NJ Buote], 714
The Feline Patient (14th ed), by Gary D Norsworth, Sharon Fooshee Grace, Mitchell A Crystal, & Larry P Tilley [S Sanford], 714
Blackwell’s Five-Minute Veterinary Consult: Clinical Companion - Small Animal Toxicology (Blackwell’s Five Minute Veterinary Consult Series), by WS Ogsewer, Lynn R Hodva, Ahna G Bratlug, & Justine A Lee [SR Hansen], 715
Small Animal Neurology: An Illustrated Text, by André Jaggy [K Sessums], 715
Veterinary Entomology: Livestock and Companion Animals, by Ralph E Williams [DC Gerdon], 715
Behavior of Exotic Pets, by Valerie V Tynes [AU Luescher], 716
The Laboratory Xenopus spp, by Sherrill L Green [RA Wagner], 716
Zoonotic Infections in North American Rodents, by Dennis J Padovan [K Wasson], 716
Clinical Cases in Avian & Exotic Animal Hematology & Cytology, by Terry W Campbell & Krystian R Grant [KS Latimer], 717
Equine Ophthalmology (2nd ed), by Brian C Gilger [VK Cavens], 717
Exotic Animal Medicine for the Veterinary Technician (2nd ed), by Bonnie Ballard & Ryan Cheek [L Hess], 717
Career Choices for Veterinarians: Private Practice and Beyond (2nd ed), by Carin A Smith [PL Schmidt], 1585
Saunders Handbook of Veterinary Drugs: Small and Large Animal (3rd ed), by Mark G Papich [S Wagner], 1585
Toxoplasmosis of Animals and Humans (2nd ed), by J P Dubey [MR Lappin], 1585
Ophthalmic Disease in Veterinary Medicine (updated and revised), by Charles L Martin [A Knollinger], 1586
Veterinary Immunology: Principles and Practice, by Michael J Day & Ronald D Schultz [V Maldonado], 1586
Blackwell's Five-Minute Veterinary Consult - Clinical Companion: Small Animal Dermatology (Five Minute Veterinary Consult Series) (2nd ed), by Karen Helton Rhodes & Alexander H Werner [MNC Eisenschenk], 1587
Clinical Veterinary Advisor: Dogs and Cats (2nd ed), by Etienne Côté [CD Maloney], 1587
Small Animal Bandaging, Casting, and Splinting Techniques, by Stephen F Swaim, Walter C Renberg, & Kathy M Shike [JL Wardlaw], 1587
Adams & Stashak's Lameness in Horses (6th ed), by Gary M Baxter [LH Bassage, II], 1588
Blackwell's Five-Minute Veterinary Consult - Clinical Companion: Equine Theriogenology (Five Minute Veterinary Consult Series), by Carla L Carleton [JJ Dascanio], 1588
Avian Medicine and Surgery in Practice: Companion and Aviary Birds, by Bob Doneley [LV Powers], 1589
Laboratory Mouse: Procedural Techniques, by John J Bogdanske, Scott Hubbard-Van Stelle, Margaret Rankin Riley, & Beth M Schiffman [JL Wardlaw], 1589

Bull Terriers
Characteristics of compulsive tail chasing and associated risk factors in Bull Terriers [AA Moon-Fanelli et al], 883

Bupivacaine
Evaluation of analgesia provided by epidural administration of bupivacaine for hind limb orthopedic procedures in dogs [SL Shaver et al], 1410

Buprenorphine
Efficacy of oral transmucosal and intravenous administration of buprenorphine before surgery for postoperative analgesia in dogs undergoing ovariohysterectomy [JC Ko et al], 318

Business
A business case for diversity and inclusion: why it is important for veterinarians to embrace our changing communities [LM Kornegay], 1103

Butorphanol
Atrial fibrillation induced by butorphanol in a ferret [C Rodriguez-Guarin et al], 43
Evaluation of sedation and analgesia in standing horses after administration of xylazine, butorphanol, and subanesthetic doses of ketamine [AE Wagner et al], 1629

California
Zoonotic pathogens isolated from wild animals and environmental samples at two California wildlife hospitals [JL Siembieda et al], 773

Camelids
Evaluation of the effect of hetastarch and lactated Ringer's solution on plasma colloid osmotic pressure in healthy llamas [KR Carney et al], 768

Canine Distemper Virus
Enamel hypoplasia and dentigerous cyst in a dog following canine distemper virus infection [FF Boutoille et al], 1251

Carboplatin
Predictors of outcome in dogs treated with adjuvant carboplatin for appendicular osteosarcoma: 65 cases (1996–2006) [DE Saam et al], 195
Evaluation of factors associated with second remission in dogs with lymphoma undergoing retreatment with a cyclophosphamide, doxorubicin, vincristine, and prednisone chemotherapy protocol: 95 cases (2000–2007) [AB Flory et al], 501
Toxic effects and antitumor response of gemcitabine in combination with piroxicam treatment in dogs with transitional cell carcinoma of the urinary bladder [L Maconato et al], 1004

Carcinoma
Squamous cell carcinoma of the penis with multifocal metastasis to the regional lymph nodes, lungs, and heart in a horse [SD Cramer et al], 581

Cardiovascular System
Outcomes of cats undergoing surgical attenuation of congenital extrahepatic portosystemic shunts through cellophane banding: 9 cases (2000–2007) [J Cabassu et al], 89
Detection of innocent systolic murmurs by auscultation and their relation to hematologic and echocardiographic findings in clinically normal Whippets [VC Bavagems et al], 468
Predictors of outcome in dog with subcutaneous or intramuscular hemangiosarcoma [K-B Shiu et al], 472
First-degree atrioventricular block, sinus tachycardia, and electrical alternans associated with pericardial effusion in an alpaca cria [BG Stewart et al], 572
Sick sinus syndrome in a dog [MCF Vailati et al], 850
Third-degree atrioventricular block in a dog [RI Winter et al], 854
Medical treatment of a portosystemic shunt in a dog [SL Owens et al], 859
Evaluation of the effects of bovine hemoglobin glutamer-200 on systolic arterial blood pressure in hypotensive cats: 44 cases (1997–2008) [CE Wehausen et al], 909
Sinoventricular rhythm with paroxysmal supraventricular tachycardia caused by hyperkalemia in a cat [SM Johns et al], 982
Clostralid cardiac myonecrosis in a calf [TA Snider et al], 1119
Primary cardiac hemangiosarcoma in a dog [CJ Choate et al], 1407
Radiographic reference limits for cardiac width in peregrine falcons (Falco peregrinus) [JL Umej et al], 1459

Carcinoma
Squamous cell carcinoma of the penis with multifocal metastasis to the regional lymph nodes, lungs, and heart in a horse [SD Cramer et al], 581

Chemotherapy
Predictors of outcome in dogs treated with adjuvant carboplatin for appendicular osteosarcoma: 65 cases (1996–2006) [DE Saam et al], 195
Evaluation of factors associated with second remission in dogs with lymphoma undergoing retreatment with a cyclophosphamide, doxorubicin, vincristine, and prednisone chemotherapy protocol: 95 cases (2000–2007) [AB Flory et al], 501
Toxic effects and antitumor response of gemcitabine in combination with piroxicam treatment in dogs with transitional cell carcinoma of the urinary bladder [L Maconato et al], 1004

Classified Advertisements
105, 233, 367, 517, 643, 793, 929, 1053, 1193, 1347, 1499, 1644
Client Concerns
Analysis of solicitation of client concerns in companion animal practice [LMA Dysart et al], 1609

Clinical Pathology
Evaluation of the effect of hetastarch and lactated Ringer’s solution on plasma colloid osmotic pressure in healthy llamas [KR Carney et al], 768
Clinical and immunologic assessment of sepsis and the systemic inflammatory response syndrome in cats [AE DeClue et al], 890

Clostridium spp
Clostridial cardiac myonecrosis in a calf [TA Snider et al], 1119

Coagulation
Treatment and predictors of outcome in dogs with immune-mediated thrombocytopenia [SK O’Marra et al], 346
Identification of hypercoagulability in dogs with primary immune-mediated hemolytic anemia by means of thromboelastography [RK Fenty et al], 463

Coelomitis
Parasitic coelomitis, hepatitis, and enteritis in a largemouth bass [CG Lamm et al], 703

Cold Compression Therapy
Effect of cold compression therapy on postoperative pain, swelling, range of motion, and lameness after tibial plateau leveling osteotomy in dogs [KA Drygas et al], 1284

Colon
Use of a duodenal serosal patch in the repair of a colon rupture in a female Solomon Island eclectus parrot [JA Briscoe et al], 922

Colorado
Trends in intake and outcome data for animal shelters in Colorado, 2000 to 2007 [KN Morris et al], 329

Colostrum
Evaluation of the association between fecal excretion of Mycobacterium avium subsp paratuberculosis and detection in colostrum and on teat skin surfaces of dairy cows [P Pithua et al], 2011;238:94
Correction: 2011;238:1440

Commentary
The veterinarian’s role in animal cruelty cases [MA Benetato et al], 31
Elements of and factors important in veterinary hospice [CL Johnson et al], 148
A business case for diversity and inclusion: why it is important for veterinarians to embrace our changing communities [LM Kornegay], 1103
Ethical considerations raised by the provision of freebies to veterinary students [M Dally], 1551

Communication
Analysis of solicitation of client concerns in companion animal practice [LMA Dysart et al], 1609

Companion Animals
Elements of and factors important in veterinary hospice [CL Johnson et al], 148
Assessment of exposure to Leptospira serovars in veterinary staff and dog owners in contact with infected dogs [R Barmettler et al], 183
Update on Salmonella spp contamination of pet food, treats, and nutritional products and safe feeding recommendations [KS KuKanich], 1430
Analysis of solicitation of client concerns in companion animal practice [LMA Dysart et al], 1609

Compensation
Ethical considerations raised by the provision of freebies to veterinary students [M Dally], 1551

Complications
Comparison of surgical variables and short-term postoperative complications in healthy dogs undergoing ovariohysterectomy or ovarioctomy [ME Peeters et al], 189

Computed Tomography
Intervertebral disk herniation in the tail of a dog [EY Akin et al], 163
Congenital diaphragmatic hernia with adipose tissue in a 7-year-old cat [F Liste et al], 569
Mediastinal cyst in a dog [KS Aulakh et al], 699
Intraobserver, interobserver, and intermethod agreement for results of myelography, computed tomography-myelography, and low-field magnetic resonance imaging in dogs with disk-associated wobbler syndrome [S De Decker et al], 1601

Corrections
Comparison of complications and long-term survival rates following hand-sewn versus stapled side-to-side jejunocecytostomy in horses with colic [DE Freeman et al], 2010;237:1060
Correction: 2011;238:65
Effect of acepromazine, hydromorphone, or an acepromazine-hydromorphone combination on the degree of sedation in clinically normal dogs [EH Hofmeister et al], 2010;237:1155
Correction: 2010;238:182
Effect of ammonium chloride supplementation on urine pH and urinary fractional excretion of electrolytes in goats [V Mavangira et al], 2010;237:1299
Correction: 2011;238:317
Evaluation of the association between fecal excretion of Mycobacterium avium subsp paratuberculosis and detection in colostrum and on teat surfaces of dairy cows [P Pithua et al], 2011;238:94
Correction: 2011;238:1440

Cortisol
Cortisol and aldosterone response to various doses of cosyntropin in healthy cats [AE DeClue et al], 176

Cosyntropin
Cortisol and aldosterone response to various doses of cosyntropin in healthy cats [AE DeClue et al], 176

Cruelty
The veterinarian’s role in animal cruelty cases [MA Benetato et al], 31

Cyclophosphamide
Evaluation of factors associated with second remission in dogs with lymphoma undergoing retreatment with a cyclophosphamide, doxorubicin, vincristine, and prednisone chemotherapy protocol: 95 cases (2000–2007) [AB Fiori et al], 501

Cystitis
Sickness behaviors in response to unusual external events in healthy cats and cats with feline interstitial cystitis [JL Stella et al], 67

Cysts
Soft palate cyst in a newborn foal [DM Wong et al], 157
Squamous cell carcinoma of the gingiva mimicking dentigerous cyst in a dog [A Fulton et al], 435
Mediastinal cyst in a dog [KS Aulakh et al], 699
Surgical removal of an anal cyst caused by a protozoan parasite (Thelohanellus kitauei) from a koi (Cyprinus carpio) [SP Shin et al], 784

Dairy Cattle
Evaluation of the association between fecal excretion of Mycobacterium avium subsp paratuberculosis and detection in colostrum and on teat skin surfaces of dairy cows [P Pithua et al], 2011;238:94
Correction: 2011;238:1440
Use of decision analysis to evaluate the delivery method of veterinary health care on dairy farms as measured by correction of left displaced abomasum [DW Remsburg et al], 60

Decision Analysis
Use of decision analysis to evaluate the delivery method of veterinary health care on dairy farms as measured by correction of left displaced abomasum [DW Remsburg et al], 60

Demographics
Demographic differences between urban feeding groups of neutered and sexually intact free-roaming cats following a trap-neuter-return procedure [I Gunther et al], 1134
Clinicopathologic characterization of odontogenic tumors and focal Squamous cell carcinoma of the gingiva mimicking dentigerous cyst in a dog [A Fulton et al], 435

Enamel hypoplasia and dentigerous cyst in a dog following canine distemper virus infection [FF Bouteille et al], 1251

Dentistry
Squamous cell carcinoma of the gingiva mimicking dentigerous cyst in a dog [A Fulton et al], 435
Association of periodontal disease with systemic health indices in dogs and the systemic response to treatment of periodontal disease [JE Rawlinson et al], 601
Enamel hypoplasia and dentigerous cyst in a dog following canine distemper virus infection [FF Bouteille et al], 1251

Dermatitidis
Atypical cutaneous mycobacteriosis following a bite wound in a cat [VB Wilson et al], 171
Ulcerative dermatitis and necrotizing myositis caused by ciliated protozoa in a fish [SV Kubiski et al], 301
Chronic histiocytic and neutrophilic dermatitis caused by Rhodococcus equi infection in a cat [EJ O’Neil et al], 1561

Dermatology
Superficial necrotic dermatitis and nodular hepatopathosis consistent with hepatocutaneous syndrome in a dog [BM Brenseke et al], 445
Granulomatous postphilia caused by habronemiasis in a horse [DB Whitley et al], 993
Postrabies vaccination panniculitis in a Bichon Frise crossbred dog [LA Corriveau et al], 1115

Descriptive Statistics
Describing data [S Shott], 588

Dexmedetomidine
Evaluation of dexmedetomidine and ketamine in combination with opioids as injectable anesthesia for castration in dogs [M Barletta et al], 1159

Diabetes Mellitus
Association of hypertriglyceridemia with insulin resistance in healthy Miniature Schnauzers [PG Xenoulis et al], 1011
Multiple endocrine diseases in dogs: 35 cases (1996–2009) [SL Blois et al], 1616

Diagnostic Imaging in Veterinary Dental Practice
Squamous cell carcinoma of the gingiva mimicking dentigerous cyst in a dog [A Fulton et al], 435
Enamel hypoplasia and dentigerous cyst in a dog following canine distemper virus infection [FF Bouteille et al], 1251

Diaphragm
Congenital diaphragmatic hernia with adipose tissue in a 7-year-old cat [F Liste et al], 569
Congenital peritoneopericardial diaphragmatic hernia in a 5-year-old dog [JP Little et al], 847

Diarrhea
Onset of diarrhea and pyrexia and time to detection of Salmonella enterica subsp enterica in feces in experimental studies of cattle, horses, goats, and sheep after infection per os [H Aceto et al], 1333

Diet
Bioactive food components and health properties of rice bran [EP Ryan], 593
Associations between prebreeding serum micronutrient concentrations and pregnancy outcome in beef cows [LM Van De Weyer et al], 1323
Update on Salmonella spp contamination of pet food, treats, and nutritional products and safe feeding recommendations [KS KuKanich], 1430

Digestive System
Lymphoma of the abomasum in a cow [MW Campbell et al], 47
Squamous cell carcinoma of the gingiva mimicking dentigerous cyst in a dog [A Fulton et al], 435
Identification of risk factors for septic peritonitis and failure to survive following gastrointestinal surgery in dogs [JA Grimes et al], 486
Clinicopathologic characterization of odontogenic tumors and focal fibrous hyperplasia in dogs: 152 cases (1995–2005) [N Fiani et al], 495

Feline gastrointestinal eosinophilic sclerosing fibroplasia in a cat [H-K Silho et al], 585
Use of a duodenal serosal patch in the repair of a colon rupture in a female Solomon Island eclectus parrot [JA Briscoe et al], 922
Histomoniasis in a flock of chickens [DL Brinson et al], 987
Treatment of inflammatory bowel disease in a dog [NM Sme et al], 1111
Onset of diarrhea and pyrexia and time to detection of Salmonella enterica subsp enterica in feces in experimental studies of cattle, horses, goats, and sheep after infection per os [H Aceto et al], 1333
Proliferative ulcerative enteritis caused by Lawsonia intracellularis in a foal [AE Ellis et al], 1417
Clinical factors associated with death before discharge and overall survival in dogs with generalized megaesophagus [AR McBreaty et al], 1622

Disasters
Prevalence of infectious diseases in cats and dogs rescued following Hurricane Katrina [JK Levy et al], 311

Disks
Intraobserver and interobserver agreement for results of low-field magnetic resonance imaging in dogs with and without clinical signs of disk-associated wobbler syndrome [S De Decker et al], 74

Distributions
Comparing means or distributions [S Shott], 1422

Diversity
A business case for diversity and inclusion: why it is important for veterinarians to embrace our changing communities [LM Kornegay], 1103

Doberman Pinschers
Transcranial magnetic stimulation in Doberman Pinschers with clinically relevant and clinically irrelevant spinal cord compression on magnetic resonance imaging [S De Decker et al], 81

Dolphins
Evaluation of population health among bottlenose dolphins (Tursiops truncatus) at the United States Navy Marine Mammal Program [SK Venn-Watson et al], 356

Domperidone
α-Melanocyte-stimulating hormone and adrenocorticotropin concentrations in response to thyrotropin-releasing hormone and comparison with adrenocorticotropin concentration after domperidone administration in healthy horses and horses with pituitary pars intermedia dysfunction [J Beech et al], 1305

Doxorubicin
Evaluation of factors associated with second remission in dogs with lymphoma undergoing retreatment with a cyclophosphamide, doxorubicin, vincristine, and prednisone chemotherapy protocol: 95 cases (2000–2007) [AB Flory et al], 501

Dystrophin
Clinical progression of X-linked muscular dystrophy in two German Shorthaired Pointers [NJ Olby et al], 207

E
ECG of the Month
First-degree atrioventricular block, sinus tachycardia, and electrical alternans associated with pericardial effusion in an alpaca cria [BG Stewart et al], 572
Sick sinus syndrome in a dog [MCF Vailati et al], 850
Sinonventricular rhythm with paroxysmal supraventricular tachycardia caused by hyperkalemia in a cat [SM Johns et al], 982
Atrial fibrillation in a dog [SW Jung et al], 1258

Echocardiography
Detection of innocent systolic murmurs by auscultation and their relation to hematologic and echocardiographic findings in clinically normal Whippets [VC Bavagems et al], 468

Educational Opportunities
103, 231, 365, 516, 642, 792, 928, 1051, 1192, 1343, 1498, 1644
Atrial Sick sinus syndrome in a dog [MCF Vailati et al], 850
First-degree atrioventricular block, sinus tachycardia, and electrical alternans associated with pericardial effusion in an alpaca cria [BG Stewart et al], 572

Electrocardiography
First-degree atrioventricular block, sinus tachycardia, and electrical alternans associated with pericardial effusion in an alpaca cria [BG Stewart et al], 572
Sick sinus syndrome in a dog [MCF Vailati et al], 850
Sinovenous rhythm with paroxysmal supraventricular tachycardia caused by hyperkalemia in a cat [SM Johnsa et al], 982
Atrial fibrillation in a dog [SW Jung et al], 1258

Electrolytes
Potassium-aggravated muscle stiffness in 12 cats [IS Kiesewetter et al], 1026

Embryo Transfer
Description and genetic analysis of three sets of monozygotic twins resulting from transfers of single embryos to recipient mares [SS Mancill et al], 1040

Enamel
Enamel hypoplasia and dentigerous cyst in a dog following canine distemper virus infection [FF Boutoille et al], 1251

Encephalitis
Comparison of oral administration of lomustine and prednisolone or prednisolone alone as treatment for granulomatous meningoencephalomyelitis or necrotizing encephalitis in dogs [T Fiegel et al], 337

Endocrinology
Cortisol and aldosterone response to various doses of cosyntropin in healthy cats [AE DeClue et al], 176
Physical, behavioral, endocrinologic, and cytogenetic evaluation of two Standardbred racehorses competing as mares with an intersex condition and high post-race serum testosterone concentrations [MG Knobbe et al], 751
Association of hypertriglyceridemia with insulin resistance in healthy Miniature Schnauzers [PG Xenoulis et al], 1011
Hyperadrenocortical myopathy in a dog [LE Cisneros et al], 1247
α-Melanocyte-stimulating hormone and adrenocorticotropic concentrations in response to thyrotropin-releasing hormone and comparison with adrenocorticotropic concentration after domperidone administration in healthy horses and horses with pituitary pars intermedia dysfunction [J Beech et al], 1305
Evaluation of twice-daily lower-dose trilostane treatment administered orally in dogs with naturally occurring hyperadrenocorticism [EC Feldman], 1441
Multiple endocrine diseases in dogs: 35 cases (1996–2009) [SL Blois et al], 1616

Enteritis
Parasitic colomelitis, hepatitis, and enteritis in a largemouth bass [CG Lamm et al], 703
Progressive juvenile nephropathy in a dog [MA Breshears et al], 707
Proliferative ulcerative enteritis caused by Lawsonia intracellularis in a foal [AE Ellis et al], 1417

Envenomation
Rattlesnake envenomation in horses: 58 cases (1992–2009) [CL Fielding et al], 631

Environment
Zoonotic pathogens isolated from wild animals and environmental samples at two California wildlife hospitals [JL Siembieda et al], 773

Epidemiology
Point seroprevalence of canine influenza virus H3N8 in dogs participating in a flyball tournament in Pennsylvania [VF Serra et al], 726
Epidemiology of surgical castration of dogs and cats in the United States [R Trevejo et al], 898
Assessment of avian influenza surveillance and reporting needs of stakeholders in Michigan, 2007 [NK Martell-Moran et al], 1570
Fenestration
Comparison of the effect of single-site and multiple-site disk fenestration on the rate of recurrence of thoracolumbar intervertebral disk herniation in dogs [BA Brisson et al], 1593

Feral Animals
Demographic differences between urban feeding groups of neutered and sexually intact free-roaming cats following a trap-neuter-return procedure [I Gunther et al], 1134
Behavioral differences between urban feeding groups of neutered and sexually intact free-roaming cats following a trap-neuter-return procedure [H Finkler et al], 1141

Ferrets
Atrial fibrillation induced by butorphanol in a ferret [C Rodriguez-Guarin et al], 43

Fibrillation
Atrial fibrillation induced by butorphanol in a ferret [C Rodriguez-Guarin et al], 43
Atrial fibrillation in a dog [SW Jung et al], 1258

Fibroma
Clinicopathologic characterization of odontogenic tumors and focal fibrous hyperplasia in dogs: 152 cases (1995–2005) [N Fiani et al], 495

Fibrosplasia
Feline gastrointestinal eosinophilic sclerosing fibrosplasia in a cat [H-K Shiho et al], 585

Fish
Ulcerative dermatitis and necrotizing myositis caused by ciliated protozoa in a fish [SV Kubiski et al], 301
Parasitic coelomitis, hepatitis, and enteritis in a largemouth bass [CG Lamm et al], 703
Surgical removal of an anal cyst caused by a protozoan parasite (Thelohanellus kitauei) from a koi (Cyprinus carpio) [SP Shin et al], 784

Food Animal Economics
Use of decision analysis to evaluate the delivery method of veterinary health care on dairy farms as measured by correction of left displaced abomasum [DW Remsburg et al], 60

Food Animal Industry
Use of decision analysis to evaluate the delivery method of veterinary health care on dairy farms as measured by correction of left displaced abomasum [DW Remsburg et al], 60

Fractures
Fracture of the head of the humerus in a horse [O Levi et al], 431
Use of scintigraphy and magnetic resonance imaging to diagnose fracture of the central tarsal bone in a horse [ME Kelleher et al], 977
Suppurative osteomyelitis and metaphyseal microfractures in a dog with hypertrophic osteodystrophy [KS Joiner et al], 1413
Articular process fracture resulting in cervical vertebral compressive myelopathy in a horse [HD Sparks et al], 1559

Francisella tularensis
Tularemia in a feral cat [ST Spagnoli et al], 1271

Freebies
Ethical considerations raised by the provision of freebies to veterinary students [M Daily], 1551

Free Roaming Animals
Behavioral differences between urban feeding groups of neutered and sexually intact free-roaming cats following a trap-neuter-return procedure [H Finkler et al], 1141

From This Month’s AJVR
Influence of blood collection technique on platelet function and coagulation variables in dogs [NB Bauer et al], 2011;72:64, 73
Evaluation of orally administered famciclovir in cats experimentally infected with feline herpesvirus type-1 [SM Thomasy et al], 2011;72:85, 188
Histopathologic features of distal tarsal joint cartilage and subchondral bone in ridden and pasture-exercised horses [CA Tranquille et al], 2011;72:33, 206
Effects of location for collection of air samples on a farm and time of day of sample collection on airborne concentrations of virulent Rhodococcus equi at two horse breeding farms [KR Kuskie et al], 2011;72:73, 219
Evaluation of the effects of a commercially available Salmonella enterica subsp enterica serotype Newport siderophage receptor and porin protein vaccine on fecal shedding of Salmonella bacteria and health and performance of feedlot cattle [CC Dodd et al], 2011;72:239, 328
Estimation of intrathoracic arterial diameter by means of computed tomographic angiography in Hispanic Amazan parrots [H Beaurêtre et al], 2011;72:210, 352
Evaluation of subcutaneous and oral administration of robenacoxib and meloxicam for the treatment of acute pain and inflammation associated with orthopedic surgery in dogs [P Gruet et al], 2011;72:184, 352
Ultrasenographic characterization of the liver, caudal vena cava, portal vein, and gallbladder in goats [U Braun et al], 2011;72:219, 467
Pharmacokinetics and antinociceptive effects of oral tramadol hydrochloride administration in Greyhounds [B Kukanich et al], 2011;72:256, 485
Evaluation of otocoustic emissions in clinically normal alert puppies [B Schemera et al], 2011;72:295, 624
Tear, cornea, and aqueous humor concentrations of ciprofloxacin and moxifloxacin after topical ocular application in ophthalmologically normal horses [HD Westermeyer et al], 2011;72:398, 640
Computed tomographic anatomy of the equine stifle joint [E Van der Vekens et al], 2011;72:510, 897
Determination of lying behavior patterns in healthy beef cattle by use of wireless accelerometers [BD Robé et al], 2011;72:465, 926
Evaluation of a nine-point body condition scoring system in physically inactive pet cats [CR Bjornvad et al], 2011;72:433, 1003
Fluorophotometric and tonometric evaluation of ocular effects following aqueouscentesis performed with needles of various sizes in dogs [RA Albaugh et al], 2011;72:553, 1031
Comparison of results for weight-adjusted and fixed-amount buprenorphine vaporization and culture- and cell-wall-targeted lavage techniques in healthy Beagles [MA Melamines et al], 2011;72:694, 1149
Effects of long-term administration of carprofen on healing of a tibial osteotomy in dogs [H Ochi et al], 2011;72:634, 1183
Evaluation of N-terminal pro-B-type natriuretic peptide as a diagnostic marker of various stages of cardiomyopathy in Doberman Pinschers [G Wess et al], 2011;72:642, 1190
Effect of duration and type of anesthetic on tear production in dogs [MK Shephard et al], 2011;72:608, 1304
Comparison of two tourniquets and determination of amikacin sulfate concentrations after metacarpophalangeal joint lavage performed simultaneously with intravenous regional limb perfusion in horses [SB Akabes et al], 2011;72:613, 1315
Associations among behavioral and acute physiologic responses to lipopolysaccharide-induced clinical mastitis in lactating dairy cows [JL Zimov et al], 2011;72:620, 1332
Effect of topical vapocoolant spray on response to arthrocentesis and intravenous catheterization in unsedated horses [CT Fjordbakk et al], 2011;72:746, 1451
Evaluation of four drugs for inhibition of paracentesis-induced blood-aqueous humor barrier breakdown in cats [AJ Rankin et al], 2011;72:826, 1475
Shedding of chlamydiae in relation to titers of serum chlamydiae-specific antibodies and serum concentrations of two acute-phase proteins in cats without conjunctivitis [BS Holst et al], 2011;72:806, 1475
Antinociceptive effects of nalbuphine hydrochloride in Hispanic Amazon parrots (Amazona ventralis) [DS-M Guzman et al], 2011;72:736, 1615
Evaluation of experimentally induced injury to the superficial digital flexor tendon in horses by use of low-field magnetic resonance imaging and ultrasonography [WM Karlin et al], 2011;72:791, 1638

Fungi
Systemic infection with Penicillium verruculans in a dog [K Miyakawa et al], 51
Retroperitoneal pyogranulomatous and fibrosing inflammation secondary to fungal infections in two dogs [JM Clemans et al], 213
Pyogranulomatous rhinosinusitis caused by Fusarium spp infection in a cat [M Vascellari et al], 449
**Fusarium spp**
Pyogranulomatous rhinosinusitis caused by *Fusarium* spp infection in a cat [M Vascellari et al], 449

**Future AVMA Annual Conventions**
101, 230, 363, 514, 641, 790, 927, 1050, 1191, 1342, 1497, 1642

**G**

**Gemcitabine**
Toxic effects and antitumor response of gemcitabine in combination with piroxicam treatment in dogs with transitional cell carcinoma of the urinary bladder [L Maconato et al], 1004

**Gender**
Impact of gender and race-ethnicity on reasons for pursuing a career in veterinary medicine and career aspirations [SF Amass et al], 1435

**Genetics**
Physical, behavioral, endocrinologic, and cytogenetic evaluation of two Standardbred racehorses competing as mares with an intersex condition and high postrace serum testosterone concentrations [MG Knobbe et al], 751

**Congenital peritoneopericardial diaphragmatic hernia in a 5-year-old dog** [JP Little et al], 847
Description and genetic analysis of three sets of monozygotic twins resulting from transfers of single embryos to recipient mares [SS Mancill et al], 1040

**German Shorthaired Pointers**
Clinical progression of X-linked muscular dystrophy in two German Shorthaired Pointers [NJ Olby et al], 207

**Gifts**
Ethical considerations raised by the provision of freebies to veterinary students [M Dally], 1551

**Glucoma**
Long-term evaluation of the use of Ahmed gonioimplants in dogs with primary glaucoma: nine cases (2000–2008) [HD Westermeyer et al], 610

**Globosus Amorphus**
Globosus amorphus in a co-twin bovine fetus [LK Pearson et al], 1261

**Gonioimplants**
Long-term evaluation of the use of Ahmed gonioimplants in dogs with primary glaucoma: nine cases (2000–2008) [HD Westermeyer et al], 610

**Grafts**
Successful replacement of an obstructed ureter with an ileal graft in a cat [JD Brouman], 1173

**H**

**Habronemiasis**
Granulomatous posthitis caused by habronemiasis in a horse [DB Whitley et al], 993

**Heart**
Atrial fibrillation induced by butorphanol in a ferret [C Rodriguez-Guarin et al], 43
Sick sinus syndrome in a dog [MCF Vailati et al], 850
Third-degree atrioventricular block in a dog [RI Winter et al], 854
Atrial fibrillation in a dog [SW Jung et al], 1258

**Heartworm**
Risk factors associated with failure of heartworm prophylaxis among members of a national hunting dog club [BW Rohrbach et al], 1150
Anaphylactoid resection in a heartworm-infected dog undergoing lung lobectomy [JE Carter et al], 1301

**Hemangiosarcoma**
Predictors of outcome in dog with subcutaneous or intramuscular hemangiosarcoma [K-B Shiu et al], 472
Primary cardiac hemangiosarcoma in a dog [CJ Choate et al], 1407

**Hematology**
Detection of innocent systolic murmurs by auscultation and their relation to hematologic and echocardiographic findings in clinically normal Whippets [VC Bavagems et al], 468

**Hematoma**
Intramedullary hematoma of the humerus of a goose [C Belcher et al], 843

**Hematopoietic System**
Treatment and predictors of outcome in dogs with immune-mediated thrombocytopenia [SK O’Marra et al], 346
Identification of hypercoagulability in dogs with primary immune-mediated hemolytic anemia by means of thromboelastography [RK Fenty et al], 463
Diagnostic accuracy of using erythrocyte indices and polychromasia to identify regenerative anemia in dogs [J Hodges et al], 1452

**Hemoglobin**
Evaluation of the effects of bovine hemoglobin glutamer-200 on systolic arterial blood pressure in hypotensive cats: 44 cases (1997–2008) [CE Wehausen et al], 909

**Hemostasis**
Identification of hypercoagulability in dogs with primary immune-mediated hemolytic anemia by means of thromboelastography [RK Fenty et al], 463

**Hepatectomy**
Successful outcome of hepatectomy as treatment for liver lobe torsion in four domestic rabbits [NJ Stanke et al], 1176

**Hepatic Encephalopathy**
Medical treatment of a portosystemic shunt in a dog [SL Owens et al], 859

**Hepatitis**
Parasitic coelomitis, hepatitis, and enteritis in a largemouth bass [CG Lamm et al], 703

**Hepatocutaneous Syndrome**
Superficial necrotic dermatitis and nodular hepatopathy consistent with hepatocutaneous syndrome in a dog [BM Brenseke et al], 445

**Hernias**
Intervertebral disk herniation in the tail of a dog [EY Akin et al], 163
Congenital diaphragmatic hernia with adipose tissue in a 7-year-old cat [F Liste et al], 569
Congenital peritoneopericardial diaphragmatic hernia in a 5-year-old dog [JP Little et al], 847

**Hemostase**
Evaluation of the effect of hetastarch and lactated Ringer’s solution on plasma colloid osmotic pressure in healthy llamas [KR Carney et al], 768

**Hip Joint**
Duration of clinical signs prior to total hip replacement in dogs [AA Lockwood et al], 905

**Histomoniasis**
Histomoniasis in a flock of chickens [DL Brinson et al], 987

**Histoplasmosis**
Retroperitoneal pyogranulomatous and fibrosing inflammation secondary to fungal infections in two dogs [JM Clemans et al], 213

**Hospice**
Elements of and factors important in veterinary hospice [CL Johnson et al], 148

**Human-Animal Bond**
Elements of and factors important in veterinary hospice [CL Johnson et al], 148
Assessment of exposure to *Leptospira* serovars in veterinary staff and dog owners in contact with infected dogs [R Barmettler et al], 183

**Humerus**
Fracture of the head of the humerus in a horse [O Levi et al], 431
Hunting Dogs
Risk factors associated with failure of heartworm prophylaxis among members of a national hunting dog club [BW Rohrbach et al], 1150

Hurricane Katrina
Prevalence of infectious diseases in cats and dogs rescued following Hurricane Katrina [JK Levy et al], 311

Hyperadrenocorticism
Hyperadrenocortical myopathy in a dog [LE Cisneros et al], 1247
α-Melanocyte-stimulating hormone and adrenocorticotropic concentrations in response to thyrotropin-releasing hormone and comparison with adrenocorticotropic concentration after domperidone administration in healthy horses and horses with pituitary pars intermedia dysfunction [J Beech et al], 1305
Evaluation of twice-daily lower-dose triostane treatment administered orally in dogs with naturally occurring hyperadrenocorticism [EC Feldman], 1441
Multiple endocrine diseases in dogs: 35 cases (1996–2009) [SL Blois et al], 1616

Hyperkalemia
Sinoventricular rhythm with paroxysmal supraventricular tachycardia caused by hyperkalemia in a cat [SM Johns et al], 982

Hypertension
Ocular lesions associated with systemic hypertension in dogs: 65 cases (2005–2007) [NJ LeBlanc et al], 915

Hypertriglyceridemia
Association of hypertriglyceridemia with insulin resistance in healthy Miniature Schnauzers [PG Xenoulis et al], 1011

Hypoadrenocorticism
Multiple endocrine diseases in dogs: 35 cases (1996–2009) [SL Blois et al], 1616

Hypotension
Evaluation of the effects of bovine hemoglobin glutamer-200 on systolic arterial blood pressure in hypotensive cats: 44 cases (1997–2008) [CE Wehausen et al], 909

Hypothyroidism
Multiple endocrine diseases in dogs: 35 cases (1996–2009) [SL Blois et al], 1616

I
Ileum
Successful replacement of an obstructed ureter with an ileal graft in a cat [JD Brouman], 1173

Image
Representatives of the veterinary profession in nonfiction children’s books [SF Ammass], 1126

Immunology
Suspected phenobarbital-induced pseudo lymphoma in a cat [MJ Bahlo et al], 353

Important Resources for Veterinarians
118, 462, 981, 1052, 1202, 1346, 1401

Infectious Diseases
Prevalence of infectious diseases in cats and dogs rescued following Hurricane Katrina [JK Levy et al], 311
Clinical and immunologic assessment of sepsis and the systemic inflammatory response syndrome in cats [AE DeClue et al], 890

Inflammatory Bowel Disease
Treatment of inflammatory bowel disease in a dog [NM Smee et al], 1111

Influenza
Point seroprevalence of canine influenza virus H3N8 in dogs participating in a flyball tournament in Pennsylvania [VF Serra et al], 726
Assessment of avian influenza surveillance and reporting needs of stakeholders in Michigan, 2007 [NK Martell-Moran et al], 1570

Insulin
Association of hypertriglyceridemia with insulin resistance in healthy Miniature Schnauzers [PG Xenoulis et al], 1011

Integumentary System
Atypical cutaneous myobacteriosis following a bite wound in a cat [VB Wilson et al], 171
Association of histologic tumor characteristics and size of surgical margins with clinical outcome after surgical removal of cutaneous mast cell tumors in dogs [PC Schultheiss et al], 1464

Intraocular Pressure
Effect of eyelid manipulation and manual jugular compression on intraocular pressure measurement in dogs [HE Klein et al], 1292

Iohexol
Incidence of and risk factors for seizures after myelography performed with iohexol in dogs: 503 cases (2002–2004) [RC da Costa et al], 1296

Joints
Osteochondrosis dissecans of the tarsocrural joints in a pig [DV Devine et al], 39
Reattachment of the articular cartilage component of type 1 subchondral cystic lesions of the medial femoral condyle with polydioxanone pins in 3 horses [HD Sparks et al], 636
Duration of clinical signs prior to total hip replacement in dogs [AAL Lockwood et al], 905

Ketamine
Evaluation of dexmedetomidine and ketamine in combination with opioids as injectable anesthesia for castration in dogs [M Barletta et al], 1159
Evaluation of sedation and analgesia in standing horses after administration of xylazine, butorphanol, and subanesthetic doses of ketamine [AE Wagner et al], 1629

Kidneys
Blood nephroliths and end-stage kidneys in a cat [JM Novak et al], 863

Koi
Surgical removal of an anal cyst caused by a protozoan parasite (Theelohanellus kitauei) from a koi (Cyprinus carpio) [SP Shin et al], 784

Laminitis
Continuous peripheral neural blockade to alleviate signs of experimentally induced severe forelimb pain in horses [AE Watts et al], 1032

Larynx
Evaluation of sedation and analgesia in standing horses after administration of xylazine, butorphanol, and subanesthetic doses of ketamine [AE Wagner et al], 1629
Epiglottic abnormalities in mature nonracehorses: 23 cases (1990–2009) [MR Aitken et al], 1634

Lawsonia intracellularis
Proliferative ulcerative enteritis caused by Lawsonia intracellularis in a foal [AE Ellis et al], 1417
Serial use of serologic assays and fecal PCR assays to aid in identification of subclinical Lawsonia intracellularis infection for targeted treatment of Thoroughbred foals and weanlings [AE Page et al], 1482
Lymphoma and soft tissue mineralization in a dog [MA Breshears et al], 47167

lymphosarcoma
Diagnosis of intraocular lymphosarcoma in a dog by use of a polymerase chain reaction assay for antigen receptor rearrangement [DO Pate et al], 625

Magnetic Resonance Imaging
Intraobserver and interobserver agreement for results of low-field magnetic resonance imaging in dogs with and without clinical signs of disk-associated wobbler syndrome [S De Decker et al], 74
Transcranial magnetic stimulation in Doberman Pinschers with clinically relevant and clinically irrelevant spinal cord compression on magnetic resonance imaging [S De Decker et al], 81
Use of scintigraphy and magnetic resonance imaging to diagnose fracture of the central tarsal bone in a horse [ME Kelleher et al], 977
Intraobserver, interobserver, and intermethod agreement for results of myelography, computed tomography-myelography, and low-field magnetic resonance imaging in dogs with disk-associated wobbler syndrome [S De Decker et al], 1601

Magnets
Transcranial magnetic stimulation in Doberman Pinschers with clinically relevant and clinically irrelevant spinal cord compression on magnetic resonance imaging [S De Decker et al], 81

Marine Mammals
Evaluation of population health among bottlenose dolphins (Tursiops truncatus) at the United States Navy Marine Mammal Program [SK Venn-Watson et al], 356

Mast Cell Tumors
Association of histologic tumor characteristics and size of surgical margins with clinical outcome after surgical removal of cutaneous mast cell tumors in dogs [PC Schultheiss et al], 1464

Means
Comparing means or distributions [S Shott], 1422

Mediastinum
Mediastinal cyst in a dog [KS Aulakh et al], 699

Megasophagus
Clinical factors associated with death before discharge and overall survival in dogs with generalized megasophagus [AR McBrearty et al], 1622

Meningoecephalomyelitis
Comparison of oral administration of lomustine and prednisolone or prednisolone alone as treatment for granulomatous meningoecephalomyelitis or necrotizing encephalitis in dogs [T Flegel et al], 337

Metacarpal Bones
Racing prognosis after cumulative stress-induced injury of the distal portion of the third metacarpal and third metatarsal bones in Thoroughbred racehorses: 55 cases (2000–2009) [TM Tull et al], 1316

Metatarsal Bones
Racing prognosis after cumulative stress-induced injury of the distal portion of the third metacarpal and third metatarsal bones in Thoroughbred racehorses: 55 cases (2000–2009) [TM Tull et al], 1316

Micronutrients
Associations between prebreeding serum micronutrient concentrations and pregnancy outcome in beef cows [LM Van De Weyer et al], 1323

Mineralization
Lymphoma and soft tissue mineralization in a dog [MA Breshears et al], 47167

Miniature Schnauzers
Association of hypertglyceridemia with insulin resistance in healthy Miniature Schnauzers [PG Xenoulis et al], 1011

Minorities
A business case for diversity and inclusion: why it is important for veterinarians to embrace our changing communities [LM Kornegay], 1103

Monozygotes
Description and genetic analysis of three sets of monozygotic twins resulting from transfers of single embryos to recipient mares [SS Mancill et al], 1040

Murmurs
Detection of innocent systolic murmurs by auscultation and their relation to hematologic and echocardiographic findings in clinically normal Whippets [VC Bavagems et al], 468

Muscle
Potassium-aggravated muscle stiffness in 12 cats [IS Kiesewetter et al], 1026
Hyperadrenocortical myopathy in a dog [LE Cisneros et al], 1247

Muscular Dystrophy
Clinical progression of X-linked muscular dystrophy in two German Shorthaired Pointers [NJ Oby et al], 207

Musculoskeletal System
Osteochondrosis dissecans of the tarsocruatal joints in a pig [DV Devine et al], 39
Intraobserver and interobserver agreement for results of low-field magnetic resonance imaging in dogs with and without clinical signs of disk-associated wobbler syndrome [S De Decker et al], 74
Intervertebral disk herniation in the tail of a dog [EY Akin et al], 163
Predictors of outcome in dogs treated with adjuvant carboplatin for appendicular osteosarcoma: 65 cases (1996–2006) [DE Saam et al], 195
Clinical progression of X-linked muscular dystrophy in two German Shorthaired Pointers [NJ Oby et al], 207
Fracture of the head of the humerus in a horse [O Levi et al], 431
Pectus carinatum in a dog [Z Schwartz et al], 565
Congenital diaphragmatic hernia with adipose tissue in a 7-year-old cat [F Liste et al], 569
Intramural hematoma of the humerus of a goose [C Belcher et al], 843
Use of scintigraphy and magnetic resonance imaging to diagnose fracture of the central tarsal bone in a horse [ME Kelleher et al], 977
Potassium-aggravated muscle stiffness in 12 cats [IS Kiesewetter et al], 1026
Solitary osteochondroma in a cat [SA Ranade et al], 1243
Racing prognosis after cumulative stress-induced injury of the distal portion of the third metacarpal and third metatarsal bones in Thoroughbred racehorses: 55 cases (2000–2009) [TM Tull et al], 1316
Suppurative osteomyelitis and metaphyseal microfractures in a dog with hypertrophic osteodystrophy [KS Joiner et al], 1413
Comparison of the effect of single-site and multiple-site disk fenestration on the rate of recurrence of thoracolumbar intervertebral disk herniation in dogs [BA Brisson et al], 1593
Intraobserver, interobserver, and intermethod agreement for results of myelography, computed tomography-myelography, and low-field magnetic resonance imaging in dogs with disk-associated wobbler syndrome [S De Decker et al], 1601

Mycobacterium spp
Evaluation of the association between fecal excretion of Mycobacterium paratuberculosis and detection in colostrum and on teat findings in clinically normal and normal appearing colostrum in a 2002-2003 outbreak in a dairy herd [DA Pate et al], 1026
Correction: 2011;238:1440
Atypical cutaneous mycobacteriosis following a bite wound in a cat [M Bungee and Wilson et al], 171

Myelography
Incidence of and risk factors for seizures after myelography performed with iohexol in dogs: 503 cases (2002–2004) [RC da Costa et al], 1296
Intraobserver, interobserver, and intermethod agreement for results of myelography, computed tomography-myelography, and low-field magnetic resonance imaging in dogs with disk-associated wobbler syndrome [S De Decker et al], 1601

Myelopathy
Articular process fracture resulting in cervical vertebral compressive myelopathy in a horse [HD Sparks et al], 1559
Effect of cold compression therapy on postoperative pain, swelling, range of motion, and lameness after tibial plateau leveling osteotomy in dogs [KA Drygas et al], 1284
Evaluation of analgesia provided by epidural administration of bupivacaine for hind limb orthopedic procedures in dogs [SL Shaver et al], 1410
Comparison of the effect of single-site and multiple-site disk fenestration on the rate of recurrence of thoracolumbar intervertebral disk herniation in dogs [BA Brisson et al], 1593

Osmotic Pressure
Evaluation of the effect of hetastarch and lactated Ringer’s solution on plasma colloid osmotic pressure in healthy llamas [KR Carney et al], 768

Osteoarthritis
Duration of clinical signs prior to total hip replacement in dogs [AA Lockwood et al], 905

Osteochondroma
Solitary osteochondroma in a cat [SA Ranade et al], 1243

Osteochondrosis Dissecans
Osteochondrosis dissecans of the tarsocural joints in a pig [DV Devine et al], 39

Osteodystrophy
Suppurative osteomyelitis and metaphyseal microfractures in a dog with hypertrophic osteodystrophy [KS Joiner et al], 1413

Osteoma
Osteoma of the oral and maxillofacial regions in cats: 7 cases (1999–2009) [N Fiani et al], 1470

Osteomyelitis
Suppurative osteomyelitis and metaphyseal microfractures in a dog with hypertrophic osteodystrophy [KS Joiner et al], 1413

Osteosarcoma
Predictors of outcome in dogs treated with adjuvant carboptatin for appendicular osteosarcoma: 65 cases (1996–2006) [DE Saam et al], 195
Extraskelatal chondroblastic osteosarcoma in a dog [MW Woldemeskel et al], 297

Osteotomy
Effect of cold compression therapy on postoperative pain, swelling, range of motion, and lameness after tibial plateau leveling osteotomy in dogs [KA Drygas et al], 1284

Ovariectomy
Comparison of surgical variables and short-term postoperative complications in healthy dogs undergoing ovariohysterectomy or ovariectomy [ME Peeters et al], 189

Ovaries
Comparison of surgical variables and short-term postoperative complications in healthy dogs undergoing ovariohysterectomy or ovariectomy [ME Peeters et al], 189

Ovariomyelitis
Suppurative osteomyelitis and metaphyseal microfractures in a dog with hypertrophic osteodystrophy [KS Joiner et al], 1413

Osteosarcoma
Predictors of outcome in dogs treated with adjuvant carboptatin for appendicular osteosarcoma: 65 cases (1996–2006) [DE Saam et al], 195
Extraskelatal chondroblastic osteosarcoma in a dog [MW Woldemeskel et al], 297

Osteotomy
Effect of cold compression therapy on postoperative pain, swelling, range of motion, and lameness after tibial plateau leveling osteotomy in dogs [KA Drygas et al], 1284

Ovariectomy
Comparison of surgical variables and short-term postoperative complications in healthy dogs undergoing ovariohysterectomy or ovariectomy [ME Peeters et al], 189

Ovaries
Comparison of surgical variables and short-term postoperative complications in healthy dogs undergoing ovariohysterectomy or ovariectomy [ME Peeters et al], 189

Ovariomyelitis
Suppurative osteomyelitis and metaphyseal microfractures in a dog with hypertrophic osteodystrophy [KS Joiner et al], 1413

Efficacy of oral transmucosal and intravenous administration of buprenorphine before surgery for postoperative analgesia in dogs undergoing ovariohysterectomy [JC Ko et al], 318

Pain
Analgescic drug administration and attitudes about analgesia in cattle among bovine practitioners in the United States [VR Fajt et al], 755
Continuous peripheral neural blockade to alleviate signs of experimentally induced severe forelimb pain in horses [AE Watts et al], 1032
Effect of cold compression therapy on postoperative pain, swelling, range of motion, and lameness after tibial plateau leveling osteotomy in dogs [KA Drygas et al], 1284
Chronic histiocytic and neutrophilic dermatitis caused by *Rhodococcus equi* infection in a cat [EJ O’Neill et al], 1561
Lymphoma and soft tissue mineralization in a dog [MA Breshears et al], 47167

**Pathology in Practice**

Lymphoma of the abomasum in a cow [MW Campbell et al], 47
Systemic infection with *Penicillium verruculosum* in a dog [K Miyakawa et al], 51
Lymphoma and soft tissue mineralization in a dog [MA Breshears et al], 167
Atypical cutaneous mycobacteriosis following a bite wound in a cat [VB Wilson et al], 171
Extraskelatal chondroblastic osteosarcoma in a dog [MW Woldemeskil et al], 297
Ulcerative dermatitis and necrotizing myositis caused by ciliated protozoa in a fish [SV Kubiski et al], 301
Superficial necrolytic dermatitis and nodular hepatopathy consistent with hepaticutaneous syndrome in a dog [BM Brenseke et al], 445
Pyogranulomatous rhinosinusitis caused by *Fusarium* spp infection in a cat [M Vascellari et al], 449
Squamous cell carcinoma of the penis with multifocal metastasis to the regional lymph nodes, lungs, and heart in a horse [SD Cramer et al], 581
Feline gastrointestinal eosinophilic sclerosing fibroplasia in a cat [H-K Sihvo et al], 585
Parasitic coelomitis, hepatitis, and enteritis in a largemouth bass [CG Lamm et al], 703
Blood nephroliths and end-stage kidneys in a cat [JM Novak et al], 863
Postanesthetic poliomyelomalacia in a young Percheron [AL Hattel et al], 867
Histomoniasis in a flock of chickens [DL Brinson et al], 987
Granulomatous posthitis caused by habronemiasis in a horse [DB Whitley et al], 993
Postrabies vaccination panniculitis in a Bichon Frise crossbred dog [LA Corriveau et al], 1115
Clostridial cardiac myonecrosis in a calf [TA Snider et al], 1119
Verminous pneumonia and nephritis caused by *Halicephalobus gingivalis* infection in a horse [BT Sponseller et al], 1265
Tularemia in a feral cat [ST Spagnoli et al], 1271
Suppurative osteomyelitis and metaphyseal microfractures in a dog with hypertrophic osteodystrophy [KS Joiner et al], 1413
Proiferative ulcerative enteritis caused by *Lawsonia intracellularis* in a foal [AE Ellis et al], 1417
Chronic histiocytic and neutrophilic dermatitis caused by *Rhodococcus equi* infection in a cat [EJ O’Neill et al], 1561
Thymic lymphoma with vertebral bone marrow involvement in a heifer [SD Cramer et al], 1565

**PCR Assays**

Serial use of serologic assays and fecal PCR assays to aid in identification of subclinical *Lawsonia intracellularis* infection for targeted treatment of Thoroughbred foals and weanlings [AE Page et al], 1482

**Pectus Carinatum**

Pectus carinatum in a dog [Z Schwartz et al], 565

**Penicillin G**

Adverse effects associated with inadvertent intravenous penicillin G procaine-penicillin G benzathine administration in two dogs and a cat [MI Kaplan et al], 507

**Penicillium spp**

Systemic infection with *Penicillium verruculosum* in a dog [K Miyakawa et al], 51

**Penis**

Trauma-induced paraphimosis in a stallion [KA Beltaire et al], 161
Squamous cell carcinoma of the penis with multifocal metastasis to the regional lymph nodes, lungs, and heart in a horse [SD Cramer et al], 581

**Pennsylvania**

Point seroprevalence of canine influenza virus H3N8 in dogs participating in a flyball tournament in Pennsylvania [VF Serra et al], 726

**Percherons**

Postanesthetic poliomyelomalacia in a young Percheron [AL Hattel et al], 867

**Performance**

Relationships among common measures of student performance and scores on the North American Veterinary Licensing Examination [JA Danielson et al], 454

**Periodontitis**

Association of periodontal disease with systemic health indices in dogs and the systemic response to treatment of periodontal disease [JE Rawlinson et al], 601

**Peritonitis**

Identification of risk factors for septic peritonitis and failure to survive following gastrointestinal surgery in dogs [JA Grimes et al], 486

**Perspectives in Professional Education**

Relationships among common measures of student performance and scores on the North American Veterinary Licensing Examination [JA Danielson et al], 454

**Pet Food**

Update on *Salmonella* spp contamination of pet food, treats, and nutritional products and safe feeding recommendations [KS KuKanich], 1430

**Phenobarbital**

Suspected phenobarbital-induced pseudo lymphoma in a cat [MJ Baho et al], 353

**Piroxicam**

Toxic effects and antitumor response of gemcitabine in combination with piroxicam treatment in dogs with transitional cell carcinoma of the urinary bladder [LMaconato et al], 1004

**Pituitary Pars Intermedia Dysfunction**

α-Melanocyte-stimulating hormone and adrenocorticotropic concentrations in response to thyrotropin-releasing hormone and comparison with adrenocorticotropic concentration after domperidone administration in healthy horses and horses with pituitary pars intermedia dysfunction [J Beech et al], 1305

**Platelets**

Treatment and predictors of outcome in dogs with immune-mediated thrombocytopenia [SK O’Marra et al], 346

**Pneumonia**

Verminous pneumonia and nephritis caused by *Halicephalobus gingivalis* infection in a horse [BT Sponseller et al], 1265

**Pneumothorax**

Anaphylactoid resection in a heartworm-infected dog undergoing lung lobectomy [JE Carter et al], 1301

**Poliomylomalacia**

Postanesthetic poliomyelomalacia in a young Percheron [AL Hattel et al], 867

**Polychromasia**

Diagnostic accuracy of using erythrocyte indices and polychromasia to identify regenerative anemia in dogs [J Hodges et al], 1452

**Polydioxanone**

Reattachment of the articular cartilage component of type 1 subchondral cystic lesions of the medial femoral condyle with polydioxanone pins in 3 horses [HD Sparks et al], 636

**Polymerase Chain Reaction**

Spinal cord nephroblastoma in dogs: 11 cases (1985–2007) [DM Brewer et al], 618
Diagnosis of intracranial lymphosarcoma in a dog by use of a polymerase chain reaction assay for antigen receptor rearrangement [DO Pate et al], 625

**Portosystemic Shunts**

Outcomes of cats undergoing surgical attenuation of congenital extrahepatic portosystemic shunts through cellophane banding: 9 cases (2000–2007) [J Cabassu et al], 89
Medical treatment of a portosystemic shunt in a dog [SL Owens et al], 859
Posthitis
Granulomatous posthitis caused by habronemiasis in a horse [DB Whitley et al], 993

Potassium
Potassium-aggravated muscle stiffness in 12 cats [IS Kiesewetter et al], 1026

Poultry
Histomoniasis in a flock of chickens [DL Brinson et al], 987

Prednisolone
Comparison of oral administration of lomustine and prednisolone or prednisolone alone as treatment for granulomatous meningencephalomyelitis or necrotizing encephalitis in dogs [T Flegel et al], 337

Prednisone
Evaluation of factors associated with second remission in dogs with lymphoma undergoing retreatment with a cyclophosphamide, doxorubicin, vincristine, and prednisone chemotherapy protocol: 95 cases (2000–2007) [AB Flory et al], 501

Prepuce
Granulomatous posthitis caused by habronemiasis in a horse [DB Whitley et al], 993

Pressure
Inadequate pressure in an anesthetic machine caused by a faulty reservoir bag [C Riccó et al], 577

Procaine
Adverse effects associated with inadvertent intravenous penicillin G procaine-penicillin G benzathine administration in two dogs and a cat [MI Kaplan et al], 507

Procedure for Reporting Professional Misconduct
102, 944

Protozoa
Ulcerative dermatitis and necrotizing myositis caused by ciliated protozoa

Pseudolymphoma
Suspected phenobarbital-induced pseudolymphoma in a cat [MJ Baho et al], 353

Public Health Veterinary Medicine: Public Health
Assessment of avian influenza surveillance and reporting needs of stakeholders in Michigan, 2007 [NK Martell-Moran et al], 1570

Public Relations
Representatives of the veterinary profession in nonfiction children’s books [SF Amass], 1126

Pulmonary Nodules
Intra- and interobserver variability of board-certified veterinary radiologists and veterinary general practitioners for pulmonary nodule detection in standard and inverted display mode images of digital thoracic radiographs of dogs [DJ Reese et al], 998

Purdue University School of Veterinary Medicine
Impact of the Purdue University School of Veterinary Medicine’s Boiler Vet Camp on participants’ knowledge of veterinary medicine [JL Weisman et al], 876

Rabbits
Retrobulbar abscess secondary to endodontic disease in a rabbit with exophthalmos [JC Marrow et al], 427

Rabies
Postrabies vaccination panniculitis in a Bichon Frise crossbred dog [LA Corriveau et al], 1115

Racing
Physical, behavioral, endocrinologic, and cytogenetic evaluation of two Standardbred racehorses competing as mares with an intersex condition and high postrace serum testosterone concentrations [MG Knobbe et al], 751

Radiology
Torsion of a retained nonneoplastic testis in a dog [S Boza et al], 37

Soft palatine cyst in a newborn foal [DM Wong et al], 157

Intervertebral disk herniation in the tail of a dog [EY Akin et al], 163

Uterine adenocarcinoma in a rabbit [SJ Woodhouse et al], 289

Ureterocoele in a dog [SA Colopy et al], 293

Retrobulbar abscess secondary to endodontic disease in a rabbit with exophthalmos [JC Marrow et al], 427

Fracture of the head of the humerus in a horse [O Levi et al], 431

Squamous cell carcinoma of the gingiva mimicking dentigerous cyst in a dog [A Fulton et al], 435

Pectus carinatum in a dog [Z Schwartz et al], 565

Congenital diaphragmatic hernia with adipose tissue in a 7-year-old cat [F Liste et al], 569

Compound odontoma in a 9-month-old horse [LM Rubio-Martinez et al], 695

Mediastinal cyst in a dog [KS Aulakh et al], 699

Intramедullary hematoma of the humerus of a goose [C Belcher et al], 843

Congenital peritoneopericardial diaphragmatic hernia in a 5-year-old dog [JP Little et al], 847

Use of scintigraphy and magnetic resonance imaging to diagnose fracture of the central tarsal bone in a horse [ME Kelleher et al], 977

Intra- and interobserver variability of board-certified veterinary radiologists and veterinary general practitioners for pulmonary nodule detection in standard and inverted display mode images of digital thoracic radiographs of dogs [DJ Reese et al], 998

Thymic lymphoma in a dog [KL Cronin et al], 1107

Solitary osteochondroma in a cat [SA Ranade et al], 1243

Enamel hypoplasia and dentigerous cyst in a dog following canine distemper virus infection [FF Boutoille et al], 1251

Incidence of and risk factors for seizures after myelography performed with iohexol in dogs: 503 cases (2002–2004) [RC da Costa et al], 1296

Primary cardiac hemangiosarcoma in a dog [CJ Choate et al], 1407

Radiographic reference limits for cardiac width in peregrine falcons (Falco peregrinus) [JT Lumeij et al], 1459

Articular process fracture resulting in cervical vertebral compressive myelopathy in a horse [HD Sparks et al], 1559

Rattlesnakes
Rattlesnake envenomation in horses: 58 cases (1992–2009) [CL Fielding et al], 631

Recruitment
Impact of the Purdue University School of Veterinary Medicine’s Boiler Vet Camp on participants’ knowledge of veterinary medicine [JL Weisman et al], 876

Reproductive System
Torsion of a retained nonneoplastic testis in a dog [S Boza et al], 37

Trauma-induced paraphimosis in a stallion [KA Beltaire et al], 161

Comparison of surgical variables and short-term postoperative complications in healthy dogs undergoing ovariohysterectomy or ovariecetomy [ME Peeters et al], 189

Uterine adenocarcinoma in a rabbit [SJ Woodhouse et al], 289

Squamous cell carcinoma of the penis with multifocal metastasis to the regional lymph nodes, lungs, and heart in a horse [SD Cramer et al], 695

Knobbe et al], 751

Physical, behavioral, endocrinologic, and cytogenetic evaluation of two Standardbred racehorses competing as mares with an intersex condition and high postrace serum testosterone concentrations [MG Knobbe et al], 751

Epidemiology of surgical castration of dogs and cats in the United States [R Trevejo et al], 898

Description and genetic analysis of three sets of monoygotic twins resulting from transfers of single embryos to recipient mares [SS Mancill et al], 1040

Evaluation of dexmedetomidine and ketamine in combination with opioids as injectable anesthesia for castration in dogs [M Barletta et al], 1159
Research
Designing studies that answer questions [S Shott], 55

Reservoir Bag
Inadequate pressure in an anesthetic machine caused by a faulty reservoir bag [G Ricciò et al], 577

Respiratory System
Soft palate cyst in a newborn foal [DM Wong et al], 157
Pyogranulomatous rhinosinusitis caused by Fusarium spp infection in a cat [M Vasceiliari et al], 449
Intra- and interobserver variability of board-certified veterinary radiologists and veterinary general practitioners for pulmonary nodule detection in standard and inverted display mode images of digital thoracic radiographs of dogs [DJ Reese et al], 998
Verminous pneumonia and nephritis caused by Halicephalobus gingivalis infection in a horse [BT Sponseller et al], 1265
Anaphylactoid resection in a heartworm-infected dog undergoing lung lobectomy [JE Carter et al], 1301
Evaluation of sedation and analgesia in standing horses after administration of xylazine, butorphanol, and subanesthetic doses of ketamine [AE Wagner et al], 1629
Epiglottic abnormalities in mature nonracehorses: 23 cases (1990–2009) [MR Aitken et al], 1634

Retroperitoneum
Retroperitoneal pyogranulomatous and fibrosing inflammation secondary to fungal infections in two dogs [JM Clemans et al], 213

Rhodococcus spp
Chronic histiocytic and neutrophilic dermatitis caused by Rhodococcus equi infection in a cat [EJ O’Neil et al], 1561

Rice Bran
Bioactive food components and health properties of rice bran [EP Ryan], 593

Ringer’s Solution
Evaluation of the effect of hetastarch and lactated Ringer’s solution on plasma colloid osmotic pressure in healthy llamas [KR Carney et al], 768

Risk Analysis
Identification of risk factors for septic peritonitis and failure to survive following gastrointestinal surgery in dogs [JA Grimes et al], 486
Characteristics of compulsive tail chasing and associated risk factors in Bull Terriers [AA Moon-Fanelli et al], 883
Risk factors associated with failure of heartworm prophylaxis among members of a national hunting dog club [BW Rohrbach et al], 1150

Salmonella spp
Efficacy of oral administration of a modified-live Salmonella Dublin vaccine in calves [GG Habling et al], 1164
Onset of diarrhea and pyrexia and time to detection of Salmonella enterica subsp enterica in feces in experimental studies of cattle, horses, goats, and sheep after infection per os [H Aceto et al], 1333
Update on Salmonella spp contamination of pet food, treats, and nutritional products and safe feeding recommendations [KS KuKanich], 1430

Scintigraphy
Use of scintigraphy and magnetic resonance imaging to diagnose fracture of the central tarsal bone in a horse [ME Kelleher et al], 977

Sedation
Evaluation of sedation and analgesia in standing horses after administration of xylazine, butorphanol, and subanesthetic doses of ketamine [AE Wagner et al], 1629

Seizures
Incidence of and risk factors for seizures after myelography performed with iohexol in dogs: 503 cases (2002–2004) [RC da Costa et al], 1296

Sepsis
Clinical and immunologic assessment of sepsis and the systemic inflammatory response syndrome in cats [AE DeClue et al], 890

SeroLOGY
Assessment of exposure to Leptospira serovars in veterinary staff and dog owners in contact with infected dogs [R Barmettler et al], 183
Serial use of serologic assays and fecal PCR assays to aid in identification of subclinical Lawsonia intracellularis infection for targeted treatment of Thoroughbred foals and weanlings [AE Page et al], 1482

Serosa
Use of a duodenal serosal patch in the repair of a colon rupture in a female Solomon Island eclectus parrot [JA Briscoe et al], 922

Shelters
Trends in intake and outcome data for animal shelters in Colorado, 2000 to 2007 [KN Morris et al], 329

Shunts
Outcomes of cats undergoing surgical attenuation of congenital extrahepatic portosystemic shunts through cellophane banding: 9 cases (2000–2007) [J Cabassu et al], 89
Medical treatment of a portosystemic shunt in a dog [SL Owens et al], 859

Sick Sinus Syndrome
Sick sinus syndrome in a dog [MCF Vailati et al], 850

Sinusitis
Pyogranulomatous rhinosinusitis caused by Fusarium spp infection in a cat [M Vasceiliari et al], 449

Skin
Ulcerative dermatitis and necrotizing myositis caused by ciliated protozoa in a fish [Sv Kubiski et al], 301
Superficial necrotic dermatitis and nodular hepatopathy consistent with hepatocutaneous syndrome in a dog [BM Brenseke et al], 445
Association of histologic tumor characteristics and size of surgical margins with clinical outcome after surgical removal of cutaneous mast cell tumors in dogs [PC Schultheiss et al], 1464
Chronic histiocytic and neutrophilic dermatitis caused by Rhodococcus equi infection in a cat [EJ O’Neil et al], 1561

Snakes
Rattlesnake envenomation in horses: 58 cases (1992–2009) [CL Fielding et al], 631

Solomon Island Eclectus Parrot
Use of a duodenal serosal patch in the repair of a colon rupture in a female Solomon Island eclectus parrot [JA Briscoe et al], 922

Special Report
Executive summary of the Bayer veterinary care usage study [JO Volk et al], 1275

Spinal Cord
Transcranial magnetic stimulation in Doberman Pinschers with clinically relevant and clinically irrelevant spinal cord compression on magnetic resonance imaging [S De Decker et al], 81
Spinal cord nephroblastoma in dogs: 11 cases (1985–2007) [DM Brewer et al], 618
Postanesthetic poliomyelomalacia in a young Percheron [AL Hattel et al], 867

Squamous Cell Carcinoma
Squamous cell carcinoma of the gingiva mimicking dentigerous cyst in a dog [A Fulton et al], 435

Standardbreds
Physical, behavioral, endocrinologic, and cytogenetic evaluation of two Standardbred racehorses competing as mares with an intersex condition and high postrace serum testosterone concentrations [MG Knobbe et al], 751

Statistical Analysis
Detecting statistical errors in veterinary research [S Shott], 305

Statistics
Designing studies that answer questions [S Shott], 55
Detecting statistical errors in veterinary research [S Shott], 305

Index 57
Characteristics of compulsive tail chasing and associated risk factors in tail chasing

First-degree atrioventricular block, sinus tachycardia, and electrical

Clinical and immunologic assessment of sepsis and the systemic

Predictors of long-term survival in dogs with high-grade multicentric

Analgesic drug administration and attitudes about analgesia in cattle

Surveys

Assessment of avian influenza surveillance and reporting needs of

Assessment of prebreeding serum micronutrient concentrations

Globosus amorphus in a co-twin bovine fetus [LK Pearson et al], 1261

Theriogenology

Theriogenology Question of the Month

Thoroughbreds

Thrombocytepina

Thrombocytopenia

Tarsal Bone

Use of scintigraphy and magnetic resonance imaging to diagnose fracture of the central tarsal bone in a horse [ME Kelleher et al], 977

Tarsocural Joints

Osteochondrosis dissecans of the tarsocural joints in a pig [DV Devine et al], 39

Teats

Evaluation of the association between fecal excretion of *Mycobacterium avium* subsp. *paratuberculosis* and detection in colostrum and on teat skin surfaces of dairy cows [P Pithua et al], 2011;238:94

Correction: 2011;238:94

Teeth

Retrolbulbar abscess secondary to endodontic disease in a rabbit with exophthalmos [JC Marrow et al], 427

Clinicopathologic characterization of odontogenic tumors and focal fibrous hyperplasia in dogs: 152 cases (1995–2005) [N Fiani et al], 495

Association of periodontal disease with systemic health indices in dogs and the systemic response to treatment of periodontal disease [JE Rawlinson et al], 601

Compound odontoma in a 9-month-old horse [LM Rubio-Martinez et al], 695

Enamel hypoplasia and dentigerous cyst in a dog following canine distemper virus infection [FF Boutolle et al], 1251

Testes

Torsion of a retained nonneoplastic testis in a dog [S Boza et al], 37

Testosterone

Physical, behavioral, endocrinologic, and cytogenetic evaluation of two Standardbred racehorses competing as mares with an intersex condition and high postrace serum testosterone concentrations [MG Knobbe et al], 751

Theriogenology

Trauma-induced paraphimosis in a stallion [KA Beltaire et al], 161

Globosus amorphus in a co-twin bovine fetus [LK Pearson et al], 1261

Associations between prebreeding serum micronutrient concentrations and pregnancy outcome in beef cows [LM Van De Weyer et al], 1323

Theriogenology Question of the Month

Theriogenology

Globosus amorphus in a co-twin bovine fetus [LK Pearson et al], 1261

Thoroughbreds

Racing prognosis after cumulative stress-induced injury of the distal portion of the third metacarpal and third metatarsal bones in Thoroughbred racehorses: 55 cases (2000–2009) [TM Tull et al], 1316

Serial use of serologic assays and fecal PCR assays to aid in identification of subclinical *Lawsonia intracellularis* infection for targeted treatment of Thoroughbred foals and weanlings [AE Page et al], 1482

Thrombocytopenia

Treatment and predictors of outcome in dogs with immune-mediated thrombocytopenia [SK O’Marra et al], 346

Thrombocytopenia

Identification of hypercoagulability in dogs with primary immune-mediated hemolytic anemia by means of thromboelastography [RK Fenty et al], 463

Thymus

Thymic lymphoma in a dog [SL Cronin et al], 1107

Thymic lymphoma with vertebral bone marrow involvement in a heifer [SD Cramer et al], 1566

Thyrotropin-releasing Hormone

α-Melanocyte-stimulating hormone and adrenocorticotropic concentrations in response to thyrotropin-releasing hormone and comparison with adrenocorticotropic concentration after domperidone administration in healthy horses and horses with pituitary pars intermedia dysfunction [J Beech et al], 1305
Tibial Plateau
Effect of cold compression therapy on postoperative pain, swelling, range of motion, and lameness after tibial plateau leveling osteotomy in dogs [KA Drygas et al], 1284

Timely Topics in Nutrition
Bioactive food components and health properties of rice bran [EP Ryan], 593
Update on Salmonella spp contamination of pet food, treats, and nutritional products and safe feeding recommendations [KS KuKanich], 1430

Torsion
Torsion of a retained nonneoplastic testis in a dog [S Boza et al], 37
Successful outcome of hepatectomy as treatment for liver lobe torsion in four domestic rabbits [NJ Stanke et al], 1176

Toxicology
Adverse effects associated with inadvertent intravenous penicillin G procaine-penicillin G benzathine administration in two dogs and a cat [MI Kaplan et al], 507
Rattlesnake envenomation in horses: 58 cases (1992–2009) [CL Fielding et al], 631
Update on Salmonella spp contamination of pet food, treats, and nutritional products and safe feeding recommendations [KS KuKanich], 1430

Tramadol
Evaluation of the analgesic effects of oral and subcutaneous tramadol administration in red-eared slider turtles [BB Baker et al], 220

Transitional Cell Carcinoma
Toxic effects and antitumor response of gemcitabine in combination with piroxicam treatment in dogs with transitional cell carcinoma of the urinary bladder [L Maconato et al], 1004

Trap-Neuter-Return
Demographic differences between urban feeding groups of neutered and sexually intact free-roaming cats following a trap-neuter-return procedure [I Gunther et al], 1134
Behavioral differences between urban feeding groups of neutered and sexually intact free-roaming cats following a trap-neuter-return procedure [H Finkler et al], 1141

Triglycerides
Association of hypertriglyceridemia with insulin resistance in healthy Miniature Schnauzers [PG Xenoulis et al], 1011

Trilostane
Evaluation of twice-daily lower-dose trilostane treatment administered orally in dogs with naturally occurring hyperadrenocorticism [EC Feldman], 1441

Tularemia
Tularemia in a feral cat [SJ Woodhouse et al], 1028

Tumors
Association of histologic tumor characteristics and size of surgical margins with clinical outcome after surgical removal of cutaneous mast cell tumors in dogs [PC Schultheiss et al], 1464

Turtles
Evaluation of the analgesic effects of oral and subcutaneous tramadol administration in red-eared slider turtles [BB Baker et al], 220

Twins
Description and genetic analysis of three sets of monozygotic twins resulting from transfers of single embryos to recipient mares [SS Mancill et al], 1040

Ultrasoundography
Congenital diaphragmatic hernia with adipose tissue in a 7-year-old cat [F Liste et al], 569
Ultrasoundographic appearance of lymphomatous infiltration of the abomasum in cows with lymphoma [S Buczinski et al], 1044

United States Navy Marine Mammal Program
Evaluation of population health among bottlenose dolphins (Tursiops truncatus) at the United States Navy Marine Mammal Program [SK Venn-Watson et al], 356

Ureteroceles
Ureterocoele in a dog [SA Colopy et al], 293
Ureters
Use of indwelling, double-pigtail stents for treatment of malignant ureteral obstruction in dogs: 12 cases (2006–2009) [AC Berent et al], 1017
Successful replacement of an obstructed ureter with an ileal graft in a cat [JD Brouman], 1173

Urinary System
Sickness behaviors in response to unusual external events in healthy cats and cats with feline interstitial cystitis [JL Stella et al], 67
Ureterocoele in a dog [SA Colopy et al], 293
Progressive juvenile nephropathy in a dog [MA Breshears et al], 707
Blood nephroliths and end-stage kidneys in a cat [JM Novak et al], 863
Toxic effects and antitumor response of gemcitabine in combination with piroxicam treatment in dogs with transitional cell carcinoma of the urinary bladder [L Maconato et al], 1004
Use of indwelling, double-pigtail stents for treatment of malignant ureteral obstruction in dogs: 12 cases (2006–2009) [AC Berent et al], 1017
Successful replacement of an obstructed ureter with an ileal graft in a cat [JD Brouman], 1173
Vermiform pneumonia and nephritis caused by Halicephalobus gingivalis infection in a horse [BT Sponseller et al], 1265

Uterus
Uterine adenocarcinoma in a rabbit [SJ Woodhouse et al], 289

Vaccinology
Evaluation of the safety of vaccinating mares against equine viral arteritis during mid or late gestation or during the immediate postpartum period [CC Broaddus et al], 741
Postrabies vaccination panniculitis in a Bichon Frise crossbred dog [LA Danielson et al], 1115
Efficacy of oral administration of a modified-live Salmonella Dublin vaccine in calves [GG Habeling et al], 1184

Variability
Intra- and interobserver variability of board-certified veterinary radiologists and veterinary general practitioners for pulmonary nodule detection in standard and inverted display mode images of digital thoracic radiographs of dogs [DJ Reese et al], 998

Vertebrae
Articular process fracture resulting in cervical vertebral compressive myelopathy in a horse [HD Sparks et al], 1559
Thymic lymphoma with vertebral bone marrow involvement in a heifer [SD Cramer et al], 1565

Veterinarian-Client-Patient Relations
Analysis of solicitation of client concerns in companion animal practice [LMA Dysart et al], 1609

Veterinary Care Usage
Executive summary of the Bayer veterinary care usage study [JO Volk et al], 1275

Veterinary Dentistry
Association of periodontal disease with systemic health indices in dogs and the systemic response to treatment of periodontal disease [JE Rawlinson et al], 601

Veterinary Economics
A business case for diversity and inclusion: why it is important for veterinarians to embrace our changing communities [LM Kornegay], 1103
Executive summary of the Bayer veterinary care usage study [JO Volk et al], 1275

Veterinary Education
Relationships among common measures of student performance and scores on the North American Veterinary Licensing Examination [JA Danielson et al], 454

Veterinary Facilities
Elements of and factors important in veterinary hospice [CL Johnson et al], 148
Zoonotic pathogens isolated from wild animals and environmental samples at two California wildlife hospitals [JL Siembieda et al], 773

Veterinary Hospice
Elements of and factors important in veterinary hospice [CL Johnson et al], 148

Veterinary Manpower
Impact of the Purdue University School of Veterinary Medicine’s Boiler Vet Camp on participants’ knowledge of veterinary medicine [JL Weisman et al], 878
Representatives of the veterinary profession in nonfiction children’s books [SF Amass], 1126
Impact of gender and race-ethnicity on reasons for pursuing a career in veterinary medicine and career aspirations [SF Amass et al], 1435

Veterinary Medicine
Impact of the Purdue University School of Veterinary Medicine’s Boiler Vet Camp on participants’ knowledge of veterinary medicine [JL Weisman et al], 878

Veterinary Practice
Use of decision analysis to evaluate the delivery method of veterinary health care on dairy farms as measured by correction of the left displacate abomasum [DW Remsburg et al], 60
Analogic drug administration and attitudes about analgesia in cattle among bovine practitioners in the United States [VR Fajt et al], 755
Executive summary of the Bayer veterinary care usage study [JO Volk et al], 1275

Veterinary Profession
Representatives of the veterinary profession in nonfiction children’s books [SF Amass], 1126

Veterinary Sports Medicine
Point seroprevalence of canine influenza virus H3N8 in dogs participating in a flyball tournament in Pennsylvania [VF Serra et al], 726

Veterinary Students
Ethical considerations raised by the provision of freebies to veterinary students [Dally], 1551

Vincristine
Evaluation of factors associated with second remission in dogs with lymphoma undergoing retreatment with a cyclophosphamide, doxorubicin, vincristine, and prednisone chemotherapy protocol: 95 cases (2000–2007) [AB Flory et al], 501

Virology
Point seroprevalence of canine influenza virus H3N8 in dogs participating in a flyball tournament in Pennsylvania [VF Serra et al], 726
Evaluation of the safety of vaccinating mares against equine viral arteritis during mid or late gestation or during the immediate postpartum period [CC Broaddus et al], 741
Assessment of avian influenza surveillance and reporting needs of stakeholders in Michigan, 2007 [NK Martell-Moran et al], 1570

What Is the Evidence?
Evaluation of femoral head and neck excision arthroplasty versus right total hip arthroplasty in dogs [SP Franklin et al], 440
Medical treatment of a portosystemic shunt in a dog [SL Owens et al], 859
Treatment of inflammatory bowel disease in a dog [NM Smee et al], 1111
Evaluation of analgesia provided by epidural administration of bupivacaine for hind limb orthopedic procedures in dogs [SL Shaver et al], 1410

What Is Your Diagnosis?
Torsion of a retained nonneoplastic testis in a dog [S Boza et al], 37
Osteochondrosis disseccans of the tarsocural joints in a pig [DV Devine et al], 39
Soft palate cyst in a newborn foal [DM Wong et al], 157
Intervertebral disk herniation in the tail of a dog [EY Akin et al], 163
Uterine adenocarcinoma in a rabbit [SJ Woodhouse et al], 289
Ureterocele in a dog [SA Colopy et al], 293
Retrobulbar abscess secondary to endodontic disease in a rabbit with exophthalmos [JC Marrow et al], 427
Fracture of the head of the humerus in a horse [O Levi et al], 431
Pectus carinatum in a dog [Z Schwartz et al], 565
Congenital diaphragmatic hernia with adipose tissue in a 7-year-old cat [F Listle et al], 569
Compound odontoma in a 9-month-old horse [LM Rubio-Martinez et al], 695
Mediastinal cyst in a dog [KS Aulakh et al], 699
Intramediary hematoama of the humerus of a goose [C Belcher et al], 843
Congenital peritoneopericardial diaphragmatic hernia in a 5-year-old dog [JP Little et al], 847
Use of scintigraphy and magnetic resonance imaging to diagnose fracture of the central tarsal bone in a horse [ME Kelleher et al], 977
Thymic lymphoma in a dog [KL Cronin et al], 1107
Solitary osteochondroma in a cat [SA Ranade et al], 1243
Primary cardiac hemangiosarcoma in a dog [CJ Choate et al], 1407
Articular process fracture resulting in cervical vertebral compressive myelopathy in a horse [HD Sparks et al], 1559

What Is Your Neurologic Diagnosis?
Hyperadrenocortical myopathy in a dog [LE Cisneros et al], 1247

Whippets
Detection of innocent systolic murmurs by auscultation and their relation to hematologic and echocardiographic findings in clinically normal Whippets [VC Bavagems et al], 468

Wildlife
Zoonotic pathogens isolated from wild animals and environmental samples at two California wildlife hospitals [JL Siembieda et al], 773

Wobbler Syndrome
Intraobserver and interobserver agreement for results of low-field magnetic resonance imaging in dogs with and without clinical signs of disk-associated wobbler syndrome [S De Decker et al], 74
Intraobserver, interobserver, and intermethod agreement for results of myelography, computed tomography-myelography, and low-field magnetic resonance imaging in dogs with disk-associated wobbler syndrome [S De Decker et al], 1601

Workforce
Impact of the Purdue University School of Veterinary Medicine’s Boiler Vet Camp on participants’ knowledge of veterinary medicine [JL Weisman et al], 878
Representatives of the veterinary profession in nonfiction children’s books [SF Amass], 1126
Impact of gender and race-ethnicity on reasons for pursuing a career in veterinary medicine and career aspirations [SF Amass et al], 1435

Workforce Development
Impact of the Purdue University School of Veterinary Medicine’s Boiler Vet Camp on participants’ knowledge of veterinary medicine [JL Weisman et al], 878
Representatives of the veterinary profession in nonfiction children’s books [SF Amass], 1126
Impact of gender and race-ethnicity on reasons for pursuing a career in veterinary medicine and career aspirations [SF Amass et al], 1435

X
Xylazine
Evaluation of sedation and analgesia in standing horses after administration of xylazine, butorphanol, and subanesthetic doses of ketamine [AE Wagner et al], 1629

Z
Zoonoses
Assessment of exposure to Leptospira serovars in veterinary staff and dog owners in contact with infected dogs [R Barmettler et al], 183
Zoonotic pathogens isolated from wild animals and environmental samples at two California wildlife hospitals [JL Siembieda et al], 773
Tularemia in a feral cat [ST Spagnoli et al], 1271
