

## Notice of accreditation actions by the AVMA Council on Education September 2024

The AVMA Council on Education (COE) is recognized by the United State Department of Education as the accrediting agency for colleges and schools of veterinary medicine in the US. In keeping with the regulations of the United States Department of Education, the following are the accreditation actions taken by the AVMA COE.

The Council took the following actions during its September 22-24, 2024 meeting.

*Accredited is a classification granted to a college that has no deficiencies in any of the Standards and is granted for a period of up to seven years. A college with one or more minor deficiencies that have minimal or no effect on student learning or safety, that can be reasonably be addressed in one year, are Accredited with minor deficiencies. Colleges with a status of Accredited submit annual interim reports to monitor continued compliance with the Standards of Accreditation. Colleges with a status of Accredited with minor deficiencies submit reports twice a year.*

Based on evaluation of a comprehensive site visit that took place in Spring 2024, colleges/schools were placed on the following accreditation status:

- **Kansas State University College of Veterinary Medicine** – [Accredited](#) with minor deficiency (Standard 11, Outcomes Assessment)

Additionally, annual interim reports were reviewed by the AVMA COE® and granted an accreditation status as follows:

- **University of Melbourne, Melbourne Veterinary School** – continued on [Accredited](#) with minor deficiencies (Standard 3, Physical Facilities and Equipment; Standard 8, Faculty; Standard 9, Curriculum)
- **University of Murdoch School of Veterinary Medicine** - Accredited

Based on progress reports reviewed by the AVMA COE®:

- **Massey University School of Veterinary Science** – Accredited
- **Midwestern University College of Veterinary Medicine** – continued on [Accredited](#) with minor deficiency (Standard 8, Faculty)
- **University of Pennsylvania School of Veterinary Medicine** – Accredited
- **Seoul National University, College of Veterinary Medicine** – continued on [Accredited](#) with minor deficiency (Standard 4, Clinical Resources)
- **University of Utrecht Faculty of Veterinary Medicine** – continued on [Accredited](#) with minor deficiencies (Standard 3, Physical Facilities and Equipment, Standard 11, Outcomes Assessment)
- **VetAgro Sup Campus Veterinaire** – continued on [Accredited](#) with minor deficiency (Standard 3, Physical Facilities and Equipment)

**Probationary Accreditation** is granted to a college that has one or more major deficiencies that have more than minimal impact on student learning or safety. These deficiencies must be corrected in two years. College must submit reports to the Council every six months. If minor deficiencies are not corrected within one year, a college will be placed on Probationary Accreditation for one additional year. College must submit reports to the Council every six months.

Based on evaluation of a comprehensive site visit that took place in Spring 2024, colleges/schools were placed on the following accreditation status:

- **Lincoln Memorial University Richard A Gillespie College of Veterinary Medicine** – [Probationary Accreditation](#) with major deficiency (Standard 10, Research Program) and minor deficiency (Standard 7, Admissions)
- **Oklahoma State University College of Veterinary Medicine** – [Probationary Accreditation](#) with major deficiency (Standard 4, Clinical Resources) and minor deficiencies (Standard 3, Physical Facilities and Equipment and Standard 9, Curriculum)

Based on progress reports reviewed by the AVMA COE®:

- **University of Glasgow School of Biodiversity, One Health and Veterinary Medicine** – continued on [Probationary Accreditation](#) with major deficiency (Standard 11, Outcomes Assessment)
- **University of Guelph Ontario Veterinary College** – placed on [Probationary Accreditation](#) minor deficiencies (Standard 3-Physical Facilities & Equipment, Standard 4 – Clinical Resources)
- **The Royal Veterinary College University of London** – continued on [Probationary Accreditation](#) with major deficiency (Standard 11, Outcomes Assessment)
- **Tuskegee University, College of Veterinary Medicine** – continued on [Probationary Accreditation](#) with major deficiencies (Standard 2, Finance; Standard 4, Clinical Resources; Standard 11, Outcomes Assessment)

*If a college granted Reasonable Assurance is making adequate progress in complying with the Standards, **Provisional Accreditation** may be granted to that college on the date that letters of acceptance (admission) are mailed to members of the initial class. When Provisional Accreditation is granted, interim reports are required at six-month intervals to monitor the program's progress in complying with the Standards. In particular, changes in business or educational plans must be addressed in detail. Provisional Accreditation status may remain in effect no more than five years if the program complies with the necessary requirements. A program with Provisional Accreditation for five years or that does not provide continuing evidence that its program will comply with the Standards and its plan may be placed on Terminal Accreditation.*

Based on evaluation of a comprehensive site visit that took place in Spring 2024 and review of the biannual report the Council continued on Provisional Accreditation:

- **Long Island University College of Veterinary Medicine, Brookville, New York**

Based on a review of the biannual report the Council continued on Provisional Accreditation:

- **Texas Tech University School of Veterinary Medicine, Amarillo, Texas**
- **University of Arizona College of Veterinary Medicine, Tucson, Arizona**

Based on notification of matriculation of the inaugural class, the following were granted Provisional Accreditation:

- **University of Ana G. Mendez-Gurabo Campus School of Veterinary Medicine**, Gurabo, Puerto Rico

Based on evaluation of a comprehensive site visit for letter of Reasonable Assurance was granted a Letter of Reasonable Assurance:

- **Rowan University Shreiber School of Veterinary Medicine**, Glassboro, New Jersey
