Power up with CE in California

Meet us in sunny San Diego next summer, July 31-August 4 for the veterinary event of the year: AVMA Convention 2020.

**AVMA Convention is YOUR event.** Just like the AVMA itself, our annual convention is powered by members and veterinarians just like you. It offers the perfect opportunity to:

- Join your colleagues and friends for exciting networking opportunities, inspiring events, and unforgettable fun.

- Earn more than 40 hours of CE in in-depth lectures, hands-on labs and workshops, and panel discussions led by the best and brightest in veterinary medicine.

- Share your ideas and learn how you can make an impact on AVMA projects, policies, and initiatives.

Registration opens in February, 2020, but it’s never too early to start planning!
