12.7. Admission

**Standard 7, Admission**

The college shall have a well-defined and officially stated admissions policy. The policy shall provide for an admissions committee, a majority of whom shall be full-time faculty members. The committee shall make recommendations regarding the students to be admitted to the professional curriculum upon consideration of applications of candidates who meet the academic and other requirements as defined in the college’s formal admission policy.

Subjects for admission shall include those courses prerequisite to the professional program in veterinary medicine, as well as courses that contribute to a broad general education. The goal of preveterinary education shall be to provide a broad base upon which professional education may be built, leading to lifelong learning with continued professional and personal development.

Factors other than academic achievement must be considered for admission criteria.

12.7.1. State the minimum requirements for admission.
12.7.2. Describe the student selection process, including measures to enhance diversity.
12.7.3. List factors other than academic achievement used as admission criteria.
12.7.4. Complete Table A.
12.7.5. Describe current plans for assessing the success of the selection process to meet the mission of the college.
12.7.6. Describe your policies and procedures for admitting transfer students who will receive a degree from your institution, and state the number of transfer students admitted per year for the last five years.
