

## Proposed Revisions to Accreditation Standards, January 2022

### Comments sought by February 15, 2022

On an annual basis, the Council on Education (COE) conducts a comprehensive review of three to four standards. The COE recently completed a comprehensive review of Standards 3 Physical Facilities and Equipment, 4, Clinical Resources, 5, Information Resources, and 6 Students. The COE also completed a comprehensive review of the Diversity, Equity, and Inclusion language in the Standards. The COE has proposed the following revisions to the *Accreditation Policies and Procedures of the AVMA Council on Education* along with the Standards listed below (added text is underscored, deleted text is struck through)

Proposed revisions to [Standard 1 – Organization](#)

Proposed revisions to [Standard 3 – Physical Facilities and Equipment](#)

Proposed revisions to [Standard 4 – Clinical Resources](#)

Proposed revisions to [Standard 5 – Information Resources](#)

Proposed revisions to [Standard 6 – Students](#)

Proposed revisions to [Standard 7 – Admission](#)

Proposed revisions to [Standard 8 – Faculty](#)

Proposed revisions to [Standard 9 - Curriculum](#)

Proposed revisions to [Standard 11 – Outcomes Assessment](#)

Written comments regarding all the above listed standard revisions must be postmarked or e-mailed no later than February 15, 2022. Mail comments to Anahita Gonda, Administrative Assistant, AVMA, 1931 N. Meacham Road, Ste. 100, Schaumburg, IL 60173-4360. Emailed comments to [agonda@avma.org](mailto:agonda@avma.org) and must use the following subject line: COE Standards revisions - Public Comments.
