

Table 5 -- AVMA Professional Activity Analysis, membership as of December 31, 2010. Table 5 has three sections and a key explaining the Species information. The three sections are: Species Category, Medical Discipline, and Employment Type.

Species Category

Total is greater than the membership total of 81,621 as members can select multiple species categories depending on their focus.

Companion Animal Exclusive	43,251
Companion Animal Predominant	6,567
Equine Exclusive	3,225
Equine Predominant	883
Food Animal Exclusive	1,835
Food Animal Predominant	4,315
Mixed Animal	4,555
Other	2,615
No Species Contact	2,644
No Information Provided	13,355
Total	83,245

KEY

Explanation of Species Category	Species Codes
1-Food Animal Predominant-sum of (4, 5, 6, 7, 8, 9) is at least 50% of contact	1-Canine
2-Food Animal Exclusive-sum of (4, 5, 6, 7, 8, 9) is at least 90% of contact	2-Feline
3-Companion Animal Predominant-sum of (1, 2, 10, 12) is at least 50% of contact	3-Equine
4-Companion Animal Exclusive-sum of (1, 2, 10, 11) is at least 90% of contact	4-Bovine
5-Mixed Animal-varied species with at least 25% from companion animal and 25% from either food animal or equine	5-Porcine
6-Equine Predominant-sum of (3) is at least 50% of contact	6-Ovine/Caprine
7-Equine Exclusive-sum of (3) is at least 90% of contact	7-Camelid
8-Other	8-Cervid
9-No Species Contact	9-Poultry
0-No Information Provided	10-Avian (non-poultry)
N-Not Applicable	11-Exotics
	12-Amphibian/Reptile
	13-Aquatic Animal
	14-Zoo Animal
	15-Wildlife
	16-Furbearing Animal
	17-Laboratory Animal
	18-Non-human Primate
	19-Human
	20-Other Species
	21-No Species Contact
	22-No Information Provided

Medical Discipline

Alternative/Complementary	495
Anatomy	121
Anesthesiology	164
Animal Behavior	128
Animal Welfare	68
Association Management	23
Biochemistry	22
Biomedical Engineering	10
Business/Economics	69

Cardiology	186
Dentistry	214
Dermatology	259
Disaster Medicine	16
Ecology	8
Emergency & Critical Care	1,718
Endocrinology	11
Environmental Health	9
Epidemiology	301
Ethics	1
General Medicine	19,370

Toxicology	42
Virology	62
Wildlife Medicine	147
Zoological Medicine	901
No Information Provided	46,656
Total	81,621

Employment Type

Total is greater than the membership total of 81,621 as members can select multiple employment types depending on their focus.

Agriculture/Livestock Production	132
Air Force	97
Animal Science Department	61
Army	491
Business/Consulting Services	672
Emergency/Critical Care Medicine	2,821
Feeds/Nutrition	135
Foreign	18
Foundation/Charitable Organization	121
General Medicine/Surgery	49,314
Humane Organization	643
Laboratory	233
Local	164
Membership Assn/Professional Society	184
Missionary/Service	64
Non-Veterinary Employment	147
Not Employed	189
Other Academia	576
Other Government	180
Other Industry/Commercial	931
Other Private Clinical Practice	931
Pharmaceutical/Biological	937
Production Medicine	4,805
Public Health Commission Corps	62
Referral/Specialty Medicine	2,154
State	694
Temporarily Not Employed in Veterinary Field	125
U.S. Federal	1,004
Veterinary Medical College/School	4,464
Veterinary Science Department	106
Veterinary Technician Program	231
Wildlife	407
Zoo/Aquarium	252
Not Listed Above	917
No Information Provided	15,233
Total	89,495
