

## **University of Utrecht Faculty of Veterinary Medicine**

### **Standard 3- Physical Facilities and Equipment**

#### **Minor Deficiency:**

Classrooms, teaching laboratories, teaching hospitals, which may include but are not limited to ambulatory/field services vehicles, seminar rooms, and other teaching spaces shall be clean, maintained in good repair, and adequate in number, size, and equipment for the instructional purposes intended and the number of students enrolled.

### **Standard 11 Outcomes Assessment**

#### **Minor Deficiency:**

The college must have processes in place whereby students are observed and assessed formatively and summatively with timely documentation to assure accuracy of the assessment for having attained each of the following competencies:

4. Basic surgery skills and case management.
8. Ethical and professional conduct; communication skills, including those that demonstrate understanding and sensitivity to how client's diversity and individual circumstance impact health care.
